### A SYMBOL OF HEALTH.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.—Adv. d&w

### PHRASE ESTABLISHED AS OLD.

Expression "In Our Midst" is Not, However, Accepted by Users of Good Language.

The phrase, "in our midst," is sound English, but it is not used much by those who have regard for the plain meaning of the words rather than for their idiomatic force. It turns up occasionally in an American newspaper or in a speech in congress, but the more fastidious shun it. It appears to be in good newspaper standing in England, however, for the Daily Telegraph has just used it on two successive days, once in the heading of a leading editorial article, namely, "Germans in Our Midst," and again in a special article, as thus: "The foreign restaurant grew up and flourished in our midst." If the editorial writer had headed his article, "Germans Among Us," it would have been quite intimate enough for personal comfort, while the idea of a foreign restaurant, or even a native one, growing and flourishing "in our midst," is decidedly painful or decidedly grotesque, according as one may feel about it.

The word midst means middle, and sounds all right as Shakespeare used it, "in the midst of the fight," or as the Bible uses it, "in the midst of the garden," "in the midst of the cloud," "in the midst of Jordan," and so on or in that famous passage, "For where two or three are gathered together in my name, there am I in the midst of them." Where the idea is objective or collective there is nothing unpleasant in speaking of its midst or the midst of them; but when "our midst" is said to be crammed with a hostile people or with a growing restaurant, the normal meaning is clearly subjective and personal, and is altogether too suggestive of green apple days and later stomach ache. The idiom is good, but a diagram is required with the usage in order to save one from a wholly extraordinary, not to say nonsensical, indigestion.—Hartford Courant.

**A GOOD FAMILY COUGH SYRUP**  
Can be made by mixing Pine-Tar, Aconite, Sugar, Hyoseyamus, Sassafras, Peppermint, Ipecac, Rhubarb, Mandrake, Capsicum Muriate Ammonia, Honey and Glycerine. It is pleasant, healing and soothing, raises the phlegm, and gives almost instant relief. For convenience of those who prefer not to fuss, it is supplied ready made in 25c bottles under name of Dr. Bell's Pine-Tar-Honey. Can be had at your druggist. Insist on getting Dr. Bell's Pine-Tar-Honey and see that the formula is on the package.—Adv. d&w
