

Soap Daintiness!

It is expressed in every cake of our Fragrant Toilet Soaps. They are pure vegetable oil soaps that are good cleaners of the pores, yet they do not deprive them of the natural oil so essential to good skin health. With our many years of experience in soap making and selling and for our customers protection, we make it a rule to buy only soaps of reliable manufacture.

Did Your Child

show symptoms of eye-strain during last year's school term? Was there complaint of headache, eyes itching or burning? Is there at times a tendency of the eyes to cross? If any of these or the numerous other symptoms of eye strain were manifest, the cause of the eye-strain should be sought and corrected. Here you are absolutely sure of getting what the child needs. If no defect is present I will tell you so. Under no circumstances will I prescribe glasses unless needed. J. W. Payne with J. M. Caldwell.
