Bradford.

Special to the Herald.

Bradford, Tex. Jan. 12, 1906.—Think-

ing that the readers of the Herald

might be interested in the happenings

of this community, we decide to send

you a few dots.

Mr. and Mrs. E. C. Welborn cele-

brated their 50th wedding anniversary

on the 10th inst. E. C. Welborn and

Margaret P. Kay were married Jan.

10, 1856, in Anderson district, South

Carolina, 10 miles east of Anderson

court house. Moved to Jones county,

Mississippi, in December, 1858; came

to Anderson county, Texas, in 1877.

There have been 11 children born to

them, six girls and five boys; ten of

whom are now living: Mrs. Mary

Murphy and J. E. Welborn of Athens,

Tex.; Mrs. C. E. Pickle of Ashby,

Matagorda county, Tex.; O. K. Wel-

born, Mrs. Sallie Dean, Mrs. Dollie

Scarborough, Mrs. Lizzie Scarborough,

Mrs. Lou Rhodes, W. A. and M. B.

Welborn of this community. E. C.

Welborn was born August 4, 1831, in

Anderson district, South Carolina, and

is now in the seventy-fifth year of his

age. Mrs. Margaret F. Welborn was

born December 18, 1838, in Abbeville

district, South Carolina, and is now in

the sixty-seventh year of her age.

They are both hale and hearty; able

to get around and attend to their re-

spective duties about the house and

farm. They both have sunny dispo-

sitions and bid fair to live several

years yet. "Aunt Margaret," as she

is familiarly called, drives about over

the neighborhood in her buggy to visit

her neighbors and children, and every

one is glad to see her coming. We

know we will have a pleasant time as

long as she stays. They are both con-

sistent members of the Christian

church. E. C. Welborn has been a

minister in said church for a number

of years. They have 38 grand children

and three great grand children. Their

ago. He said he thought she did.

Then P. L. Bradford, on behalf of the

children, presented him with a fine

gold ring and instructed him to put it

on her finger, which he did in a gal-

lant manner. Aunt Margaret was then

presented with a fine gold thimble, al-

so a gift from the children. After

thanks to the Giver of all good for His

mercies, all were invited to help them-

selves, which ye scribe proceeded to

do abundantly. It was planned to

have a photographer on hand, but ow-

ing to the inclemency of the weather

he could not come, and from some

cause several of the children did not

get there. As it was, the evening was

spent in pleasant conversation until

time for going home, when all bade

them good bye, wishing them a long

and happy life.

Messrs. Roberts and Smittle of Poy-

ner are in the neighborhood in the

interest of a telephone line from

Largo to this place. We wish them

success.

The public schools in the community

are progressing nicely. Miss Lizzie

Harrington is teaching the Hallum

Grove school, H. R. Walters is teach-

ing the school at Liberty, and Miss

Mamie Cook is teaching at the Tucker

school house. Each one is having fair

attendance, and so far as is known are

giving entire satisfaction.

The young folks had quite a social

time during Christmas. Several from

a distance were visiting in the neigh-

borhood. Miss Charlie Sortor of Baird,

Texas, Mr. W. C. Alderman of Vernon,

Mr. Turner Knight of Hillsboro, Mr.

Luther Chapman of Malakoff, and

Dalton Rose and — Dickerson of Poy-

ner, were visiting P. L. Bradford and

family.

Miss Ila Bradford, who is teaching

at Seymour in Baylor county, visited

her parents, Mr. and Mrs. P. L. Brad-

ford, during Christmas, and returned

the 4th inst. to take charge of her

school again.
