2 Drops of "GETS-IT," Out Comes the Corn!

It's the World's Wonder; Never Fails. You'll make goo-goo eyes at your feet, after you use "GETS-IT," and you'll find the places where those blantky corns used to be, just as smooth as your cheek.

"How Wide is a 'GETS-IT' Smile? Well, a Good Deal Over 2 Feet!" There's no corn or callus among the millions of feet in the world that "GETS-IT" will not remove—there's no escape. "GETS-IT" is the new way, the simple, common-sense, sure way. It does away with greasy ointments, salves, pads, cotton rings, harnesses, knives, scissors, razors, files, and the limping and the painful piceon-toe walk of so many corn-ridden people. All you do is put 2 drops of "GETS-IT" on—the corn shrivels up—and good bye. Nothing else in the world like "GETS-IT." Millions are using it. There's no pain, no trouble, no changing shoes because of corns. "GETS-IT" is sold by druggists everywhere, 35c a bottle, or sent direct by E. Lawrence & Co., Chicago.
