

What Good

•••••

Does it do you to buy pretty colored shirts and shirtwaists if the laundry is going to fade them right away? Many laundrymen do not understand laundering colored goods. It is art that comparatively few have mastered. We have given this particular feature much thought and guarantee to launder any colors without fading if they will stand cold water. We are laundering many delicate colors today that we have laundered for several months and the colors are still bright and fresh looking. May we have a trial package from you?

Osteopathy is very successful in treating measles, pneumonia and other kindred affections.

Osteopathy can produce examples in Palestine and out as well who have been cured when every other known therapy had failed them. Perhaps so with you.

Why will you continue to suffer when Osteopathy offers you relief, even when all else may have failed?

Built like a watch at the largest and best equipped factory in the world where every machine is carefully tested on practical stitching now at the Singer office. 4-13-tf

Fifty years ago you were ready to condemn the idea of electrical power for propelling, nevertheless it has proven its efficiency. So will Osteopathy prove its efficiency if you will only lay by your biasism and give it a fair trial.

Constipation is the cause for many of your ailments. Why not be cured of that by Osteopathy. One to three months will cure any case.

Take no more medicine but try Osteopathy for your aches and pains, and continue your routine work while under treatment.

THE CONFEDERATE REUNION.

Git my old knapsack, Mary, and my uniform of gray,
Git my ragged blanket, Mary, for I'll need 'em all today,
Git my canteen and my rations; reach me down my rusty gun,
For I'm goin' out paradin' with the boys of '61.

Never mind them bloodstains, Mary, never mind that ragged hole,
It was left there by a bullet that was seeking for my soul,
Just brush off them cobwebs, Mary, git the bonnie flag of blue,
For I'm goin' out paradin' with the boys of '62.

These clothes don't fit me, Mary, like they did when I was young,
Don't you remember how neatly to my manly form they clung?
Never mind the sleeve that's empty, let it dangle loose and free,
For I'm goin' out paradin' with the boys of '63.

Pull my sword belt tighter, Mary, fix that strap 'neath my chin,
I'm growing old and threadbare, like my uniform, and thin,
But I reckon I'll pass muster as I did in days of yore,
For I'm goin' out paradin' with the boys of '64.

Now I'm ready, Mary, kiss me; kiss your old sweetheart goodbye,
Brush aside them teardrops—Lord, I didn't know you'd cry!
I ain't going forth to battle, cheer up, Mary, sakes alive!
I'm just goin' out paradin' with the boys of '65.

Soon we'll be paradin', Mary, in the land beyond the stars,
By that bright Celestial campfire, with the good old stars and bars;
But before we march there, Mary, we will meet the boys once more,
And will practice for paradin' on that bright and shining shore.

B. F. Hare, Supt. Miami Cycle and Mfg. Co. Middletown, O. suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Moore & Ballew.
