In the article in yesterday's Herald regarding the minstrel performance there was an erroneous statement to the effect that the proceeds were donated to the L. C. A. Society. It should have read "a portion of the proceeds," the amount being 15 per cent of the proceeds.

Camilla; burglary, two years; Manuel Solis; theft of cattle, two years; Justo Ramirez, theft of cattle, two years; Fernando Rodriguez, burglary and theft, two years; Felipe Montalbo, theft of a horse, five years in reformatory; Luciano Zuniga, theft, three years; Paz Medina, theft, three years; Lorenzo Vega, theft of cattle, two years.

These offenders are all from this county. Mr. Carmichael will not have the pleasure of the company of any prisoners from Hidalgo, as there were no convictions there.

Col. Rafael Garcia Martinez.

A writer in the San Diego Vidette says: Colonel Rafael Garcia Martinez, who has just been appointed governor and military commander of the northern district of Lower California, is a distinguished military officer, and has been acting as adjutant and close friend of President Diaz for many years, and there is probably no man in Mexico as near the President or in whom he has more confidence than he has in Colonel Martinez. Four years ago it was our good fortune to be thrown almost daily for six months in the company of Colonel Martinez on important business with President Diaz, and it was at that time we learned his many noble traits of character, and the warm friendship existing between the two distinguished gentlemen. The president of Mexico considers the frontier of Lower California the most important territory of the republic adjoining the United States, therefore he desires the highest official authority of the frontier to be vested in only those whom he knows to be honest, capable, and true to the republic. Colonel Martinez is a highly educated gentleman in Spanish, English, and French; having received his military education at Chapultepec, the national military college of Mexico, under the management and control of the government. We cordially recommend him to all Americans with whom he may have private or public business as a gentleman scrupulously honest, affable, and brave, whose word is as good as his bond.

Card of Thanks.

The Ladies' Charitable Aid society beg to acknowledge the receipt of \$16.46 contributed by "Uncle Sam's Minstrels" from proceeds of the entertainment given by the troupe on the 23rd instant.

A Woman's Prerogatives,

New York Press. When a man's courage gives out it is usually in the face of danger. The woman doesn't think to get frightened until the peril is all over. Then she exercises the prerogatives of her sex and cries or faints or does, as the case may be. It's a historic fact that Joan of Arc wanted to run away and hide every time she won a battle. Feminine nature hasn't changed in this respect in the past 200 years.

Don't Tobacco Spit or Smoke Your Life Away. is the truthful, startling title of a little book that tells all about No-to-bac, the wonderful harmless Guaranteed tobacco habit cure. BALD HEADS!

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

Skookum Root Hair Grower

It is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the diseases of the hair and scalp led to the discovery of how to treat them. Skookum contains no dye, no chemicals, no poisons. It is not a dye, but a delightfully cooling and refreshing tonic. By stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.

Keep the scalp clean, healthy, and free from irritating eruptions by the use of Skookum Root Soap. It destroys parasitic insects, which feed and destroy the hair.

If your druggist cannot supply you send direct to us, and we will forward prepaid, on receipt of price. Grower, \$1.00 per bottle; 6 for \$5.00. Soap, per jar, 6 for \$2.50.
