MANCHURIANS ARE RISING

The Natives are Making Preparations to Harass the Invading Russian Army.

Che Foo, February 24.—Manchuria is rising against the Russians. Five thousand Russian troops have been moved from Mukden to Sunmintung because in the villages along the west side of Liao Tung peninsula the natives are making active preparations to cut off small bodies of Russian troops there.

Ten thousand Manchurians have already been enrolled in the movement, which is spreading. Volunteers are plenty; there is no lack of ammunition or money, for the patriotic rich are subscribing.

The many bandits who for two years have been quiescent for fear of the Russians are reorganized and will carry on guerrilla warfare. The bandits are aggressive and have been cutting telegraph wires. It is reported that skirmishes have taken place between Chinese regular troops and Russians near Shang Hai Wan.

Certainly the Japanese expect great aid from the Manchurians because there is a growing feeling among all the Chinese people in favor of forcing the government to assist Japan.

Chee Foo, Feb. 24.—Many bandits, who for two years have been on the ascendant for fear of the Russians, are reorganized and will carry on a guerrilla warfare. The bandits are aggressive and have been cutting the telegraph wires.

GOOD PROSPECTS

For a New and Up-to-Date Theater for Palestine by Next Season.

So much has been said within the past two years about a new theater for Palestine, and so little has come of it up to now, that the public has become leary of all such stories. But The Herald believes it is in possession of facts that guarantee the city a new and splendid show-house by next season. A little later we hope to be able to give full particulars in the premises. In the meantime let us all hope.

TWO MORE WELLS WILL BE DRILLED

The Anderson County Oil Field Will Be Thoroughly Explored.

Yesterday the details for boring two more oil wells were closed, whereby Mr. Davey and his associates will sink two more oil wells in the oil field.

The first of these wells will go down about two and one-half miles a little east of north of the present well.

These investigations are amply financed, and the work will be pushed. Those most actively interested in the work are:

Col. T. M. Campbell, Messrs. P. W. Ezell, C. R. Bell, A. R. Howard, Leroy Trice and others, A. L. Bowers, A. F. Starr, Dr. C. S. Bratton; Hugh Burns of Taylor, Maj. Crawford of Marshall, J. H. Hill of Galveston, and M. A. Davey and associates.

It is the firm conviction of these gentlemen that oil in paying quantities exists, and they are going after it.

New Bakery.

Next Thursday the Hoyle Bakery will open for business, next door to the postoffice, in the store formerly occupied by Beardsley. Mr. W. E. Hoyle will be proprietor, and he comes to Palestine with the reputation of being a fine baker. The new concern will open with a splendid line of breads, cakes, etc. The Herald predicts the gentleman will make a good success of the enterprise.

Mrs. A. M. Mixon.

Yesterday Rev. I. Sellers went out to Fort Houston to hold a funeral service over the remains of Mrs. A. M. Mixon. This good woman was taken sick Monday. She was a sister of Mr. Ben Douthit, and a member of the Avenue Baptist church of this city.
