

# A BOLD STEP

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broad-cast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines.

Thus Dr. Pierce has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits and placed them in a class all by themselves by making them remedies of KNOWN COMPOSITION. By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the fullest scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as profluvium and retroversion, overcoming painful periods, toning up the nerves, and bringing about a perfect state of health. Sold by all dealers in medicines.

## A Reader Cures His Constipation—Try it Free

Simple way for any family to retain the good health of all its members  
The editors of "Health Hints" and "Questions and Answers" have had occasion that in our more than thirty years of publication, they find the most difficult to answer. That is "How can I cure my constipation?"  
Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole thing over, and has issued the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from any constipated people.  
Its success in the cure of stubborn constipation has done much to dispel the use of cathartics, which are so often used and which do much harm to the system. It is the only medicine that will again do their work without harm.
