SUSPICIOUS POSITION AT STUDY

The child's attitude at study indicates whether he is putting forth unusual exertion or suffering from eye strain. The slightest indication of abnormal demands on the nerve centers should be observed by teachers and parents.

Nervous exhaustion and progress in study seldom go together in the same child.

Our special methods of analysis go to the bottom of eye strain difficulties and the consequent disturbance of the memory centers.

HOW CATARRH IS CONTRACTED

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

FREE—AN 8x10 ENLARGEMENT With 25c order of Kodak pictures I will give a coupon. When you bring in 20 coupons I will make you an 8x10 enlargement from your best negative free of charge. Films developed free. Orders received and delivered at Brownson's Drug Store, Choctaw Ave. Picture Man. 103-304

FOR A MUDDY COMPLEXION Take Chamberlain's Tablets and adopt a diet of vegetables and cereals. Take outdoor exercise daily and your complexion will be greatly improved within a few months. Try it. Obtainable everywhere.

Deafness Cannot Be Cured by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sold by Druggists. F. J. CHENEY & CO., Toledo, Ohio. Get Hall's Family Pills for constipation.

Family Dr. recommends Our Drug Store. He knows. There are two medicines which "look" much alike but "act" entirely differently—quinine and strychnine. Would you like to make the mistake the wrong way? Everything which we send out of our drug store is exactly what it is "labeled." We check up the prescriptions we fill and verify each one. We are "careful" all the way through in our store—careful to put the right things in our stock, careful to send things out. So when you buy from us you can "rely" on what you get.
