MEETING LAST SATURDAY.

There was a fairly well attended meeting of the association in Sheriff Aniceto C. Abeytia's office last Saturday evening. At this meeting Manager P. J. Savage reported that the Becker-Mactavish company of Magdalena and the McDonald company of Kelly had each subscribed for \$25 worth of the association's stock and promised to be represented in the procession on opening day with a fine four-horse float, also that C. T. Brown had proffered the free use of the former Windsor hotel site for the Indian encampment and Attorney Jas. G. Fitch the free use of of the plaza for small amusements.

Manager Savage also made a large number of valuable recommendations, all of which were unanimously adopted. Among the most important of these were that the grand stand be enlarged, that a corral and chute be constructed for the use of the bronco busters, that the fair grounds be cleaned, that a dancing pavilion be located on the vacant ground east of A. D. Coon's office, that the fireworks be displayed from the open space west of the Park House, that games about the plaza be not allowed to run until after 3 o'clock in the afternoon, etc.
