A Badge of Honesty

Is printed on the outer wrapper of every bottle of

Dr. Pierce's Favorite Prescription

and it is the only medicine for woman's peculiar ailments, sold by druggists, the makers of which feel fully warranted in thus taking the afflicted into their full confidence

The more known about the composition of Dr. Pierce's Favorite Prescription the more confidently will invalid women rely upon it to cure their peculiar weaknesses and derangements. There's no secrecy about its make-up—no deceptive inducements held out to the afflicted. It's simply a good, honest, square-deal medicine with no alcohol, or injurious, habit-forming drugs in its composition. Made wholly from roots. It can do no harm in any condition of woman's organism.

Devised and put up by a physician of vast experience in the treatment of woman's maladies. Its ingredients have the indorsement of leading physicians in all schools of practice.

The "Favorite Prescription" is known everywhere as the standard remedy for diseases of women and has been so regarded for the past 40 years and more. Accept no secret nostrum in place of "Favorite Prescription"—a medicine OF KNOWN COMPOSITION, with a record of 40 years of cures behind it.

It's foolish and often dangerous to experiment with new or but slightly tested medicines—sometimes urged upon the afflicted as "just as good" or better than "Favorite Prescription." The dishonest dealer sometimes insists that he knows what the proffered substitute is made of, but you don't and it is decidedly for your interest that you should know what you are taking into your stomach and system expecting it to act as a curative. To him its only a difference of profit. Therefore, insist on having Dr. Pierce's Favorite Prescription.

Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages cloth-bound.
