SENTIMENT OF COUNTY IS SOUGHT

Commissioners Take Steps to Find Out Opinions of People on Proposed Issue of Bonds for Bridge Building

COMMITTEE OF CITIZENS NAMED

Matter Will Be Discussed at Township Meetings on October 23; Situation is Set Forth in Circular Letter

Preceding the adjournment of their body's regular October meeting, the commissioners of Grady county decided, before taking final action upon the matter of calling an election for the purpose of voting road improvement bonds, to obtain as far as possible the sentiment of the public in the matter.

Acting along this line the commissioners have issued a circular letter, to be mailed to each member of the committee, appointed by Chairman Corzine, pursuant to a resolution adopted at the "good roads" meeting held in the district court room Wednesday evening.

Mr. Corzine appointed the following representative citizens of different sections of the county, to serve on the committee, in making the appointment of those committees, Mr. Corzine was aided and advised by Commissioners Bryant and Robinson, each of whom suggested names of parties in the different sections of the county who would be willing to serve.

In appointing the committee neither Mr. Corzine nor Messrs. Bryant and Robinson sought to secure men who were all in favor of the bond proposition. On the contrary a number of committees were selected who were known to possibly be opposed to any bond issue. This was done, the commissioners stated, in order that a true consensus of the public's opinion might be obtained.

"The commissioners wish to act," said Mr. Corzine, "as nearly in accord with the wishes of the public as may be possible. For this reason we have requested the members of the committee to call mass meetings in their respective townships on Saturday, October 23, for the purpose of taking up, discussing and thoroughly thrashing out the matter. This method, the commissioners think, will prove a most successful method of feeling the public pulse, thereby enabling the board to diagnose the public's opinion and prescribe as the public's wishes indicate."

The township meetings are requested to be held on Saturday, October 23, and the members of the committee, together with any others who wish to attend, are requested to report to the commissioners on the first day of the regular November meeting, Monday the first.

Should the report submitted by the committee indicate that the majority of the citizenship of Grady county favor a bond issue, then the commissioners will call a special election to be held at any time following thirty days from the date upon which the order may be made, possibly 30 days from this time.

The following comprise the membership of the committee appointed by Mr. Corzine and approved by the board:

Ed Coyle, Walter Long, Dr. Hampton, John Millwee, Ky May, at Rush Springs; L. H. Harrison, J. R. Cockburn at Bailey; Drs. Hanna and Shaw at Alex; John Brown, Marion Marrow at Lucile; Dr. McBride, M. L. Shelton at Buckley; S. E. Lee, C. H. Roady at Acme; B. F. Johnson, Ed F. Johns, Tom Dwyer, M. C. Cannon at Chickasha; Drs. Gordon and Gerard at Ninkmah; John Smith, Dr. Barry at Bradley; J. H. Gibson, John Pilgrim, T. P. Baans at Middleburg; H. M. Smelzer, Joe Ikard at Amber; H. E. Green, Postmaster Brown, Lee Seabridge at Tuttle; C. B. Sheepshead Bay, Oct. 9.—Lapping around the two-mile oval at the rate of 104.6 miles per hour, Resta in a Pegout car was leading in the Astor cup race this afternoon.

BATTLE ON GRIDIRON IS EVEN BREAK

Score is 6 to 6 in Chickasha-Kingfisher Game; Local Lads Show Some Class in Contest with Strong Team

The Reed's "piskin warriors" fully demonstrated Friday afternoon that they are strong enough to hold the largest of the oval artists, the local lads being outweighed almost five pounds to the man.

With the weight and advantage of being afforded the opportunity of scrimmaging against the football boys of the Kingfisher college twice each week, the Kingfisher high school held, seemingly long odds over the Chickasha warriors in the game yesterday afternoon.

In the first half Kingfisher scored by an off-end buck, which landed the ball in the corner of the field. Kingfisher did not punt out and as a result missed the goal. Had the kick have gone true to its mark the Chickasha lads might now tell a different story. Chickasha chose to receive. Buie received the kickoff and started off like a whirlwind and was not pulled down until after a run of nine yards. Goal.

VISITED BY A BURGLAR

Feeling secure in the belief that just because all men are created free and equal, they just also be created and remain forever and all time honest, Mr. and Mrs. Harry Gordon, guests at the home of Oscar Ferguson, 325 Minnesota avenue, retired to rest last evening with all the doors of the house open and the screen doors unbolting. Arising this morning both Mr. Gordon and Mr. Ferguson suffered a shock from shattered dreams of universal honesty.

When Mr. Gordon donned his trousers, preparatory to appearing in society, he ran his hands into his pockets, as was his wont, and discovered that \$55 in legal tender of the United States had disappeared during the passing hours of the night. Likewise with Mr. Ferguson, when he delved into the depths of his trouser's pockets. In the case of the latter gentleman only \$2.50 was missing. More would probably have gone had more been in the pockets. The watches of each gentleman were undisturbed, although each watch reposed in the little pocket in close juxtaposition to the pocket containing the oil which makes the wheels of existence revolve.

Chief Phillips of the police force was called upon and made an examination of the premises, but found no clues left by the thief.

BIG SHINER FOR BRIDE

Aboard president's special train, Newark, N. J., Oct. 9.—A big solitaire diamond ring gleamed on the finger of the future mistress of the White House when she removed her gloves, after leaving her for Philadelphia today.

The solitaire was set in platinum, and was purchased last night by the president who selected it from an assortment sent by a Fifth avenue jeweler.

"Isn't it perfectly beautiful?" asked Mrs. Galt and the president looked on with open-eyed admiration.

VERDICT OF GUILTY IS RETURNED

Fender Polk is Convicted of Assault to Kill Sheriff; Sentence is Left to Discretion of Court

HUGH POLK CASE PASSED FOR TERM

Alva Arta Discharged on Motion of State; Mead Acquitted; Jury Excused Till Monday; One Guilty Plea

The jury in the case of the State vs. Fender Polk, charged with assault to kill, committed upon the person of Hodge Bailey, sheriff of Grady county some months ago, returned a verdict yesterday evening of "guilty as charged in the information," and left the assessment of the punishment to the discretion of the court.

Judge Linn has deferred action in the matter until after the defendant's attorney may file his motion for a new trial. Under the law this motion will have to be filed within the next few days. In this case the state was represented by John Venable, county attorney, assisted by Oscar Simpson, and the defense was represented by Holding & Herr.

Judge Linn has ordered that the case of the State of Oklahoma vs. Hugh Pope, charged with murder, be continued for the term. Pope is charged with having shot and killed Marion Chitwood in a fight in a barber shop at Mineo, July 23 last.

In the matter of the State vs. Alva Arta, charged with assault to kill, committed upon the person of Joseph Buckley, state represented by A. K. Swan, assistant county attorney and defense represented by Oscar Simpson, following the hearing of the testimony for the state, Attorney Swan moved the court that case be dismissed and defendant released from custody on the grounds that a reasonable doubt of his guilt existed.

In the matter of the State vs. C. P. Mead, charged with obtaining money under false pretense the following jurors were empaneled: Charles Fisher, W. C. Dunn, F. K. Hardy, J. E. Frederick, Grant Lewis, Thomas B. Bell, A. F. Coleman, Robert Barnett, J. S. Ikard, U. N. Church, W. D. Har-kraves, J. H. Hartman.

John Venable, county attorney, represented the state and the defense was represented by F. E. Riddle and E. B. Hunt. Jury returned a verdict of "not guilty" as charged in the information.

Following the returning of the verdict, at the evening session, about 10 o'clock, Judge Linn dismissed the jury until noon Monday. The panel which had been dismissed earlier in the evening, reported in court at 3:30 o'clock this morning and were also excused until Monday noon.

In the matter of the State vs. Rufe Iretton, charged with "embezzling a cow," the cow being described as a "bob-tail, brindie, muley," defendant entered a plea of guilty and was fined \$100 and the costs accrued in the case.

State vs. Henry Clay, stealing flour, continued for the term.

State vs. Frank Perry and Henry Brown, stealing a hog, continued for the term.

All criminal cases not continued for the term, set to foot of the docket. This practically clears the criminal docket and leaves the hearing of the civil docket awaiting the court's action next week.

This afternoon's session devoted to hearing motions and disposing of other non-jury matters.
