Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

CONSTIPATION

should not be regarded as a trifling ailment—
in fact, nature demands the utmost regularity
of the bowels, and any deviation from this
demand paves the way often to serious danger. It is quite as necessary to remove impure
accumulations from the bowels as it is to eat
or sleep, and no health can be expected where
a costive habit of body prevails.

SICK HEADACHE!

This distressing affiletion occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a sovere pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which take Simmons Liver Regulator.
