The Circus Is Coming

Boys, save your pennies, for the circus is coming. You can almost smell the hay of the menagerie and the sawdust of the circus ring. The roar of the lion and the trumpeting of the elephant can almost be heard, and the music of the bands is already in our feet. Save your pennies.

Yesterday the I. & G. N. signed contracts for hauling one of the big three-ring circuses, and Oct. 24 has been set for the date when Palestine will be paid a visit.

This is a great show, the circus consisting of 120 cars, and will make a big day for Palestine.

Fight Will Be Bitter

Those who will persist closing their ears against the continual recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. The GRAND LEADER

Palestine's Leading Store.

NEZIM PASHA, NOW IN CHARGE AT BEIRUT.

Nezim Pasha, who is the present wali of Beirut as a result of the demand of our minister to Turkey, J. G. A. Leishman for the removal of his predecessor who wantonly permitted outrages upon the rights of foreign citizens, is a competent man who can stop the disorder if he wishes to do so. His conduct so far appears to indicate that he is in earnest and that if any further disturbances should occur at Beirut it will be the result of some movement too strong to be resisted by the force at his command.

New showings in up-to-date millinery Tuesday and Wednesday at The Grand Leader. 73-2t.
