#### A GOOD THING

German syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its increasing sale every season confirms. Two million bottles sold annually. Boschee's German syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. For sale by Hadley, the leading druggist.

#### The Companion's Seventy-Sixth Volume.

In 1902—the seventy-sixth year or its publication—The Youth's Companion promises more varied attractions for its readers than ever before, and The Companion always gives more than it promises. The government of the United States will be represented in contributions from Secretary of the Treasury, Gage; Secretary of the Navy, Long; Postmaster-General Smith, and Assistant Secretary of the War Sanger—a list, it is believed, never equaled in a previous year.

The government of Great Britain will be represented by contributions from the Duke of Argyll the Marquis of Dufferin and Ava and the Rt. Hon. James Bryce, T. P. O'Connor and Winston Churchill members of the House of Commons.

Other noteworthy contributors will be Wu Tingfang, Chinese minister at Washington, Booker T. Washington, President of Tuskegee Institute, Justice Brewer of the United States Supreme Court, Gen. Chas. King and Rear Admiral Hichborn, while more than two hundred of the most popular living story writers will contribute from four to six fascinating stories to each of the fifty-two issues of The Companion for 1902.

To all new subscribers for 1902 and to those renewing their subscriptions The Companion will send its beautiful 1902 Calendar, lithographed in twelve colors and gold. By sending \$1.75 before January 1st, the new subscriber will receive free all the remaining issues of 1901 from the time the subscription is received.
