Letter to Philip Welhausen, Burner, Texas.

Dear Sir: When you can buy paint for less than Devco; don't; save your money.

Mr Aaron Higgins, Plainfield, N.J. always used 15 gallons of paint for his house; Devco took 11.

Mr Ezra Rathmell, Williamsport, Pa. always used 11; Devco took 6.

Mr. Burt Young, Girard, Pa. always used a gallon for certain rooms; took half as much Devco.

Mr Nathaniel Barber, Canton, N.Y. bought 12 gallons Devco; used less than 8.

You can always buy paint for less than Devco; don't; save your money.

The wearing counts the same way and doubles the difference.

The cost of painting is by the gallon. Weak paints costs most; most gallons.

Yours truly
W DEVCO & Co

A Sad Death.

The entire community sympathizes sincerely with Mr. and Mrs. T. L. Toland in the loss of their bright little son, Thomas, aged 4 years, whose death took place at 12:30 o'clock Tuesday morning, the result of that dread disease diphtheria. Everything possible was done to save the life of the little sufferer, nearly every physician in the city being called in consultation with the attending physician, but to no avail. The remains will be laid to rest in the family burying grounds at Gonzales to-day. Out of respect for the heart-broken parents, the school was suspended yesterday afternoon — Yeakum Times.
