A great barbecue was given at the west of Cherokee last Saturday the 23rd, by the people partly of San Saba and Lampasas counties. The attendance was large and provisions abundant. The assemblage was addressed on behalf of the Third Party, by Mr. Lee of Hamilton county and Mr. Linch of Brown, replied to by Col. Barnes of Brown, and our Joe Brown, of Cherokee S. S. county, on behalf of the died in the wool democratic party.

The fourth party was not represented, at least not by orators, though no doubt many well qualified for membership in that party were present.

Candidates Votaw and Jamison made eloquent appeals for support by votes from any party. It is said that the whole thing was enjoyable and a credit to the managers and people who got it up.

Scientists have built for advertisers, by an arrangement of mirrors, reflecting glasses and lights, a sort of gigantic magic lantern, by which images can be thrown upon the clouds, so that advertisements in letters 100 feet long will be visible over a dozen counties. On the basis of an advancing cyclone horrified humanity of the future will be able to read in gigantic letters "Use Blank's Chest Protector," "Try Druggers' Pills."—Minneapolis Journal.

This communication will be a little on the complaining order. We are all mad since the election. We voted the hogs in the pen four to one, and now we have to submit to the vote of the town. It is a terrible cast on the Golden City of the far west to think that there is not enough enterprising citizens to do away with such a perpetual nuisance.

If we say that there has been more improvements made here in the last two years than in the ten previous years, it would be a very good guess.

It has evidently done Jack Walker good to live in town. It broadened his ideas; for he came back and built the best residence in the whole settlement.

The change in the road between Leverett's and the Holman lane is a grand success. So much so that it almost compensates for the set back we had about six months ago. Now if we can get those gates done away with through Mr. Brown's field, we'll be flying and the grumbling be at an end.

We think
