

REORGANIZATION SALE

December 1st we will put our entire stock of Merchandise on Special Sale except Shoes and Stetson Hats. This sale will continue throughout the month and it is our intention to move at least \$30,000.00 worth of goods during this time

It is not often the public is turned loose on the enormous stock that we have and at prices we are making, during the best buying month of the year, but we have concluded to give these nice profits to our friends and reduce our stock to a minimum that we may carry out our plans, which will be made known at the proper time and by which we expect to revolutionize the retail business of Amarillo and benefit the buying public in many ways. We don't mean to make a great fuss and hurrah about the matter, just give facts and if you need goods and want to save money, we give you the chance. Our goods are marked in plain figures and we have made up as complete selling list as it is practical. Articles not mentioned go at same relative price. Our Clothing Department deserves special mention as the stock is very large and of High Class. We know of none better.

While our Grocery Department is full, yet we have a number of cars of canned goods and other stuff en route which will be put into the sale as it arrives, and, further, these goods were bought early and at figures lower than the ruling prices of today. You get the benefit.
