

Dr. Price's  
Cream Baking  
Powder for nearly  
half a century has been  
giving the people pure  
food—long before a pure  
food law was thought out  
for either state or nation.

# DR. PRICE'S CREAM BAKING POWDER

Made from grapes—pure and healthful.  
No Alum—No Phosphates.

Chemical tests show that alum baking  
powders leave unchanged alum, an  
injurious metallic acid, in the food.

Be on your guard. Alum pow-  
ders may be known by their  
price—10 or 25c a lb.,  
or one cent an  
ounce.

### District Federation.

Delegates for the women's conven-  
tion of federated clubs will begin ar-  
riving next Wednesday night, the  
majority coming in Thursday at 10:30  
a. m. and 1:15 p. m. The reception  
committee will meet all these trains  
and escort delegates to their homes.

The ladies who have so kindly  
placed their conveyances at the disposal  
of club members during the conven-  
tion, as well as those who have  
opened their homes to  
designated hostesses,  
are designated as club members.

Afternoon there will be a  
Spring Park Country Club, all  
leaving the city not later than 3  
o'clock, arriving at the club house at  
5:15. All federated club women and  
hostesses should be in attendance that  
the visitors to our city may at once  
feel that spirit of genuine hospitality  
that adds more than all else to the  
pleasure of guests.

Thursday at 8:15 p. m. the program  
for president's evening will be given  
at the opera house; the public is cordi-  
ally invited. A small admission of  
10 cents will be charged the public at  
this night session only to insure all  
admission. Delegates, hostesses, all  
club members and guests will be pro-  
vided with tickets and badges and will  
pay no admission fee.

Friday morning at 9 o'clock, at the  
opera house, the business session is  
called and continues throughout the  
day. To this also the public is cordi-  
ally invited and the ladies urgently re-  
quested that all make a special effort  
to attend all sessions held at the opera  
house, as the most intellectual women  
of Northeastern Texas will make  
addresses on the vital subjects of the  
day. Admission free to all.

Friday evening, 8:30 to 10:30, Mr.  
and Mrs. Horace Woodward Clarke  
hold a reception at their residence in  
honor of Governor and Mrs. T. M.  
Campbell, delegates, hostesses, pro-  
gram components and club guests.

Hostesses and club guests will  
please preserve the data on federation  
subjects furnished in these col-  
umns, as it will materially assist com-  
mittees in carrying out the program  
and avoid much asking and answering  
questions and consequent errors.

MRS. BRANAGAN,  
President City Federated Clubs.

### Mrs. Pennybacker to Speak.

Mrs. Percy V. Pennybacker of Austin  
will be the principal speaker at the  
city teachers' institute on April 11.  
She will speak on "Some Dangers  
That Threaten the American Home."

Mrs. Pennybacker is one of the best  
known club women in the state, was  
formerly president of the State Fed-  
eration and is the author of the well  
known Texas history which is the  
text book in the public schools of the  
state. Superintendent Horn hopes to

have a large contingent of club wo-  
men attend the institute and is advis-  
ing the several local clubs of her  
forthcoming visit.

The above clipping from the Hous-  
ton Post will be of special interest at  
this time. Mrs. Pennybacker will  
speak in our city at an earlier date on  
this same subject, on Thursday eve-  
ning, April 2nd, during the meeting of  
the District Federation of Women's  
Clubs.

### Married at Dallas.

Miss Ella Mitchell, formerly of this  
city, was married March 17th to Mr.  
J. M. Carpenter of Dallas. The mar-  
riage took place at the Presbyterian  
church, Rev. J. Frank Smith, pastor,  
performing the ceremony. It was a  
quiet wedding, a few friends accom-  
panying them. Mr. Carpenter is a  
leading business man of Dallas, is  
manager of "The Champion Metal  
Weather Strip and Parting Bead Com-  
pany." He has many friends, and is  
a man of sterling qualities. Miss Ella  
was formerly quite a business little  
lady in Palestine, teaching shorthand,  
and many of our leading stenogra-  
phers were her pupils. She is a charm-  
ing little lady, and we congratulate  
the man who wooed and won her, and  
wish for them both much happiness.

### Woman's Social Club.

Mrs. W. G. Jameson entertained the  
Woman's Social Club Wednesday af-  
ternoon. "42" was the game, and  
seven tables were arranged for the  
players. After the games, a deli-  
cious two-course luncheon was served.  
The club guests were Mesdames H.  
W. Clarke and Shreiner, R. H. Mc-  
Leod, Margaret Fish, Enright, J. R.  
Hearne, M. A. Davey, Leland Douthit.  
Out-of-town guests, Mrs. Ludie Oder  
Huston of Houston; Mesdames Harry  
Brown and Frank McDonald of St.  
Joe, Mo.

### Qui Vives.

Miss Grace Gould entertained the  
Qui Vives and other guests on Wed-  
nesday afternoon at the home of her  
sister, Mrs. V. D. Wilson. The Wilson  
home is one of the new homes of Pal-  
estine, and is beautiful and quite an  
ornament to the city. Cut flowers and  
ferns were attractive. Two tables  
were arranged for "42," also two for  
"500." After the playing, covers were  
laid and ices and cake served. It was  
a delightful occasion.

### Brides' Club.

Mrs. Mary Patrick Jackson ent-  
ertained the Brides' Club Thursday af-  
ternoon. The Brides were in full at-  
tendance with their sewing and darning.  
It is said that their husbands  
are carried away with the idea of the  
club, for their socks are no longer  
mitts, and their buttons are all sewed  
on. Mrs. Jackson carried out the  
bride idea in decorations, the beauti-  
ful bridal wreath being beautifully ar-  
ranged in the parlor. The dining  
room was a perfect bridal scene. In  
the center of the table a great bouquet  
of brides' roses carried every heart  
back to her bridal day. At each plate  
was a miniature bride, with wreath  
and veil, which were souvenirs of the  
happy afternoon, and also of departed  
days that still linger in the hearts of  
all old brides. The luncheon was  
lovely, and all enjoyed the sweet oc-  
casion. The out-of-town guests were  
Mrs. Irene Bowers Harris of Houston  
and Mrs. Ella Ketcham Daggett of  
San Antonio.

### Outing.

Mr. and Mrs. Eagle, Mr. and Mrs.  
Holtzheuser and the children left yester-  
day afternoon for Crystal Lake,  
where they expect to catch lots of  
fish and sunshine.

### Dixie Club.

The Dixie Club met Saturday af-  
ternoon with Mrs. A. L. Hathcock. A  
most interesting session was held.  
Lesson, "Women in Music," which  
was the last of the musical course.  
One new member was added, Mrs. J.  
F. Austin. Two out-of-town guests  
were present, Mrs. Smith of Michigan,  
and Mrs. Carlton Buck, guest of Mrs.  
S. K. Hohe.

The next meeting will be April 4th,  
with Mrs. H. W. Clarke. Lesson,  
Southern Literature.

### At Home.

Mrs. Walker King entertained a few  
neighbor friends last Friday afternoon  
at her home on Link street, in honor  
of her guest, Mrs. Thomas Swann, of  
Tyler. The afternoon was informal  
and cheery, with conversation flowing  
from friendly hearts. During the af-  
ternoon a delicious two-course lunch-  
eon was served.

Mrs. Harry Everett returned Tues-  
day night from a delightful visit to  
friends in Houston.

### Bohemians.

Miss Grace Gould entertained the  
Bohemians last evening at the home  
of her sister, Mrs. Ned Morris, on  
South Sycamore street. A tacky party  
was the leading idea. Miss Nell Mor-  
ris met the guests, en masque, and  
quaintly dressed. The most distin-  
guished costumes were the following:  
Miss Bess Ferguson in her mother's

## A Convincing Experiment

Dr. Sabouraud of the Pasteur Institute, Paris France (ask  
your doctor about him), inoculated a rabbit with human dandruff  
germs, and "in between five and six weeks," says the report of  
the Pasteur Institute, "the rabbit was completely denuded, in  
fact had become entirely bald."

This experiment proves that dandruff is a contagious dis-  
ease due to the presence of a microbe growth in the sebaceous  
glands of the scalp. It also proves that unless the formation of  
dandruff is stopped by destroying the dandruff germ, that it will  
lead to falling hair and incurable baldness.

The only safe remedy, the intelligent use of which will abso-  
lutely kill the dandruff germ is

## Newbro's Herpicide

"A stitch in time saves nine." While this quotation does not  
refer to the hair, the DO IT NOW idea in it, is the best possible  
advice to those who need a hair remedy.

Each day the hair is neglected means that the scalp is just  
a little worse than it was the day before. If you are indifferent  
about your hair and let it take care of itself you should not com-  
plain when it becomes unsightly, or leaves you entirely. People  
who care for their health and personal appearance, now try to  
save their hair, and Newbro's Herpicide enables them to do this,  
surely and in a very pleasing manner.

It is the first scientific HAIR SAVER, and it is growing wonderfully in popularity. It acts by destroying the  
tiny vegetable growth in the scalp (the dandruff germ) after which the hair will grow as nature intended, unless  
the use of the remedy has been delayed too long. Remember that the dandruff germ may be planted in the scalp  
months or years before its presence is suspected. The first injury is dullness, dryness, or excessive oiliness, fol-  
lowed by dandruff, itching scalp, and finally falling hair.

Much can be done toward escaping the dandruff germ without the use of remedies. Information upon this  
subject will be mailed free, upon request, to those who send stamped envelope for reply, to the Herpicide Co.,  
Detroit, Mich.

### A GOOD REPORT.

"Before using Herpicide I was constantly annoy-  
ed by itching of the scalp and dandruff came off in  
large scales each time I combed my hair. I have  
used one bottle of Newbro's Herpicide, and the itch-  
ing sensation is over and dandruff is almost a thing  
of the past. I had been troubled with dandruff many  
years.

### RECOMMENDS IT TO OTHERS.

"I had dandruff ever since I can remember until  
two years ago, when I began the use of your Herpi-  
cide. Since that time I have not been troubled with  
it in the least, and as mine was a very bad case and  
the cure is positive, I take pleasure in recommending  
Herpicide to those who are troubled with dandruff."  
Signed, F. W. SEXTON.  
Seattle, Wash.

### PLEASED WITH HERPICIDE.

"I feel that I ought to say something in praise of your Herpi-  
cide as a dandruff cure. I have used several bottles and I find it  
the nicest and most satisfactory preparation for the hair that I  
have ever used. I have been bothered with dandruff so long and  
have tried several remedies, but have found nothing so pleasing  
as your Herpicide.
