THE CHILD AND THE STATE LOSE new year. We have heard these ru-

Editor Robinson of the Waco Times-Herald is opposed to compulsory education on the ground that such a law is undemocratic and paternalistic Waiving all of this argument, we simply draw the question to the point by asking Editor Robinson if such a school law in Texas would not tend derstanding in the premises, and if to guarantee children now neglected such a movement is on foot it is time an education and put them in the way the people of this town were knowing to make good citizens? And we ask it, and getting busy. As a means of year, him, further, if under the present law many children are not being deprived suggest that President Ozment of the of their rights to an education and allowed to grow up in ignorance and idleness? And, conceding either fact, & would not such a law be beneficial first to the child and then to the state, and if so would not such a law | * a good thing for society in general, nough paternalistic in its tendency? It matters little as to the means, or what complexion such a law | . assumes, if the ends are obtained. Editor Robinson must see in his own town, as we see in our town, children Board of Trade make the proper inroving the streets every day who should be in school. Many of them be governed by the facts he obtains come from homes where the parents Palestine does not want to lose the seem to have no forethought of the future of the child. Boys, in many in her business, and second because cases, are allowed to quit school as many of our best citizens are connect soon as they are large enough to put on long pants, and if they are not put truth without delay, and settle the to work to help increase the family rumor for good or bad. Income they are allowed to run the streets, form bad habits and cultivate bad associates, resulting in the devel- lean purses and broken lives. opment of a worthless citizen and forcing a life of hardship on the child grown to manhood that would be a here in the land of East Texas, where hardship as long as life lasts. The the waffle turners and battercake Herald can see no objection to a com- flappers sing songs of gladness as they pulsory school law, and can see many work. reasons for one. We concede that it would be more ideal if the education of the child could be left to the parent, esting article on the East Texas to but the record of the past teaches us bacco industry. This industry is desthat the parents all cannot be depend- tined to make this section still more ed upon to do the fair thing by their famous. children. And for this reason, and because this is so, it seems but right and proper that the state should as weeks coming it is time to go shopsume the role of patron and see that ping. Do not wait until the day beevery boy and girl in the state has fore, nor the week, for you and the its right to a full life,

EXTRAVAGANCE AT CHRISTMAS.

"There is another important matter," says the Dallas News, in speak- stick promises to become all covered ing of the buying of Christmas presdover with dust from disuse. We hope ents, "do not spend too much money that news will not come that the good for Christmas presents." The News man is indisposed. adds: "It is the habit of many of the people of this country to do this very thing. The idea hos gotten into the Anderson county these days, and the young American head that the value county stands to get some new citiof the present is the main thing; that | zens. It is to be hoped that Ander to keep one's expenditures within son county yields profits to those only one's bounds is to prove one's self | who work for it. But to the man who short. The better way to prove one's is willing to make the effort golden self short is to buy too much and then be found unable to pay for it when the bills are presented. This matter of extravagance in Christmas buying has grown to be one of the serious evils of the time. It is especially trying on young people of limited means the closest contest of the November and scores of schoolmates brought to election. John C.
