You should not delay opening a bank account. The little things that count are pennies. The nickles and dimes that most people don't count in their expenditures are the ones that waste their dollars. Better place them with this bank for safe keeping and watch them grow. Our financial standing is of the highest and we offer exceptional advantage.

A FEW WORDS

To the People Who Will Visit
Our Store on the 14th

We are emphasizing the fact during this great event to the people of Anderson county of an opportunity to buy a class of merchandise which during your entire career as a buyer of wearing apparel this is one of the opportunities that never has happened before, and which perhaps may not happen again within the business career of Palestine and her merchants. I am specially speaking of the stock of ladies' and children's ready-to-wear that was bought of Mr. Spielberger, and known as The Model. Within this stock of goods we find suits that sold for \$100.00, and we will sell them for \$35.00 and make a profit. We find evening waists worth \$15.00, and we will sell them for \$5.00. We find the Alexander Kid Glove, 16 buttons, worth \$5.00, and we will sell them for \$2.00. Silk Skirts, Furs, Redfern and Warner's Corsets, Cloaks for young and old, gold-headed Umbrellas, leather Shopping Bags, Combs, Neck Novelties, Hosiery, \$2000.00 worth of Ladies' Suits and Coats. We are going to sell winter goods in the summer; in fact, we will not put away the good things, but the entire stock will be on our counters in our store marked and ready to sell Thursday morning, the 14th, at 9 a. m., and the prices will be marked precisely down one-half, as we bought, the stock at 50c on the dollar, and the people get the benefit of the sale.

\$100,000 BLAZE.

Plant of Amarillo Ice and Cold Storage Company Destroyed.

Amarillo, Texas, July 14.—Entailing a loss of \$100,000, the plant of the Amarillo Ice and Cold Storage company was destroyed by fire. It was discovered tonight at 10 o'clock. About half the amount of the loss is covered by insurance. The origin of the fire is unknown, the blaze having burst through the roof before it was discovered. The chief losers in the fire were A. Davidson of Amarillo and Z. Z. Savage, also of this city. Davidson owned the plant and Savage had just stored two cars of beer and two hundred cases of whisky in the establishment. The latter was a clear loss, as no insurance was carried on the liquors. The daily output of the plant was sixty-five tons and it was running to its full capacity, with all of its cold storage rooms occupied.

HEART BOWED DOWN.

Newark's Deposed Mayor Resigns and Then Bursts Into Tears.

Newark, Ohio, July 14.—After a conference lasting many hours, Herbert Atherton, mayor of Newark, resigned his office today in response to pressure exerted upon him by leaders of his party and personal friends. The reason given was that it was held thereby to save the city the disgrace of an investigation by the governor. Following the lynching last week of an Anti-Saloon League detective and the subsequent suspension of Mayor Atherton by Governor Harmon. It was announced that "Newark wants to do her own house-cleaning." After repeated refusals, Mayor Atherton late in the afternoon attached his signature to the resignation and then burst into tears. Under the Ohio law, Vice Mayor John M. Ankele, who has been acting mayor since Atherton's suspension, becomes mayor.

Eight new arrests were made today as a result of Acting Mayor Ankele's order to arrest every riot suspect.

A Wise Precaution.

The day before she was to be married the old negro servant came to her mistress and entrusted her savings in her keeping. "Why should I keep it; I thought you were going to get married?" said her mistress. "So I is, missus, but do you 'spose I'd keep all dis money in the house with that strange nigger?"—Success.

FIVE HUNDRED PROSTRATED

In Detroit Since Beginning of the Elks' Convention.

(Herald Special.)

Detroit, Mich., July 15.—A great automobile parade marked the Elks' convention today. Many people were prostrated by heat during the day. A total of five hundred prostrations have been reported since the convention opened.

Motified.

An almost totally bald gentleman, dining one day in a restaurant, called out in anger, "Walter, there is a hair in my soup."

The waiter was a tactful man, and he replied, "Ah, ze magneefcent hair! Undoubtedly from monsieur's head!" And the much flattered diner smiled and blandly remarked, "Ah, well, accidents will happen."—The Bits.
