## DAILY EXPRESS ICE BLANKET

**Saves 1/2 Your Ice Bills.**  
To its many subscribers, old and new, the Daily Express is offering a most unique premium that should at once become popular in every home in Chickasha where there is a refrigerator or ice box. The blanket is made of vegetable parchment, is thoroughly sanitary, and its value lies in the fact that it excludes heat from the outside and retains the cold air beneath. Just place the blanket loose over exposed side of ice, top or front, tucking the edges in. It will keep the outside warm air from coming in contact with the ice and save one half, and will not decrease refrigeration. The blanket is not porous so it will not become musty or strong smelling, won't dissolve or go to pieces when wet, so you need have no fear of clogging the drain pipe. Don't use any more porous, unsanitary cloths, burlap sacks or newspapers on your ice.  
The only consideration necessary to secure one of these blankets, is to pay one month's subscription in advance to the Daily Express—forty cents—and our solicitor, or collectors, and you are in the blankets may be obtained on the same terms at the Daily Express office.  
If you do not desire to advance your subscription one month, the ice blanket may be bought at this office. Price 10 cents.  
In every home where there is a baby there should also be a bottle of McGee's Baby Elixir. It may be needed at any time to correct sour stomach, wind colic diarrhoea or summer complaint. It is a wholesome remedy, jarring drug of any kind. Price 25c contains no opium, morphine or in- and 50c per bottle. Sold by Owl Drug Store.—Adv. d&w

It has been found that the worn-out banana lands of Central and South America make ideal pasture for hogs. Animals fattened on the grass found in these lands, and on the small unmarketable bunches of bananas which grow there, produce a superior, almost odorless lard and finely flavored meat.
