

Disease

can be driven in or driven out. Dr. Ayer's Sarsaparilla drives disease out of the blood. Many medicines suppress disease—cover it but don't cure it. Dr. Ayer's Sarsaparilla cures all diseases originating in impure blood by purifying the blood itself. Foul blood makes a foul body. Make the blood pure and the body will be sound. Through the blood Dr. Ayer's Sarsaparilla cures eczema, tetter, boils, eruptions, humors, rheumatism, and all scrofulous diseases.

"Dr. Ayer's Sarsaparilla was recommended to me by my physician as a blood purifier. When I began taking it I had rashes or boils all over my body, but one bottle cured me. I consider Dr. Ayer's Sarsaparilla the best blood medicine made."—BONNER CRAPP, Wesson, Miss.

ALABAMA SPEAKS OUT.

Mrs. J. M. Livingston

Kyleton, Ala., writes: For Palpitation of Heart and Sick Headache Dr. M. A. Simmons Liver Medicine is worth its weight in gold. The imitations are not so good.

Wifehood.

It is of vital importance to every woman who contemplates wifehood that her mental state and physical condition should be at their best, since the desire and happiness of mankind are consummated in marriage and procreation. If she is feeble, it is impossible that her children should be strong. Every woman should know that female weakness can be cured; that Dr. Simmons Squaw Vine Wine will prove most beneficial during wifehood; that it will impart physical, mental and local strength, nourish the nerves, blood, brain, and vitalize the feminine organism and insure a safe and comparatively painless delivery.

J. J. McBarley

Oak Lane, Ala., writes: Have used Dr. M. A. Simmons Liver Medicine 12 years. It cured a case of Sick Headache of 30 years standing. "Black Draught" is sometimes imposed on people as a substitute when they cannot get the genuine Dr. M. A. S. L. M. which I think is far superior.

Puffiness and Dark Rings Under Eyes. The symptoms of liver disease may differ according to the constitution, temperament, age, or constitutional weakness of the individual. Not infrequently the complexion becomes pale and sallow and there is a puffiness and dark rings under the eyes. The functional powers of the stomach are impaired and there is loss or irregularity of appetite. These and all other disorders of the liver may be cured by that old reliable remedy, Dr. M. A. Simmons Liver Medicine. The fact that imitators undertake to sell under our colors and sell on the million dollar reputation of our Dr. M. A. Simmons Liver Medicine is a compliment to our goods, but an acknowledgment of the inability of their article to stand on its own merits, and shows an attempt to unfairly appropriate the business of another, which is unworthy of gentlemen, and the public should look out for the imitations and refuse to have anything to do with them.

Too Much Knife!

The use of the surgeon's knife is becoming so general, resulting fatally in such a large number of cases, as to occasion general alarm.

Mr. William Walpole, of Walshtown, South Dakota, writes: "About three years ago, there came under my left eye a little blotch about the size of a small pea."

It grew rapidly, and shooting pains ran in every direction. I became alarmed and consulted a good doctor, who pronounced it cancer, and said that it must be cut out. This I would not consent to, having little faith in the indiscriminate use of the knife. Reading of the many cures made by S. S. S., I determined to give that medicine a trial, and after I had taken it a few days the cancer became irritated and began to discharge. This after awhile ceased, leaving a small scab, which finally dropped off, and only a healthy little scar remained to mark the place where the destroyer had held full sway.

A Real Blood Remedy.

Cancer is in the blood and it is folly to expect an operation to cure it. S. S. S. (guaranteed purely vegetable) is a real remedy for every disease of the blood.

ALABASTINE

ALABASTINE IS WHAT? Alabastine is a durable and natural coating for walls and ceilings entirely different from all kalsomine preparations, made ready for use in white or twelve beautiful tints by the simple addition of water (latest make being adapted to mix with cold water), put up in dry powder form, in 5 pound packages, with full directions on every package.

WHAT ARE KALSMINES? Kalsomines are cheap temporary preparations manufactured from chalks, clays, whiting, etc. are stuck on the wall with decaying animal glue. Alabastine is a cement which goes through a process of setting, hardens with age, can be re-coated and re-decorated from time to time without having to wash and scrape off its old coats before reworking.

CAUTION. Should you suspect that parties who

Every living thing has

have contracted with you to do Alabastine work are furnishing cheap kalsomines that will spoil your walls, send us a sample, and we will advise you if it is our goods. If not, do not pay for your work, and we will help you bring the fraudulent parties and infringers of our trade mark to justice. Alabastine Co., Grand Rapids, Mich.

WANT A CHANGE. How many women are saying, "Oh, I want a change in my wall decorations; I am tired of wall paper." How many

dealers are saying, "Oh, what a nuisance the wall paper business has become; how much time and investment it takes and how little the profit!" How many painters and decorators who have lent their influence to push forward the wall paper craze now find their occupation gone. To all such we would say: Use, sell and advocate the durable cold water Alabastine. Alabastine can be used on either plastered walls, wood ceilings, brick or canvas. Is absolutely fireproof in its nature, is durable, and anyone can brush it on. Alabastine is sold by paint dealers every-

where. Ask your dealers for card of tints. **TO DEALERS.** Don't buy a lawsuit or injunction with a cheap kalsomine. All cold-water kalsomines are cheap imitations of Alabastine. No dealer is justified in risking a suit and heavy damages while trying to introduce and sell a direct infringement on Alabastine. The right to manufacture and sell wall coating adapted to be mixed with cold water is covered by letters patent owned by the Alabastine Co.
