FOR GOVERNOR
Sergeant Sam W. T. Lanham

TO CORRESPONDENTS

We are anxious to have correspondent from each school community in the country tributary to Canyon City.

Rains, conditions of crops and grass, sales of stock when the price, condition and age of stock, and names of parties to the transactions are given are of interest to stockmen. Births, deaths, marriages, persons moving into the community, residents going out, etc. are matters of local interest.

Religious, educational and social matters indicate to the world the attention given to such things.

Strictly avoid mentioning little troubles or other matters that will be unpleasant to any one.

Correspondents will kindly furnish us the name and post office of the school teacher in your neighborhood. As matters of importance come in late we would urge correspondents to have communications to reach us as early as Tuesday morning to be certain of publication that week. If they are later we will do our best to put them in.

The Canyon post office issued for the month of October, \$7,384.81 in money orders. How is that for one month's business?

ASTOUNDING DISCOVERY.

From Coopersville, Mich., comes word of a wonderful discovery of a pleasant tasting liquid that when used before retiring by any one troubled with a bad cough always ensures a good night's rest. "It will soon cure the cough too," writes Mrs. S. Himelburger, "for three generations our family have used Dr. King's New Discovery for Consumption and never found it's equal for coughs and colds." It's an unrivaled life-saver when used for desperate lung diseases. Guaranteed bottles 50¢ and \$1.00 at Hadley Drug Co's.

The Hadley Drug Company have just received a lot of Parke Davis & Company's blackleg vaccine and syringes for applying it. Stock men are invited to call and examine them.

League Mite Social.

Next Friday night November 8th at the residence of Mr. and Mrs. John A. Wallace a League Mite Social will be given, the proceeds to be applied to the last payment on the Methodist church organ. An interesting program will be rendered by Mrs. M. J. Overhuls, Mrs. Ernsberger, Miss Adair, Mr. Frank Wilson, Professor Ernsberger and others. Refreshments will be served and a nice time is promised to all. Come spend a pleasant evening and help a good cause.

Home Comfort coffee is the best. Wansley & Hicks.

Persons desiring fruit or ornamental trees, flowers, shrubs, or other nursery stock will do well to see S. H. Baker, of Wright, Texas. He is representing the celebrated Stark Bros., of Louisiana, Missouri.

Captain D. H. Sweeney, of Silvertown, was in town Wednesday and made us a pleasant visit.

There is no better value found than our \$1.00 pants. See them. Smith, Walker & Co.

For all fresh cuts or wounds, either on the human subject or on animals, Ballard's Snow Liniment is excellent; while for corn husker's sprained wrists, barbed-wire cuts and sores on working horses, it cannot be too highly commended. Price, 25 and 50¢ at Hadley Drug Company's.

Mr. John Wallace sold his country place to Charley Thomas, and is once more a town man. He did not stay in the town long enough to get hay seed in his hair.

Wansley & Hicks handle the old reliable Meyers flour, Albattross and Supreme. Every sack guaranteed.

LONG LEAF YELLOW PINE LUMBER,

THE BEST TO BE HAD FOR STRENGTH.

Mouldings, Doors, Windows, Lim, Cement, Paints, Oil, Building Paper, Etc. Courteous treatment and good material for all.

CANYON LUMBER CO.

Herbine sweetens the breath, brightens the eyes and clears the complexion without the slightest ill effects whatever, and ensures the natural bloom of health. Price 50¢ at Hadley Drug Company's.

The market in Canyon City was supplied last Saturday with cabbage, green and ripe tomatoes, sweet and irish potatoes, cushaws, squashes, pumpkins, turnips greens, apples, chickens, turkeys butter, eggs, beef and pork besides the great quantity of dried and canned foods on sale. Verily the house wife here has much to select from wherewith to win her way to husband or fathers heart and thereby gain the coveted winter hat.

The Best Stationery at the Canyon City Pharmacy.

Mr. J. R. Baird brought us in a bushel of sweet potatoes that averaged eight pounds apiece, each potato being well shaped. How is that for a bushel of big "taters" and he says his whole crop is like them.

Many people are suffering fearfully from indigestion or dyspepsia, when one single bottle of Herbine would bring about a prompt and permanent cure. A few doses will do more for a weak stomach than a prolonged course of any other medicine. Price 50¢ at Hadley Drug Company's.

Faulkner, Hogan and Tudor.

Mr. Robert Skipworth has decided to leave the Plains and go back east. He has sold his place north of Wright to Mr. James; so there is a country in Texas that suits everybody, but we would like to see the country that beats the Plains in every respect. Some claim the loco is bad. Well then, get good cattle, turn loose all their sections but two or three and take the money that they get for the rest and hire the loco cut off and then raise plenty of feed. A few good cattle, well cared for, beats a big bunch not attended too, get more for them and look better so there is no use in grumbling about loco when it can be remedied.

Cattle in this part of the country are in fine condition because most of them have cut the loco. Some have not.

Mr. W. R. Adkins looks pleasing. He has a young man stopping at his house.

It was so disagreeable yesterday the young folks had to stay at home. They had no singing anywhere.

Rev. R. B. Wagoner made a flying visit to Wright on Wednesday; getting ready for conference. He has a young man

It has rained again. A norther blew up Saturday night which brought the roses to the cheeks of the pretty girls Sunday. It was not cold enough to make the old cows hump their backs but enough to make a fire in the parlor necessary and the old man hump to meet the coal bill.

Dr. Edgar P. Lewis, dentist, who is now associated with Dodson Bros., of Amarillo, will be in Canyon City Nov. 18 to 23 at Hotel Victoria.

Mr. H. E. Hume spent last week in the lower country, he says, sparking, but we suspect he was trying to woo the festive dollar out of the pockets of The Stringfellow-Hume Hardware Co's debtors.

There will be no preaching at the Baptist church next Sunday on account of the pastor being absent.

An enthusiastic mass meeting was held last Monday evening at the court house to determine whether or not Randall county should send a delegate to meet the commission who are to locate the new experiment station that the last legislature authorized for Western Texas. Judge Lair was unanimously chosen to go and instructed to do all possible to secure the station, first, for Randall county if possible, then somewhere in the panhandle as second choice. Elder, J. T. Burnett was also instructed to help Judge Lair any way possible as it was understood Mr. Burnett would be in Ft. Worth on the 6th.

WRIGHT WRUMLINGS.
Well winter is here at last. We had a rain Friday night on Saturday night at 8 o'clock a norther blew up so this morning, Monday, a good big frost; also ice.

Roads are very muddy and disagreeable for traveling, especially on poor freighters.

OUR OFFER TO THE PUBLIC SCHOOL OF THE PLAINS

In order to further the school interests on the Plains and show to the outside world what progress Young America is making in the wild west, we will give to the school making the highest "general average in their studies and deportment" for six months, or the full term of school if the term does not last six months, Webster's Unabridged Dictionary, late edition, with stand to hold it. To the pupil in each school making the highest "general average in all studies and deportment" an appropriate premium to be determined later.

The principal of each school competing must send to THE STAYER for publication, a monthly report giving the names the pupils, the department and general average. A report for the month of October will be included. The contest will be limited to communities where THE STAYER circulates.

Mr. Edgar Money, of Sherman county, is visiting his father Mr. C. P. Money.

For first class painting or paper hanging see I. G. Trimble. His is the best work. He has lived on the Plains a long time and his work at Plainview and other places are his recommendations.
