

KING CHARLES' ANNIVERSARY

OF THE ACCESSION TO THRONE GENERALLY CELEBRATED TODAY IN ROUMANIA.

Special to the Herald.

Vienna, March 26.—A dispatch from Bucharest says that the twenty-fifth anniversary of the accession of King Charles to the throne was generally celebrated throughout Roumania today. The same dispatches contradict the reports of the King's serious illness that have been widely circulated of late. In diplomatic circles here, however, these denials are looked upon as made for reason of state. It is quite generally believed among those who keep in touch with Roumanian affairs that King Charles is a very sick man and that his death is only a matter of weeks, perhaps days.

King Charles was born April 20, 1839, and is therefore sixty-seven years of age. He was elected to the throne of Roumania with hereditary succession on April 8, 1866, though it was not until fifteen years later that he was proclaimed king. He belongs to the non-reigning branch of the Hohenzollerns and at the time of his election to the throne he was a sub-lieutenant in the Second Prussian Dragoons. He was recognized by the great powers six months after his election. His reign for forty years has been marked by internal dissensions and parliamentary crises. But King Charles has a strong hand and a strong mind and usually emerged from his troubles successfully. He is acknowledged to be a great soldier, a clever statesman, and on the whole, a popular sovereign.

In 1869 King Charles was married to Princess Elizabeth von Neuwied, who is better known as "Carmen Sylva," the writer of many stories and poems. The marriage did not prove a felicitous one and for years the king and queen have been estranged. The estrangement arose in a great measure from the notorious Helen Vavrescue episode, in which the queen behaved in such a manner as to almost cost King Charles his throne. Since that time Queen Elizabeth has made her residence almost wholly at her castle of Pelesch, leaving to the crown princess the social duties of the court at Bucharest.

The death of King Charles will bring the Crown Prince Ferdinand to the throne. As King Charles was without issue an act was passed some years ago settling the succession to the throne upon his older brother, Prince Leopold of Hohenzollern-Sigmaringen. He, however, renounced his rights in favor of his son, Prince Wilhelm, who, in 1888, also renounced his rights. The right of succession thus passed to Prince Ferdinand, brother of Prince Wilhelm, and he by royal decree was created Prince of Roumania in 1889. Prince Ferdinand was born Aug. 24, 1865, and originally intended to spend his life as a German soldier.

In 1893 Prince Ferdinand was married to Princess Marie, the beautiful daughter of the late Duke of Saxe-Coburg and Gotha. She is a granddaughter of the late Queen Victoria and of the late Czar Alexander II, and has often been spoken of as the most beautiful princess of Europe.

Season Opens at Benning.

Special to the Herald.

Washington, D. C., March 24.—Unless present signs are misleading the spring meeting of the Western Jockey Club, which opened with the Benning Spring handicap at Benning race course today, will be the most successful in the history of that popular track. There are over three hundred well known horses quartered at the track and many prominent stables are represented.

Racing interest throughout the country is centered on the Benning meet because many of the horses are fresh from a winter's rest, and this will be the first opportunity they will have to show their form for the coming season. For the past week the owners, trainers and "tipsters" have been busy at the track sizing up the sprinters in the practice work. The track is in splendid condition, and some of the flyers have been working over the mile course in 1:46 and six furlongs in 1:17.

WASTED LIVES IN PALESTINE

Men and Women Who are in Need of a Helping Hand.—Bratton Offers Way to Better Things.

It is hard for those who are never ill, or who have simply a sick day or week occasionally, to realize the wretched existence and wasted lives of those beset with chronic indigestion.

There is no more irritating or nerve racking condition than that caused by a weak stomach. It gnaws and wears upon every nerve fibre in the body and results in sleeplessness, headache, backache, rheumatic pains, furrowed tongue, distress after eating, poor appetite and general weakness and debility.

As we may look to a weakened stomach for most of the chronic or lingering ills that weaken and rack our lives, it is of the greatest importance to know that a remedy for stomach troubles is at last offered by a reliable drug firm in Palestine under a guarantee that it costs nothing unless it cures.

Bratton Drug Company, knowing the formula of Mi-on-a, feel that it will be successful in every case where it is used in accordance with directions, that is, one tablet before each meal, and they offer to sell it under an absolute guarantee to refund the money if it does not cure.

A large box of Mi-on-a tablets costs but 50 cents, if it helps you; nothing unless it restores health.

WEAK AND WEARY WOMEN

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs. When housework is a torture. When night brings no rest or sleep. When urinary disorders set in. Women's lot is a weary one. There is a way to escape these woes.

Doan's Kidney Pills cure such ills. Have cured women here in Palestine. This is one Palestine's woman's testimony:

Mrs. M. C. Hillyer, formerly residing in Palestine at 405 N. Sycamore street, says: "There was a constant soreness across my back, and when stooping or exerting myself the pain became very sharp. If I took cold it always settled in my kidneys, causing extra pain and annoyance. I tried different remedies, but none brought permanent results or I would not have gone to the Bratton Drug Co.'s store for Doan's Kidney Pills. In a very short time the remedy drove the pain away. Other members of my family have used Doan's Kidney Pills, receiving the greatest benefits. Doan's Kidney Pills in my case acted as represented, and I heartily recommend them at every opportunity as the best remedy I ever used."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
