**"SING A SONG OF SIXPENCE, POCKET FULL OF RYE."**  
 How long has it been since you heard the old familiar Mother Goose jingles and rhymes? You need not tell but it would make you glad again to hear the little couplets which have been an essential part of the education of every boy and girl in the land, now wouldn't it?  
 More than 100 children of Bryan, and that means the brightest, sweetest tots in the town, are going to present the favorite Mother Goose rhymes and jingles Friday night at the Colonial opera house. The Blackbird Pie chorus, Old Mother Hubbard, all of your boyhood and girlhood favorites, will be presented for your approval by adorable tots who now cherish an affection for these jingles.  
 The Mother Goose show will be given by the Civic League of Bryan for the benefit of the City Park, near the H. & T. C. station. Already much enthusiasm over the beauty of this little spot has been aroused and the plans for its further improvement which are cherished by the women of the Civic League mean the making of this park into the prettiest resting spot in the State.  
 Funds are not available for the work. An admission fee of twenty-five cents for children and thirty-five cents for adults will be charged for the show and the surplus will apply on the improvements to the park.  
 The curtain will rise at 8:15 o'clock.

**SHERIFF GRISSETT DANGEROUSLY ILL**  
 Word was received here yesterday to the effect that Mr. John Grissett was dangerously ill at his home at Anderson, the trouble seeming to be ptomaine. It seems that he attributes it to something he ate at a restaurant at Navasota last Saturday night. A message early this morning said that the gentleman was resting somewhat better, though his condition is yet exceedingly dangerous.—Navasota Examiner.
