To Our Dear Friend The Merchant:

Do you know how to sell goods? Your clerks, of course, know how to sell goods when people call and ask for them.

But when people do not call and ask for what they want and what you have in stock, what then?

Let the people know what you have. Our columns are open to advertisers with bargains who want to connect with bargain hunters.

## GRADY COUNTY MOVING

We have sold four good farms so far this month—90, 180, 200 and 260 acres, total \$24,850. These farms sold for \$25, \$25, \$25, and \$40 per acre. We loaned \$20, \$18, \$15 and \$20 per acre on this land. The best bargains in land will all go this fall then land is sure to advance in value. We can loan two thirds of the amount necessary to buy some good land we have for sale. If you can raise a few hundred dollars you can buy a good farm and get 10 years' time to pay it out; two good crops will double the price at which some of the land can be bought.

We have 200 acres well improved, near town, first class upland, 80 acres meadow. Price 40 per acre. \$2000 cash, balance time to suit purchaser.

260 acres in cultivation, no house, one mile from Oklahoma College for Women. This is first class upland. Price \$27.50 per acre.

100 acres five miles from Chickasha, 40 acres bottom, small house, good water, fenced and cross fenced. We can loan \$2000 on this choice farm and sell to you for \$2850. Well worth \$4000.

340 acres six miles from Chickasha, 110 acres Bitter Creek bottom, balance good grass land, 110 acres fenced with

hog wire, large 7-room house, good barn, 2 silos, large orchard, living water, fine shades. Only \$25 per acre.

180 acres smooth Washita bottom, two miles from Chickasha, 100 acres well set in alfalfa, 4-room house, large hog barn, one of the best hog farms in Grady county. Price \$75 per acre.

160 acres first class bottom, one mile from good town near Chickasha, has fine crop of corn on it now, not an acre of waste land. Price \$5500.

100 acres ranch ten miles from Chickasha, well fenced and living water, good grass, no black jacks or post oak. Price \$12.50 per acre.

## CITY PROPERTY.

There are very few vacant residences of any kind in Chickasha, rents are going up. The best bargains are selling. We have sold three good homes in the last 30 days, a number of families are moving here for the benefit of the schools, which are second to none in Oklahoma. If you ever expect to own a home in the best school town in the state buy now while the price is low. You know why property in all towns in Oklahoma has been selling below their value. Nothing on earth can check the prosperity of Chickasha and Grady county but the lack of moisture and we have been getting plenty of that this year.

## DAILY EXPRESS ICE BLANKET

To its many subscribers, old and new, the Daily Express is offering a most unique premium that should at once become popular in every home in Chickasha where there is a refrigerator or ice box. The blanket is made of vegetable parchment, is thoroughly sanitary, and its value lies in the fact that it excludes heat from the outside and retains the cold air beneath. Just place the blanket loose over exposed side of ice, top or front, tucking the edges in. It will keep the outside warm air from coming in contact with the ice and save one half, and will not decrease refrigeration. The blanket is not porous so it will not become musty or strong smelling, won't dissolve or go to pieces when wet, so you need have no fear of clogging the drain pipe. Don't use any more porous, unsanitary cloths, burlap sacks or newspapers on your ice.

The only consideration necessary to secure one of these blankets, is to pay one month's subscription in advance to the Daily Express—forty cents—and our collector, or collectors, and you can get the blankets may be obtained on the same terms at the Daily Express office.
