DO YOU RAISE CORN

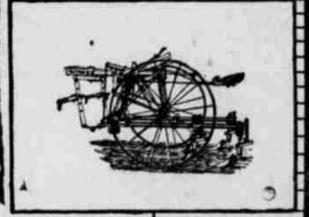

or simply let it grow?

To get the maximum crop you must cultivate your ground, and cultivate it in the right way—the Oliver way.

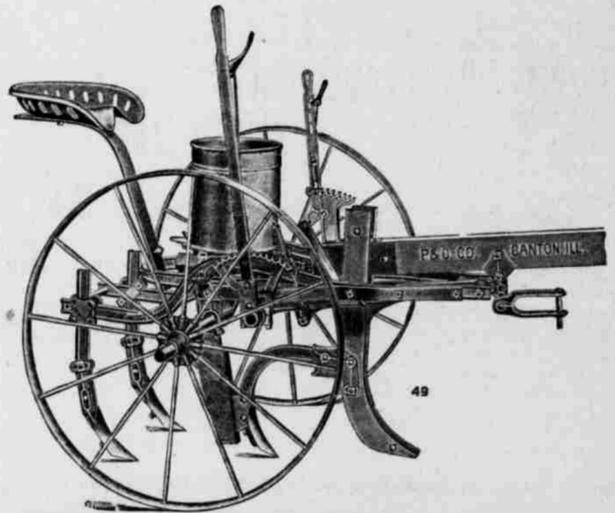

*The Oliver
No. 1 Cultivator*

is made to cultivate your crops better than they were ever cultivated before. It is made to lighten your work—because it is the easiest to guide, to raise, to lower and to adjust.

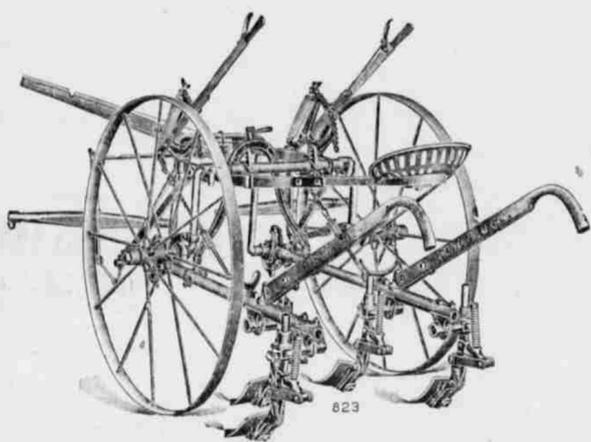

It is built for service and will serve you well.
