CAMPBELL IS NON-COMMITTAL.

Will Not Express Opinion of Recent S. L. Russell Letter.

When asked this morning if he had a mental picture of the political complexion of the "nigger in the woodpile" in connection with the recent alleged Bailey letter appearing in the Dallas News, Governor T. M. Campbell, who is spending the day in Dallas after having participated in the closing exercises of the North Texas Normal College, gave the Times Herald representative a playful "rangery" shove on the shoulder and sent him backward against the managerial enclosure at the Southland, injuring his spinal column and causing him great mental anguish, as he advised him to ask some one else.

Governor Campbell remarked further that his visit had no political significance but was simply a rest day among local friends preparatory to his return to Austin tonight.—Dallas Times Herald.

WONDERS TOOK A GAME

The General Office Wonders Took Another Fall Out of Old Town Giants Yesterday.

In a ball game yesterday afternoon between the two local teams, the General Office Wonders and the Old Town Giants, the former took the high side of the score board in a six to one nine-inning game. Both teams put up good ball. Up to date the Wonders have played twelve games, winning nine, breaking even in two and losing one. The Giants have played ten games, winning five, evening up in three and losing two.

The Wonders will play the Jacksonville team Saturday afternoon on Jackson Field, and the tickets sold for the Palestine-Crockett game will be good for this game.
