### Jackson County Trip.

November, 20th, 1896.

Last Tuesday your correspondent  
in company with Mr. M. M. Babb  
and family started for Jackson Co.  
on a visit and for a pleasure trip.  
At this writing we are camped in  
the little place of Morales being the  
second day of our journey and ex-  
pect to reach our destination if not  
hindered by threatening weather,  
Thursday night. We have had a  
pleasant trip and roads were in  
fine condition for traveling. We  
met with several parties from Clay,  
Ellis and Johnson counties on their  
way to Jackson county. We met  
with a few mosquitoes, but not  
enough to disturb our sleep, but  
expect to "catch it in the neck"  
when we get below.

We expect to be back to Moulton  
by the first, provided everything  
turns out all right. No other news  
of interest, so I will close. P.

### Wedding Bells.

On Wednesday, November, 18th,  
1896, at 8 p. m. at the residence of  
the bride's mother, Mrs. M. A.

Seovil, near Moulton Institute, Mr.  
J. M. Loux was united in mar-  
riage to Miss Mellie Parker, Justice  
Helwig officiating. Only intimate  
friends of the contracting parties  
witnessed the ceremony that this  
young couple took upon them-  
selves the solemn vows that united  
them as man and wife.

After congratulations, merry con-  
versation and dancing were in-  
dulged in and the guests were roy-  
ally entertained for a few hours.  
The bride looked lovely arrayed  
in a dress of pure white lace and  
ribbon, white roses and crysanth-  
emum decorations. Possessing those  
qualities of heart and mind that  
won her the esteem and admira-  
tion of all that knew her for her  
sweet and loveable ways and amia-  
ble disposition.

The groom is one of the most  
popular and worthy young men,  
who has a host of friends who will  
rejoice at his good fortune, and  
wish them both every joy and suc-  
cess in their new voyage, and may  
prosperity and unalloyed happi-  
ness be their portion through life.

### NICKEL NOTES.

NICKEL, Nov., 20th, 1896.

### EDITOR GAZETTE:

Our public schools are in a pro-  
gressive state under the manage-  
ment of Miss Zoe Bunting. The  
writer visited the school and was  
pleased to note the advancement  
since our last report, although the  
attendance has been small, owing  
to the cotton picking season. Those  
regular ones are the pupils who  
show the marked advancement.  
This school enrolls forty-two scho-  
lastic pupils and one half of which  
are regulars. The teachers uniting  
efforts and kindness to her pupils  
will ever be remembered by the pa-  
trons of the school.

At this season emigrant wagons  
are seen every day seeking new  
homes and green fields.

Latter Day Saints held ser-  
vices at one of our school houses. The  
attendance was small.

The household of Mr. Seth Bunt-  
ing rejoice over the advent of a wee  
tiny girl who came to brighten  
their home during these dull winter  
day.

Mr. and Mrs. Willie Coons have  
a fine baby boy at their home.  
Mother and child are doing well.

Some few cases of sickness in our  
vicinity.

We deeply sympathize with Mr.  
Bowen and family in their great  
affliction.

Mr. John Hollyfield and family  
visited relatives here.

The mortal remains of Mr. Mon-  
roe Stewart who died two years  
ago at Midland, Texas, will be  
brought to Moulton Institute cem-  
etery for interment. The body is  
expected on the noon train at Moul-  
ton on the 21st instant, where they  
will be met by friends and rela-  
tives and conveyed to their last  
resting place where the rites will  
be performed by Rev. T. Z. Fouts,

If Troubled With Rheumatism, Read  
This.

Annapolis, Md., Apr. 16, 1894—  
I have used Chamberlain's Pain-  
Balm for rheumatism and found it  
to be all that is claimed for it. I  
believe it to be the best prepara-  
tion for rheumatism and deep-seated  
muscular pains on the market  
and cheerfully recommend it to the  
public. Jno. G. Brooks, dealer in  
boots, shoes, etc., No. 18 Mail St.

If your children are subject to  
croup, watch for the first symptoms  
of the disease—hoarseness. If  
Chamberlain's Cough Remedy is  
given as soon as the child becomes  
hoarse it will prevent the attack.  
Even after the croupy cough has  
appeared the attack can always be  
prevented by giving this remedy.  
It is also invaluable for colds and  
whooping cough. For sale by the  
Shiner Drug Co.

The Darlington, Wis., Journal  
says editorially of a popular patent-  
medicine: "We know from experi-  
ence that Chamberlain's Colic,  
Cholera and Diarrhoea Remedy is  
all that is claimed for it, as on two  
occasions it stopped excruciating  
pains and possibly saved us from  
an untimely grave. We would not  
rest easy over night without it in  
the house." This remedy undoubt-  
edly saves more pain and suffering  
than any other medicine in the  
world. Every family should keep  
it in the house, for it is sure to be  
needed sooner or later. For sale by  
the Shiner Drug Co.
