### "Pittsburgh Perfect" Fences

For some time we have been investigating a New Idea in Wire Fencing. After a most careful examination we have been convinced that we have found the best field fence manufactured. "Pittsburgh Perfect" is made of all galvanized steel wires. It is the only fence welded by electricity. Every rod is guaranteed perfect. All large wires, the stays being the same size as line wires. It has no wraps to hold moisture and cause rust.

Miss Jannie Jakubik of Yoakum left last Saturday for Victoria, where she will spend a few weeks with friends.

A large crowd attended the mask ball at Vlastenes last night. Among the attendants were Misses Jannie Marek, Jannie Hones, Rosie Mattenbak, Fannie, Rosie and Hellen Herchek, Messrs. Joe Skrehot, Eddie and John Marek, Chas. Hattenbak and Rudolph Kuneska. All had a pleasant time.

A. E. of Dryer: I didn't get but one valentine and it sure is a pretty one. Well, as I am preparing to go to Sweet Home today, I will have to quit writing, as Johnny is coming.  
Good bye.  
GIRLIE.

### A Fierce Night Alarm

Is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O., (R. R. No. 2) for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved that a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So many you. Aschma Hay Fever, La Grippe, Whooping Cough, Hemorrhages by before it. 50¢ and \$1.00. Trial bottle free. Sold by Schulse, Gray & Co.

Rent contracts in any quantity for sale at the Gazette office.

### Attacks School Principal

A severe attack on school principal, Chas. B. Allen, of Sylvania, Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness and for new health and vigor. Try them. Only 50¢ at Schulse, Gray & Co.

### Rocky Creek.

A fine rain fell here Saturday evening which was fine for the gardens.

Rocky Creek was high Sunday morning, doing a small amount of damage to the fences.

Do you know that all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious diseases that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by all dealers.

### Shiner Route No. 3.

MR. WIECHRING ARRIVES.

Hallettsville New Era.

February 20.—We were greatly surprised last Saturday when Hermann Wiechring arrived here quite unexpectedly. He came to the United States from Ronnelmoor, Germany, via New York, stayed two months in Kansas where he learned of the whereabouts of his father, brother and sister. He learned that his sister Mrs. Emil Rossaw, lives near Gonzales, his brother in California and his father in Australia. The latter, however, is already on the way to this country again. Mr. Wiechring says he is well satisfied with what he saw here, but prefers to live in the old country, to which place he will return in a year or two.

### Kills a Murderer

A merciless murderer is appendicitis with many victims, but Dr. King's New Life Pills kill it by prevention. They gently stimulate stomach, liver and bowels, preventing their clogging, that invites appendicitis, causing constipation, headache, dizziness, chills. 25 cents at Schulse, Gray & Co.

### Three Head Items.

It has been a long time since I have written anything for our paper—and it is said a girl never can keep quiet, but I think I have done well—letting me tell it.

Jack Frost has been here stealing "two-lip salve," etc., but old Sol soon got hold of him and we are at peace and happy again.

Dear reader, how many trees have you planted this winter? Everybody should strive to have trees, as nothing is more pleasing than nice green trees and so many are destroyed every year especially during the two weeks before Christmas. We read that our evergreen trees are rapidly decreasing in number and lumber for useful purposes increasing steadily in price and that this condition is due to a considerable extent, to the demand for small trees, of which more than a million are annually brought into New York to say nothing of other large cities. It seems wicked to cut down a tree that has spent so many years growing, just for the enjoyment of one evening and after Christmas eve has passed and the little trees are thrown out to dry or be carried away by the ash cart—it is even worse. Does that sound non-sensical? Perhaps it is, but I love to see green trees and if we keep on destroying them and never plant new ones, then how sad it would be without trees. (You are right Fan.—EDITOR.)

Mr. and Mrs. Joe Nedbalek of Moulton have visited here.

Miss Agnes Kavanagh visited home-folks at Yoakum Saturday and Sunday before last.

Rev. Joseph Hegar of West, conducted services here Sunday, Feb. 19.

Mr. Joe Konecny was among us one day last week, buying cattle.

Mr. Louis Becka was at the river Saturday and Sunday.

Miss Fannie Nedbalek and little nephew, Emil Balusek, spent last Saturday with friends at Hochheim and had a jolly time.

The mask ball at the Vlastenes hall was a grand success.

We regretted to learn of the heavy loss (by fire) sustained by Mr. J. C. Neighbors and family at Waelder.

FAN.

### Has Millions of Friends

How would you like to number your friends by millions as Bucklen's Arnica Salve does? Its astounding cures in the past forty years made them. It's the best salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corns, sore eyes, sprains, swellings, bruises, cold feet. Has no equal for piles. 25¢ at Schulse, Gray & Co.

### Dilworth Doings.

(DELAYED FROM LAST WEEK.)

Dilworth, February 20th 1911.

A glorious rain fell here last Saturday night, filling cisterns, tanks and creeks. The best rain in twelve months. A brisk norther came with it which was also needed to cool the atmosphere, as so much warm weather hastens an early spring. Old people state this was the mildest month they ever saw, but the tide is turned and next month may be the coldest.

Several who killed hogs the last cold spell lost some meat. If this continues many porkers will go into the slaughtering vat.

Fruit is in danger, as some trees have already bloomed and formed fruit but we must make the best of these possibilities.

Our public school in a few more weeks will close a successful term with exercises appropriate which will be very much enjoyed by pupils and patrons. Miss Ruby Sockwell is very much loved by all.

Mr. Alfred Griffin of Cranz is among relatives here, doing carpenter work.

Mrs. Penn Wood of the Saturn community and her little son, Pete, spent a few days with her parents, Mr. and Mrs. Quebedaux.

Master Ellie Pogue of Waelder was a guest of Mr. Jim Woods and family.

Mr. A. P. Cobb, one of Dilworth's most enterprising and rustling stockmen, was on our streets, mingling pleasure with business.

After an epidemic of la grippe for sometime, which now reports our section in good health.

Will ring off, as news is scarce.  
A. J. C.

S. A. CARNES AND SON THE SPOT CASH BUYERS.

### Green's School Items.

(DELAYED FROM LAST WEEK.)  
February 20th 1911.

Here I am again to chat awhile with you, Mr. Editor. However, news is scarce.

These cold mornings give us an early shake and a general hustle for heavier clothing.

We had a fine rain last Saturday night, so you see the ground is good and wet. It is a fact, beyond dispute, that our fertile black lands respond to the magic touch of such winter rains more readily than anywhere else, transforming the whole panorama into one of nature's most beautiful pictures.

Mr. and Mrs. Wm. Hillmer of Kuehn's Grove visited at the home of their daughter and son-in-law, Mr. and Mrs. Reinhold Huebner, last Wednesday night.

Mr. George Renkin returned from Nixon last Saturday where he spent several days on business.

The members of telephone line No. 30 constructed the wire of their line on high posts last week, thus making considerable improvement on their line after 200 days of hard labor. They emptied a small keg of Shiner beer, which was enjoyed by one and all of the hard-working laborers.

The other lines which run thru this community have also been improved, by constructing the wire on high posts. Well, as news is not sufficient to write more and as I am tired, too, I will bid adieu to Mr. Editor and readers of the Gazette, but still remain as ever,  
GREEN SCHOOL SCRIBE.

John W. Sickelamith, Greensboro, Pa., has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all dealers.

We note with much interest the way some of our enterprising local dealers are putting forth every effort this spring to make their stores attractive. This week Schulse, Gray & Co., whose progressive policy has been strongly shown this spring by their large, attractive advertisements in our columns, have a fine window devoted entirely to house paint.

On close inspection one finds not only the usual display of paint cans, but long cards showing rows of houses in new and handsome combinations of colors for exterior painting. An attractive window border brightens the appearance of the whole whole store, and draws much attention from the passers-by. It attractively illustrates how easily and well any shabby surface in or about the house can be fixed up.

Schulse, Gray & Co., deserves much credit for this window and we are sure it will prove of much benefit in reminding people of the many things around their homes that can easily be beautified at house-cleaning time.

If you have trouble in getting rid of your cold you may know that you are not treating it properly. There is no reason why a cold should hang on for weeks and it will not if you take Chamberlain's Cough Remedy. For sale by all dealers.
