## VON PLEHWE ASSASSINATED

Minister of Interior Is Dead at St. Petersburg.

St. Petersburg, July 28, 10:55 a. m.—Minister of the Interior Von Plehwe was assassinated this morning while driving to the Baltic station to visit the Peterhof.

A bomb was thrown under the minister's carriage, completely shattering it. M. Von Plehwe was terribly mangled.

The crime was committed at 10 o'clock.

The coachman was killed and the wounded and maddened horses dashed wildly away with the front wheels of the carriage, the only portion of the vehicle remaining intact.

Immediately there ensued a scene of the wildest confusion.

Police and gendarmes hurried up from every direction and vast crowds gathered about the spot where the mangled body of the minister lay weltering in his blood.

The Associated Press correspondent was at the scene of the tragedy within five minutes after it occurred. M. Von Plehwe's shockingly mangled body was lying in the middle of the road. It had been partially covered with a police officer's overcoat, with the left arm, the bone of which was broken off, projecting up.

A policeman came up and raised the overcoat in order to rearrange it, revealing for an instant the strong features of the dead minister, whose head was battered almost beyond recognition.

The roadway was strewn for a hundred yards with the wreckage of the carriage and pieces of the red lining of the minister's official overcoat.

A few yards from M. Von Plehwe's body lay a shapeless heap of the coachman's remains.

M. Von Plehwe was on his way to visit the emperor when the tragedy occurred.

## TRUE BOWEL CLEANSER.

Remedy That Purifies the Bowels Mildly, Strengthens the Bowel Channels and Promotes Regularity.

A General System Tonic.

It means the least of the valuable properties of Prickly Ash Bitters is its purgative effect in the bowels. Any cathartic will empty the bowels, but it takes more than a mere cathartic to cure them. What is needed is a tonic, restorative; one that will strengthen the bowel channels and prevent the return of constipated conditions. Prickly Ash Bitters contains these desirable qualities to a remarkable degree. It is a mild laxative that moves the bowels comfortably, the drastic bowel drenching and paralyzing effect of strong cathartics being noticeably absent. It not only empties the bowels comfortably, but it regulates the bile—the liquid which moistens the inner lining of the bowels and makes it possible for the waste products of the body to pass through, and finally, it relieves those conditions produced by imperfect digestion which fill the stomach and bowels with gas and fermenting matter. Prickly Ash Bitters is in short a handy household medicine and should be kept in every home. There are constantly occurring in every family little ailments which are easily checked if given attention but which prove serious if neglected and it is in correcting these troubles that Prickly Ash Bitters has established its claim to be a "family medicine." It relieves women of sick headache, sour stomach, dizziness and promotes regularity in the monthly periods. Children with worms, those who are sickly, restless and irritable, who eat too much candy or sweet stuff, who complain of colic or disturbance in the bowels, will immediately improve and grow strong, rosy and cheerful under its cleansing and invigorating influence.

Accept no substitute. Insist on having the genuine Prickly Ash Bitters with the large figure 8 in red on the front label. Sold by All Dealers, Price \$1.00 per bottle.

### Weak Hearts

Archeused by indigestion. If you eat a little too much or if you are subject to attacks of indigestion, the stomach expands—swells and puffs up against the heart. This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Dyspepsia cures digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach, and contributes nourishment, strength and health to every organ of the body. Sold by H. R. Moore, druggist.
