UNITED STATES POSTOFFICE.

Patrons Are Required to Provide Boxes For the Mail.

By direction of the Post Office Department, the attention of patrons of this office is invited to the advantages of providing facilities for the receipt of their mail by erecting conveniently accessible boxes or cutting suitable slots in their doors. Such action would enable the postmaster to give a prompter and better delivery service with the means at his disposal, since the carriers can cover much more territory in less time if not compelled to wait for an answer to their ring or whistle. Private receptacles for mail are also a great convenience to the household, obviating the necessity of responding to the carrier's call at inconvenient moments and permitting the safe delivery of mail in the absence of members of the household. They also prevent the occasional necessity of a carrier's proceeding on his route without delivering mail because of failure to answer his ring within a reasonable time, and enable him to make deliveries to patrons living on or near the end of the route at an earlier hour.

It has been shown by actual experience that the benefits derived by patrons of city delivery from the use of such receptacles far outweigh the small expense involved. As this office is interested in furnishing the best possible service at the least expense, your compliance with the foregoing suggestions will be much appreciated.

Respectfully,
BAHNEY FIELDS,
Postmaster.

Note.—Neither the postmaster nor any of his subordinates is authorized to act as agent for boxes.

TEXAS COTTON FOR ORIENT.

Expected That Demand This Year Will Be Greater Than Ever Before. Fort Worth, Tex., Sept. 7.—Following the announcement issued at New Orleans yesterday that Texas again leads all other states in cotton production, the statement was given out here today by cotton dealers that the larger part of the North Texas cotton crop will be shipped to Japan this year. In the past the bulk of the cotton went to New England and Liverpool but the Orient's demands are rapidly increasing yearly and may take more than the English markets next year.

North Texas is also sending large quantities to China and the Philippines whereas a few years ago none was sent there. Cotton is shipped to the Orient routed via Seattle and San Francisco. Dealers declare the demands now far exceed the supply.

Woman's Power Over Man. Women's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loves it and still loves on, no one in the wide world can know the best remedy she endows. The woman who suffers from weakness and derangement of her special womanly organs soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiable and her power and prestige as a woman. Dr. H. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and builds. Medicine-dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG. SICK WOMEN WELL. Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Greenville Citizen Can Afford to Ignore. DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Greenville proof: J. E. Arrey, farmer, two miles south of Greenville, Texas, says: "When I began taking Doan's Kidney Pills a few months ago I was in bad shape. There was a constant dull pain in the small of my back which was most severe when I stooped. At night I had to get up several times to pass the kidney secretions and was annoyed greatly. The kidney secretions were also highly colored and painful in passage. The contents of two boxes of Doan's Kidney Pills, procured from Fort & Pennington's Drug Store, checked the trouble from my kidneys and lessened the pain in my back. I can strongly recommend this excellent remedy to my friends as neighbors."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
