

MANSLAUGHTER CHARGE

Floyd F. Cooper of Westfield Placed on Trial at Westfield, N. J., Today—An Auto Tragedy.

Special to the Herald.

Plainfield, N. J., Feb. 5.—The case of Floyd F. Cooper of Westfield, whose automobile ran down and killed Jonathan H. Randolph in this city on the night of December 5, was called for trial today in the Union county court. The charge against Cooper is one of manslaughter.

Cooper came to Plainfield to visit a young woman friend. In the course of the evening the young woman's mother and some friends mentioned the fact that they had never ridden in an automobile. Cooper volunteered to take them out, and while the machine was speeding down the street with the lamps unlighted it struck Randolph and killed him, but the auto sped on and the identity of the driver was not discovered until the next day.

THEY INJURE CHILDREN.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation, dryness and soreness, overcome weakness, and tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of the ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10 cents, and 36 tablets, 25 cents. Bratton Drug Co., either store, Spring or Oak street.

Regulation of Liquor Traffic.

Special to the Herald.

Buffalo, N. Y., Feb. 5.—Nearly two hundred leading brewers were in attendance today at the opening of the annual convention of the New York State Brewers' Association. The sessions of the convention are being held at the Iroquois Hotel and will last over tomorrow. The principal subject slated for discussion has to do with the better regulation of the liquor traffic and it is expected the association will frame measures for that purpose to be introduced in the general assembly.

North Dakota Dairymen.

Special to the Herald.

Bismarck, N. D., Feb. 5.—The annual convention of the North Dakota Dairymen's Association opened here today. The trains last night and this morning brought large numbers of dairymen from all parts of the state and a good attendance was on hand for the initial session. Many business places are decorated in honor of the convention and several large displays of machinery used in creamery and dairy work are to be seen.

An address of welcome by F. L. Conklin and a response by A. Gabrielson of Fargo opened the proceedings. Other features provided for in the program were addresses by Governor John Burke, Prof. Shaw of St. Paul, Dean J. H. Shepperd of the State Agricultural College, J. A. Bacon of Grand Forks, and Mrs. Ada F. Howie of Elm Grove, Wis.

A Common Cold.

We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's

WILSON IS STILL ACTIVE

Senior Bishop of the Methodist Episcopal Church, South, Seventy-Five Years Old Today.

Special to the Herald.

Baltimore, Md., Feb. 5.—Bishop Alpheus W. Wilson of this city, senior bishop of the Methodist Episcopal church, South, was seventy-five years old today. Though quite feeble as the result of age, Bishop Wilson continues to perform his active duties and during the past year he presided at several conferences of the church.

Bishop Wilson was born in Baltimore and educated at Columbian College. He entered the ministry in 1853 and became secretary of the board of missions of his church in 1878. He has toured the world five times, inspecting the missionary work of the church in various parts of Europe, in Brazil and in Japan, Korea and China. Twice, in 1881 and again in 1901, he was honored with appointment as one of the American delegates to the Ecumenical Methodist conferences held in London.

NEEDFUL KNOWLEDGE.

Palestine People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's the Palestine proof:

Mrs. W. J. Rogers, living at 509 Reagan street, Palestine, Texas, says: "For over a year kidney trouble annoyed me. My back pained me a great deal and I had considerable difficulty in voiding the kidney secretions. A few months ago when Doan's Kidney Pills were advertised, I procured a box from the Bratton Drug Co., and used them according to di-

Conference of Socialists.

Special to the Herald.

Boston, Mass., Feb. 5.—A three days' conference began in this city today for the discussion of the "Significance of Socialism as a World Movement." The conference is planned essentially as a series of expositions of different socialist points of view. Party socialism, Fabian socialism, christian socialism and other forms of socialist thought and theory are to be presented by well known college professors and other advanced thinkers.

Condemned Man Gets Stay.

Special to the Herald.

Portland, Ore., Feb. 5.—This was the date originally fixed by the court for the hanging of James Finch, the Portland lawyer convicted of the murder of Ralph Fisher, prosecutor of the Oregon Bar Association, in the latter's office last December. An appeal taken by the condemned man has acted as a stay and it probably will be some months before the case is finally disposed of.

HIGH-O-ME.

That's the Way to Pronounce Hyomei, the Money-Back Catarrh Cure.

As doubt exists in the minds of many readers of the Herald, let us say that the above is the proper pronunciation of America's most wonderful catarrh cure. Bratton Drug Co. is the agent for Hyomei in Palestine, and Bratton will sell you an inhaler, a bottle of Hyomei, and full instructions for use, for only \$1.00.

And if it fails to cure acute or chronic catarrh, asthma, bronchitis, croup, hay fever or coughs and colds he will give you your money back. The person who suffers from catarrh after such an offer as that, must like to snuffle, spit and wheeze, and be generally disgusting.

Read what Mr. G. F. Lowe says: "I have used Hyomei for a case of nasal catarrh which had bothered me for a long time. I can say that Hyomei killed the germs of the disease and gave me the much sought and needed relief. From this experience I know Hyomei to be a reliable remedy, and I give it the praise and recommendation that it deserves."—G. F. Lowe, R. F. D. No. 7, Allegan, Mich., September 19, 1908.
