Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this hearing restored to its normal condition, it will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure, sent for circulars free.

PHYSICIAN TELLS OF NEW DISCOVERY

Should be Offered To All Suffering Humanity.

That one of our local druggists is a wide awake business man and always on the lookout for something to satisfy his trade is evidenced in thousands of volunteer letters that are now being published in regards to "Hay's Specific," the great system tonic, which he now has the agency for.

In a recent letter Dr. R. M. Bright, of Paducah, Ky., says:

I feel that I should say a few words in appreciation of the wonderful tonic and anti-malarial effect of your preparation. I had thought of going to another climate for a cure, but now I see that all I needed was your preparation, and so far I have had no return of my old malarial, chills and malaria.

This wonderful tonic of native herbs and barks is now being sold in Chickasha by H. J. Brownson.—Adv.
