GRAY WOOLEN VOILE WAISTS

Little Doubt That the Color Will Pre-
dominate for at Least Part of
Coming Season.

Gray in all things, is to be featured,
not only in frocks and suits, but in
separate blouses.

Woollen voiles will be brought into
first fashion and in gray, it will be
used for shirtwaists, as substitutes for
the beige that held its sway so long.

Years ago we wore woollen voiles; it
quite captured our fancy and, therefore
it may do so again. Retailer has put
his seal on it, and also on a new quality
of Jersey cloth that will be used
for coats and skirts. Neither fabric
is new; the former is a revival and the
latter has been with us for several
months, but both of them will be
strongly featured throughout the suc-
ceeding season; they will gain some-
what of a reputation for being new
because the public is not familiar with
them.

Awning Striped Velvets.

The upholstery of the high class
motor car shows, in many instances,
the influence of the fashion of the
hour in feminine apparel. Awning
striped velvets, for instance, which
were so much in vogue for skating cos-
tumes, are duplicated in several of
the cars in the same striking color con-
trasts as found in the skirts.

Five Facts You Should Know

- (1) That disease is the result of a disordered condition.
- (2) That when we correct the disordered condition, we eliminate the disease.
- (3) That the blood is the carrier of poisons throughout the body.
- (4) That to successfully treat any disease originating in the blood, we have to treat the blood, as the cause.
- (5) That S. S. S. is the most reliable remedy for removing impurities from the blood.

S. S. S. is no experiment of to-
day, but is a successful remedy for
the blood that has been a blessing
to thousands of sufferers for the
last fifty years. There is nothing
mysterious about S. S. S. It is an
extract from native herbs, roots
and bark, each known for its pecu-
liar medicinal value. These ingre-
dients combine and act in a bene-
ficial and helpful way with nature.
It doesn't matter whether your
case of blood trouble is one of the
many forms of Rheumatism, or Cat-
arrh, Scrofula, Contagious Blood

Poison, chronic skin trouble, or any
other form of blood trouble. S. S. S.
will go directly to the seat of the
trouble; giving the blood a thor-
ough cleansing, driving out the im-
purities in a natural way, and leav-
ing the blood pure and refreshed,
ready to do its full duty in build-
ing the tissues up to a normal and health-
y state. Begin today on a bottle
of S. S. S. and note how soon you
will begin to feel relief. We will
gladly give special advice and free
consultation. If you are in doubt
about the nature of your case, write
