COUNCIL MAKES
TOUR OF CITYAldermen Visit Streets and Al-
leys--Changes Necessary

At precisely 7 o'clock this morning, Mayor Ojala and members of the city council met at the city hall ready for their morning trip through the four wards of the city. The trip required the entire day and many things came within the gaze of the aldermen and council members that heretofore had been unnoticed. From their trip today many of the councilmen are certain that several improvements are needed and particularly in this true in the Fourth ward where the sewerage system will have to be bettered somewhat.

At the start, it was decided that the better plan would be to take each ward in succession and thus the first ward was visited early. After inspecting this ward the council was taken to the second and from there to the third. On arriving at the Fourth, it was necessary to spend a lengthy period and practically the entire afternoon was consumed in looking over the ground in this vicinity. As is well known, the Fourth ward is the largest in the city and the population here is greater than any other ward. The improvements needed here are also more than in the other three wards and this is the reason the junketers were required to stop for such a long period. The city will spend a large sum of money this summer for improvements, especially in the last ward visited today. Here the sewerage system will be extended and this work will require a great deal of time and quite an outlay of money.

"We cannot be too extravagant," said Mayor Ojala, discussing the improvements, "and then again we cannot spend all of the money appropriated for this improvement plan in the Fourth ward. We will have to make several improvements in the other three wards and it can readily be seen that this will mean a great outlay of money. The present administration desires to continue its plan of economy of the city and will do so if possible."

"Among one of the things I noticed, particularly in the tour today was the fact that many people are not observing the order issued some time ago that every day is to be 'clean-up' day in Hancock. This must be obeyed. Every person should and must keep his property in presentable condition. If some realized that they were hurting their neighbors as well as themselves by not cleaning up they probably would do so as soon as possible. There is no reason why Hancock should be a filthy city and when visitors come to this city they will be forced to remark on the cleanliness of the place."

"Then again for our observance of the nation's birthday, Fourth of July, we should have every nook and corner of the city cleaned so that Hancock will have something to boast of on this occasion. If the city is cleaned it will also aid greatly in the betterment of the celebration."

ODD FELLOWS TO CRESTVIEW.

Houghton Odd Fellows are looking forward to the annual outing which will take place at Crest View on June 20 with much interest and officials of the Copper Country Odd Fellows association, under whose auspices the event will be conducted, are hopeful for the most successful gathering. Another event of interest in Odd Fellow circles will be the "booster" degree meeting which will be held on June 18.

ITCHED AND
BURNED TERRIBLYFace All Covered With Eruption.
Unable to Get Rest. Cuticura
Soap and Ointment Cured.

283 No. Union St., Aurora, Ill.—"My ailment started with a little pimple and I always itched and burned terribly. I scratched it and in a few days my face was all covered with sores. It ran up to my eyes and the day after I could not see out of my right eye. I was unable to get any rest. I couldn't go to bed, being afraid of getting the clothing all soiled, although I had my face all bandaged."

"I was given two jars of Cuticura and I followed the directions. I used something like a running sore because every time I used some of the ointment I had to wrap bandages around my neck to keep the water and pus from running down my body. After I had the run to two months my mother told me I should try Cuticura Soap and Ointment. I wrote for a sample and in a few days I received them and washed my face with the Cuticura Soap and put on some Cuticura Ointment and the next morning my face felt cool and somewhat relieved. After using the sample I bought some Cuticura Soap and Ointment at the drug store. I followed this treatment just twenty-six days and after using one cake of Cuticura Soap and two boxes of Cuticura Ointment I was cured."

(Signed) George Miller, Jan. 1, 1913.
Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold everywhere. A single set is often sufficient when all else fails. Liberal sample of each mailed free, with 24-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

TO CIRCUIT COURT.

Sunday Night Disturbers are Bound
Over to September Term.

Ivan Romanick and Ivan Levotin, who were arrested at Franklin Sunday evening, charged with assault with intent to do great bodily harm, less than the crime of murder, were arraigned before Justice Eichhorn this morning. Both men are charged with having made an assault on Wassil Sedreruk with a knife and he received three serious wounds in the head. In their examination such facts were borne out and Justice Eichhorn decided the testimony sufficient to hold them to the September term of circuit court.

Sedreruk, received several cuts, and is in a very serious condition. It is feared he will not survive the wounds.

FUNDS COMING IN RAPIDLY
FOR CITY'S CELEBRATIONCITIZENS RESPOND PROMPTLY
WITH DONATIONS--WILL BE
BEST EVER.

The soliciting committee, appointed at a mass meeting of citizens Monday evening for the purpose of laying plans for Hancock's celebration of the Fourth of July, was busy yesterday and today collecting donations from businessmen. Reports from the members of the committee state that the donations are coming in rapidly and every citizen approached has been "coming across."

It is expected that the observance of the nation's birthday in Hancock this year will be one of the best ever held in the copper country and by the manner in which everybody is co-operating this statement probably will be borne out.

At the outset, many citizens were in favor of uniting with Houghton in the observance but since the idea of celebrating at home has been carried into effect, they have reversed their opinion and are willing to aid in a local celebration.

SEN. JAMES TO BE SPEAKER.

Candidate for Congress Will Deliver
Four O' July Address.

Senator W. Frank James has been chosen to deliver the address at Hancock's Fourth of July celebration and in its selection, the committee has been felicitated. During the present year, Senator James has been frequently sought as a public speaker and his services are constantly in demand. Everything now points to Hancock's celebration being a hummer. The soliciting committee stated yesterday its results were very gratifying. At the meeting next Friday evening a report will be presented. The several committees named Monday evening have entered into their work enthusiastically and a general plan for the day has been outlined. It is proposed to have a calithumpian parade, wrestling matches, a strong program of athletics and to make the affair complete, plenty of ice cream and cake will be furnished the children gratis.

A list of vice-presidents including every prominent man in the city has been named and badges will be furnished these individuals showing their rank on Independence day. The automobile and floral pageant is expected to surpass any effort of its kind ever attempted here. Colonel W. H. Mason will be grand marshal of the day.

STATE LEAGUE TO MEET HERE.

Hancock Will Be Host to Building &
Loan Associations in July.

Hancock will be host to the State Building & Loan league on July 21 and 22 when more than a hundred representatives of the league's societies will be in attendance. The lower Michigan delegates have chartered the steamer Lakeland for the trip.

While the convention will be under the auspices of the Detroit and Northern Michigan Building & Loan association the Houghton County Loan & Investment association and the Copper Country Building & Loan association will co-operate in providing entertainment for the visitors. Several meetings of committees representing the three associations have been held to discuss tentatively the forms of amusement to be provided. Another meeting of these committees with the directors of the Detroit and Northern Michigan Building & Loan association will be held this week in Hancock to discuss the project.

The convention in Hancock next month will be the first time the copper league has thus honored the copper country. Several years ago the league met at Sault Ste. Marie so it will be the second visit of the league to the country north of the straits. It is not improbable that the convention will hold its sessions in the Elks' temple but this and sundry other matters are to be taken up at the committee meeting this week. The league during the past decade has made wonderful progress and the speakers at the convention will make known to the world the benefits it has brought the public.

COMMENCEMENT TICKETS.

Persons Wanting to Attend Exercises
Must Make Application.

Superintendent H. D. Lee of the Hancock public schools has been busy for the past few days preparing the tickets for the commencement exercises to be held next Thursday evening. The exercises will be held in the Keweenaw theatre and every person wishing to attend will have to secure tickets early as it is expected the theatre will be crowded to capacity.

Tickets have already been given to each member of the senior class, which numbers thirty-one. Public

ECHOES FROM IRONWOOD

Ironwood Happenings Always Interest
Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Ironwood resident leaves no room for doubt on this point.

P. Donovan, 216 E. Aurora St., Ironwood, Mich., says: "My kidneys did not act properly and the kidney secretions were unnatural and painful in passage. I also suffered from back-ache and sharp twinges across my kidneys. Seeing Doan's Kidney Pills advertised, I used them and they gave me relief."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Donovan had. Foster-Milburn Co., Props., Buffalo, N. Y.
