WANTED—Clean cotton rags at the

NINNEKAH ITEMS.

The school will give a Christmas program Thursday afternoon.

School will close Thursday until January 2.

F. Newell was doing business in Ninnekah Friday.

Joe Anderson shipped two carloads of sheep Thursday.

Miss Hattie Thompson attended the party at Mr. Conn's Wednesday night.

Mrs. Coryell and Mr. Cooper will be in Ninnekah Wednesday. They will meet with the boys and girls' clubs and intend taking a picture of both clubs. The girls all have their uniforms made.

The Domestic Science Girls made \$2.35 selling hot chocolate at the pie supper Saturday night.

Ralph Lea of the Rocky Ford school spent Saturday and Sunday with his sister, Mrs. Cox.

Pearl and Pansy Hoover and Mildred Russell went to Chickasha Saturday for their music lesson. After the holidays Miss Wantland will come to their homes to instruct them.

Emmet McKinney suffered a very serious accident Sunday morning. In taking a loaded gun from a buggy he placed his left hand over the muzzle of the gun and in drawing it out the hammer caught, discharging the gun, blowing off half of his hand.

Rev. Commie Alcon of Terrel delivered two splendid sermons at the Baptist church Sunday. He made many friends during his brief stay.

Mr. and Mrs. Roy Wendle, the popular teachers of the Cottonwood school spent Saturday and Sunday with their parents.

Mrs. Leam Hart and children of Chickasha spent Sunday with her mother, Mrs. Looney.

There will be a Christmas tree at each of the three churches Christmas eve. It was thought best not to have a union tree, as there is no building in town large enough to hold the crowd. We hope that by next Christmas we will have the school auditorium built and we can all have a merry time together. Ninnekah is just an overgrown country community and all our interests are in common.

The Conn family moved to Pocomet last week. We regret to have them go. We wish them success in their new home.

Superintendent M. H. Shepard visited our school Wednesday. He visited each room, praised the pupils for the good work they were doing, and the attractive appearance of their rooms. He said the school building was the cleanest he had visited so far this year. He urged the pupils to give spelling and writing especial attention.

Will McClellan, who has been in the sanitarium at Woodman, Colo., for the past eight months, is expected home this week.

John Davenport, who has been ill for a long time, was reported much worse Monday night.

The Clark baby died Friday. A woman in Chickasha was taking care of the child at the time of its death.

A small but jolly crowd attended the pie supper at the school house Saturday night. Miss Emily Hunicutt received the cake for the most popular girl and Allen Hunicutt for the most popular young man. Twenty-six dollars and seven cents was the amount made.

The moonlight school pupils on learning that "all work and no play makes Jack a dull boy," decided that it was time for the teachers to play some, so after the regular lessons Thursday night they took their teachers to Chickasha to the movies. The teachers enjoyed the trip very much.

Misses Cathryne Griffith and Goldie Collier and Mrs. Brown of the Coffelt school attended the pie supper. We appreciate their help.

Mr. Redpath of South McAlester was in Ninnekah Monday.

Loge Sturdevan, who is blind, took a dose of iodine, mistaking it for a bottle of medicine he had been taking. When last heard from Monday night he was in a critical condition.

ACT QUICKLY

Delay Has Been Dangerous in Chickasha.

Do the right thing at the right time. Act quickly in time of danger.

In time of kidney danger Doan's Kidney Pills are most effective. Plenty of Chickasha evidence of their worth.

Mrs. F. Elliott, 822 Dakota avenue, Chickasha, Okla., says: "My back ached almost constantly and at times it was no easy matter for me to get around. My kidneys were very irregular in action and the kidney secretions caused me a great deal of misery. Doan's Kidney Pills overcame that trouble."

Price, 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Elliott had. Foster-Milburn Co., Props., Buffalo, N. Y.

MAN OF MYSTERY STARTED ANTI-HYPHEN SCHOOL

(United Press Correspondence.) El Paso, Tex., Dec. 22.—The Aoy school here is extracting the hyphen from 1,200 young Mexican-Americans annually. Thirty American teachers are employed teaching according to the Gary system. Swarthy little musaches and muchachas become plain American girls and boys with American ways and American ideals. The school was founded more than thirty years ago by a Spaniard, thought to have been a refugee from Mexico. He began his educational work in the little hut where he lived. Gradually his school grew and after his death a few years ago, it was taken over by the board of education. It is believed that "Aoy" were the initials of the strange man, for all in Mexico no one of that name has been found.

WHY YOU SHOULD USE CHAMBERLAIN'S COUGH REMEDY.

Because it has an established reputation won by its good works.

Because it is most esteemed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium or any other narcotic.

Because it is within the reach of all. It only costs a quarter. Obtainable everywhere. d&w
