of "friendship, love and truth," to
make the visitors stay in Chickasha
a pleasant one.

All incoming trains will be met by
the reception committee, the mem-

An elaborate program of entertain-

with an open session of the department
council at the Odd Fellows hall, corner
Fourth street, and Chickasha avenue,
beginning at 9 o'clock Monday morn-
ing.

At 11 o'clock the grand parade will
be staged. This will be known as the
"Grand parade of the Chevaliers, Pa-

the first day.

The features of the second day of
the encampment will be the con-
fering of the Patriarchal and Golden
Rule degrees upon a class of fifty can-
didates. The work will be exemplified
by the encampment degree staff
of Guthrie, said to be the finest degree
staff of any order in the State of Ok-
lahoma, followed by a reception and
banquet which will be tendered the
visitors by President Austin, the fac-

CAPTAIN PUNISHED

By United Press.
Hague, May 13.—Well informed cir-
cles in Berlin state the belief exists
that the commander of the submarine
which torpedoed the Sussex has been
severely punished, because he de-
ceived the German government in his
report of the torpedoing. This deceit
has aroused public indignation and hu-
miliation in view of American evi-
dence.

Anti-American propagandists have
been squelched through alleged addi-
tional submarine concessions by Ger-
many to America's demands.

MOTHER'S DAY TO BE OBSERVED TOMORROW

Tomorrow, the second Sunday in
May is Mother's Day. The beautiful
thought of setting aside one day in the
year to be particularly devoted to one's
mother was first suggested by Miss
Anna Jarvis of Philadelphia, who
founded the Mother's Day Internation-
al association to provide the necessary
organized support for the fostering of
the movement. Thanks largely to her
efforts, Mother's Day has become a
recognized institution as the day on
which each of us should pause to ac-
knowledge our debt of affection and
gratitude to "the best mother who ever
lived," on which we should be with
her if we can, and, if we unfortu-
nately cannot, should make a point
of sending her a message of affection
and cheer.

In co-operation with the effort to
foster the observance of Mother's Day,
the Western Union Telegraph Com-
pany has provided special telegraph
blanks, appropriately decorated with
an artistic design of carnations and
bearing the legend "Mother's Day," on
which all messages of those who wish
to send a word of greeting to their
mothers on this occasion, by day let-
ter or night letter or in a short tele-
gram, will be delivered.

The emblem of the day is the white
carnation, and it is the hope of the
Mother's Day association that it will
be worn by every one as a tribute
of respect, not only for his own moth-
er, but also for all the gentle and
noble motherhood of the land.

A number of the local ministers
will deliver sermons appropriate to

cials; Villa Reported Near Carrizo;

By United Press.
Washington, May 13.—The Mexican
situation seems to have again become
one of watchful waiting. The only
fear expressed by army officials is
that Carranzistas may break out when
they learn of Americans refusal to
leave Mexico.

The Columbus line has been con-
tracted, while the Marathon expedition
against the GreenSprings raiders is re-
ported to be hot upon the trail, while
Carranzistas are reported bound for
the Big Bend country and will make
a determined effort to eliminate
banditry from the Parral region.

day afternoon and the papers of those
who took the same began arriving in
the office of County Superintendent

schools throughout the county and in
the offices of the county superintend-

sisted by W. J. McGranahan, D. E. Kil-
lian and Linn Kirk, started in on the
work of grading the papers, thus far
received. The grades will be com-
pleted, Mr. Shepard stated this morn-
ing, and submitted to the state educa-
tion board within a few days. Within
two weeks the diplomas for those who
may pass this examination will be back
in Chickasha ready for mailing out
to their lucky owners.

Army Bill Reported Today Calls for
Standing Army of 654,000 Men;
Action on Measure Expected
Monday

By United Press.
Washington, May 13.—Following sev-
eral weeks debating, the house and
senate conferees today reported to
both branches of congress the "army
bill."

The bill, as reported by the conferees,
calls for a defensive force of six
hundred and fifty-four thousand men in
time of peace. Nothing has been fore-
casted as to the ultimate action of
congress upon the adoption of the con-
ferees' report.

By United Press.
Washington, May 13.—Though the
measure reported by the conferees is a
compromise, it includes all the pro-
visions urged by advocates of a big
standing army, except the federal re-
serve.

The chairman of both the house and
senate committees are urging the pas-
sage of the measure as reported. This
calls for a defensive force, in time of
peace of 266,000 regular men and 448,-
000 militia. A provision of the mea-
sure allows the government to com-
mandeer manufacturing plants for
making munitions. The recommen-
dation is made that a committee be
appointed to investigate the advisi-
bility of the government making its
own war supplies. Action upon the
measure is expected Monday.

Monster Preparedness Parade.

By United Press.
New York, May 13.—Over 125,000
men and 25,000 women marched

day in a tremendous parade for "pre-
paredness." A semi-holiday prevails
throughout the city.

HUBBARD BAKERY IS NEARING COMPLETION

The new bakery being built by C. G.
Hubbard at 513 South Fourth, imme-
diately north of its present location, is
almost completed and will probably
be ready for occupancy the latter part
of next week.

The building is constructed of brick,
is up to date in every particular, and
comprises both store and dwelling
rooms. Besides the front store room,
the large bakery kitchen and provision
room, there are eight comfortable liv-
ing rooms. Two glass enclosed show
windows make up the front of the
store and new display cases will be
installed. Walls, woodwork and fix-
tures throughout the bakery are be-
ing painted white.

The big shop at the back of the
building is 20x20 feet, and will be one
of the most sanitary and modern bake
shops in the state. Over \$1200 worth
of new machinery, including a sifter,
dough mixer, steel trough and cake
machine, has been installed and in the
future all of the baking, even to beat-
ing the cake frosting, will be done
by electricity. The big brick oven is
about 12x14 feet, and a new bread

rack which can be rolled to the front
of the store will hold 300 loaves of
bread.

Hubbard's have also purchased a
new Maxwell auto delivery and can ac-
commodate their customers with
speedy delivery.

BOY HURT ON BICYCLE

As a result of a most peculiar ac-
cident yesterday evening George
Bright, the nine-year-old son of Mr. and
Mrs. C. W. Bright, 828 South Third
street, met with injuries which might
easily have proven most serious.

George, and his brother Charles,
were riding north on Seventh street on
bicycles when an automobile passed
them. A boy whose name could not
be learned, either attempted to swing
on to the auto, which is alleged to
have been traveling at a good rate of
speed, or to jump off its running
board. At any rate this boy, in swing-
ing away from the auto came directly
in front of George and his bicycle. The
collision was unavoidable, George's
wheel striking the boy in such a man-
ner that wheel and rider were both
thrown violently to the paved street.

Injury was rendered unconscious
from the effects of the fall. He was
carried into a nearby residence and his
parents phoned and later he was re-
moved to his home and a physician
called in. The lad was severely
bruised and shaken and remained in
an unconscious condition for several
hours.

This morning the boy's father stated,
he seemed all right, but was very
sore from the bruises. When asked
how the accident happened the little
fellow is said to have stated that he
did not know; that the other boy
seemed to jump from the passing auto
right in front of him and that was the
last he knew.

BOXER BOB WILLIAMS TO ARRIVE TONIGHT

Bob Williams, the heavy-weight
boxer of Dallas, Texas, will arrive in
Chickasha this afternoon, preliminary
to meeting Tate, the "Batling Texan,"
Monday night in a ten round bout at
the Athletic association's club rooms.

Williams will work out tonight at the
Sugg theatre, meeting in the workout
a 170 pound all round athlete from
Akron, Ohio. A wire received this
morning from Williams' trainer states
that he has been training hard and
that he will be found in fine fettle
when the gong taps on the opening
round Monday night.

This afternoon Texas Tate worked
out before a large crowd at the Koz-
y. The big man showed himself to be in
fine shape. That he has trained hard,
but not too hard was shown in the
manner in which his big muscles
flashed and played beneath the velvet
skin.

Tate has been training for the past
several days to meet the man whom he
fought to a draw in a ten round bout
the third time he (Tate) ever entered
the ring. Opinion is about equally
divided among the Chickasha fight
fans as to whether Tate or Williams
will be the victor. Williams out-
weighs Tate, but Tate is the less beefy
of the two, running more to sinew
and muscle. Neither has the advantage
in reach and Tate is backed by the
confidence that he will win, firmly
believing that he will be able to sing
the lullaby to Williams before the
crashing of the gong on the last round.

The management has promised not
less than fifteen rounds of fast and
furious preliminaries for Monday eve-
ning—preliminaries which will inter-
est and entertain the audience before
the big gladiators enter the arena.

FARM BUREAU VOTE ANNOUNCED MONDAY

The members of the Grady County
Commercial and Farm bureau cast
their ballots yesterday for a president,
a vice-president, a treasurer and a
board of directors to serve that body
for the ensuing year.

Owing to the absence of one of the
members of the election committee,
who is in Oklahoma City on personal
business, the vote will not be offi-
cially counted until Monday. It was
found impossible to forecast the per-
sonnel of the board of directors, in ad-
vance of the official count. However,

COUNTY TEACHERS HERE TODAY.

Among the superintendents of Grady
county village schools who were busi-
ness visitors in Chickasha today were
A. E. Wickiser, of Amber; J. W. Mor-
gan of Mineo, and Z. E. Meador of
Verden. Mr. Meador is the present
principal of the West school in Chick-
asha, but has been elected superintendent
of the Verden schools for the
coming year.

It seems safe to state that Jonas Cook
has been elected president of the body.

The election committee, composed of
John Gribb, E. E. Wren, and W. W.
Clark, will canvas the returns and
make official announcement of the
names of those elected by Monday ev-
ening of next week.
