The store with which you consider yourself most familiar may have, today, a complete surprise for you in its advertising. In fact, readers of store "ads" know that they always find news in the store announcements.

"Truth in advertising" is being preached as a creed for merchants everywhere. Our worth while merchants have practiced this creed for so long a time that it seems fonder to them to hear of its preaching.

## CATTLE MARKET WAS SATISFACTORY

KANSAS HEAVIEST BUYER; MISSOURI SECOND.

"Shortage" is written all over the probable run of sheep and lambs here for next two months—strong prices predicted by both sides.

KANSAS CITY, Mo., Nov. 1. Cattle trade last week was satisfactory to sellers after Monday, a good strong market on all kinds every day, and cattle took good fills. The supply today is 33,000 head, and sales are steady to strong on both killing and country grades. As was the case last week, about 75 per cent of the supply is stockers and feeders. The good demand of last week continues, and there is ample outlet. Kansas is the heaviest buyer, Missouri a good second and Illinois buying more cattle now than any time in two years. On Wednesday of last week 15,400 stockers and feeders were shipped out to the country, a new high record for a single day here, and during the week 51,707 head went out, the biggest week ever known here. Also for the month of October a new high record of stocker and feeder shipments out was made, at 185,690 head. The Panhandle and New Mexico had choice yearlings here today up to \$8.50, good yearlings and twos at \$7.00 to \$7.75, some plain feeders weighing around a thousand pounds at \$6.90 to \$7.10. Colorado had plain horned feeders weighing 980 pounds at \$6.85, dehorned feeders weighing 1000 pounds at \$7.00, yearlings and twos at \$7.00 to \$7.50, cows at \$5.50 to \$6.25. Twenty-four cars of Montana beef steers were included today, 1170 to 1320 pounds average, which sold at \$7.50, a few at \$7.50. Montana beef steers sold here last Thursday at \$7.50 to \$8.00, cows at \$6.65. Oregon feeders sold at \$7.15 today, cows \$6.00. Western Kansas has first-class wheat prospects, and is buying cattle to graze the wheat fields. Fed steers sold up to ten dollars today and the margin between feeders and finished steers, in conjunction with corn at forty to fifty cents a bushel, is stimulating demand for feeding steers.

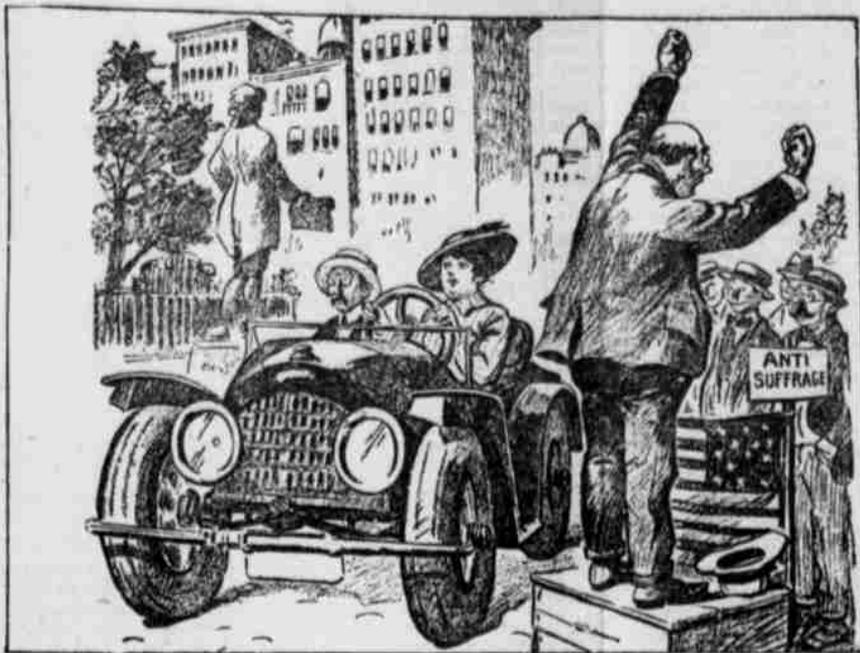

Sheep receipts 13,000 head, market strong. Lambs are quotable up to \$8.75, some medium range lambs today at \$8.40 to \$8.60, light weight Mexican feeding lambs, choice, \$8.25 to \$8.40, good Western feeders at \$8.00 to \$8.25. Mexican "Pee-wees" around \$7.75. Fat ewes are worth up to \$5.85, wethers \$6.50, yearlings, both fat and feeding, around \$7.00. Breeding ewes find ready sale up to \$7.00, according to age, and feeding ewes sell at \$4.75 to \$5.00. "Shortage" is written all over the probable run of sheep and lambs here for the next two months, and strong prices are predicted by both buyers and sellers.

The Carbon County Culture club gave its first entertainment at the Liberty theater in Helper Monday evening. Cards, dancing and conversation formed the principal amusement of the evening, refreshments consisting of pumpkin pie, doughnuts and cider being served. The hall was decorated in tasty style and a four-piece orchestra furnished the music. Dr. F. R. Slopansky being master of ceremonies. It is the purpose of the club to give these entertainments at least once a month, being an Eastern Star and Masonic organization. About twenty or twenty-five Price people were in attendance.

"An-o-n-i, my fellow citizens, do you think she will be satisfied when she gets the vote? Oh, dear, no! She will never rest until she's at the helm!"

## COUNTY COMMISSIONERS MEETING; WELLINGTON PEOPLE WANT ROADS

The board of county commissioners met last Wednesday, all members present. After the reading and approval of the minutes of the last meeting the following business was transacted:

A petition signed by sixty-four of the citizens of Wellington was presented asking that certain improvements be made in the roads leading towards Soldier Canyon. The matter was discussed and referred to Road Supervisor Dunlevy.

The request of Zina B. Goold, presented by B. M. V. Goold, to refund taxes which were paid or charged on tax sale prior to June 24, 1914, on her property was granted on motion of Commissioner Bryner, seconded by Commissioner Hamilton on grounds that Mrs. Goold had no title or patent to the land prior to June 24, 1914, and hence she should not have been taxed on the said property.

Reports of L. L. Loftis and Russell Storrs, justices of the peace respectively of Spring Glen and Storrs, of the county clerk, recorder and sheriff were approved and ordered filed.

Petition of J. Winter Smith for reimbursement on account of loss and damage sustained by reason of a defective bridge in Willow Creek Canyon was discussed and on motion of Commissioner Hamilton, seconded by Commissioner Bryner, the clerk was authorized to tender Smith the sum of twenty-five dollars for a receipt in full for all claims and demands against Carbon county in the premises.

S. W. Marshall's request for relief from taxation of his property on the ground that no title rested in him as patent has not been granted was referred back for proof.

On motion of Commissioner Hamilton, seconded by Commissioner Bryner, an agreement between Carbon county and the Denver and Rio Grande Railroad company was ordered signed and returned to the said company. This agreement is in regard to a crossing near the six-mile post on the railroad company Sunnyside branch and in consideration of the sum of fifty dollars the railroad grants the county the right to cross the tracks at that point. The county agrees to grade up to the railroad on both sides and the corporation agrees to put in twenty feet of plank and build suitable cattle guards and fences.

A resolution was offered by Commissioner Bryner and was adopted by the board awarding

the publication of the delinquent tax list of Carbon county to the News-Advocate at the rate of twenty-five cents per property description.

The complaint of Max O. Newbert on matters of taxation was referred to the county assessor for investigation.

On motion of Commissioner Bryner, seconded by Commissioner Hamilton, the request of W. A. Thayne and W. J. Tidwell, who represented the Wellington Canal company, for the loan of transit belonging to the county for a period of two weeks, was granted.

Communications were read to the board one of which was a request from Henry Fiack for an increase in compensation. This was referred to the county attorney.

Board adjourned subject to the call of Commissioner Albert Bryner.

## WASATCH ACADEMY WINS FOOTBALL GAME

As announced in last week's Sun, the Wasatch academy football warriors met the Price academy contingent on the home grounds last Friday. One of the fastest games of football ever played here followed, and in spite of the score, which was 26 to 0 in favor of Wasatch, the game was interesting throughout. The use of long end runs by Wasatch and the forward pass by Price, netted the respective sides long gains, but the home boys were unable to score, while the visitors placed the oval behind the goal line four times, followed by two goal kicks. F. Hurst, Ray Stocks and Lars Bertelsen were the stars for Wasatch, as were Clyde Lloyd, George Ballinger and Earl and Magnus Frandsen for the home team.

In the evening the players of both sides were entertained at a banquet prepared by the girls of Price academy, which the Wasatch boys pronounced the best they had ever sat down to, after which games were indulged in to a late hour, and Saturday morning the visitors left for home.

This game ended the schedule for the academy, and basketball practice is to begin immediately.

C. Schoenfeld of Winter Quarters was a Wednesday visitor in Price, coming down from his home as a witness in court. The Sun acknowledges a friendly call.

## TAX LAW EXPLAINED TO LOCAL OFFICIALS

A meeting was held yesterday at the county court house at which were present William Bailey, president of the state board of equalization, John Watson and Amos S. Gabbott, both members of the board, and Lincoln G. Kelly, state auditor; County Commissioners W. T. Hamilton, J. R. Sharp and Albert Bryner; Peter Neilson, Peter Rasmussen and O. R. Gillespie, commissioners of Emery county, also Walter Draper and E. J. Grange, assessors respectively of Carbon and Emery counties, and Alpha Ballinger, treasurer of Carbon county.

This meeting was one of a series of meetings held throughout the state for the purpose of discussing the new tax law, that becomes effective in 1916. It was fully explained why a uniform system of operation should be adopted, why the changes in the law were made and the necessity for property being assessed at full cash value in order that the revenue required by the state and counties may be secured. The matter was fully gone into and discussed by those present at the meeting.

## BOSSISM REBUKED AT THE CITY OF HELPER

The democrats at Helper elected their entire ticket with the exception of Joe Lemoni, a candidate for two-year councilman. Fred Buvie on the republican ticket won out by a narrow margin.

The vote was for mayor, Ben F. Moss, democrat, 200; Joseph Barboglio, 182. For recorder, Clarence R. Jones, 221; William S. Avery, 161. For treasurer, Sam Stein, 216; Joseph Blumberg, 163. For councilman, four-term, Ernest T. Borkenhagen, 193; Victor Litizzetti, 183. For councilmen, two-year term, Archie Allison, 236; W. E. Rhoads, 226; Steve Gianotti, 190; Fred Buvie, 206; Joseph O'Berto, 163; George St. John, 181; L. A. Leg, 187; and Joseph Lemoni, 178.

As this was the first city election held in Helper since it became a city of the third class the ballot carried four candidates for the office of two-year term councilmen.

Bishop and Mrs. Albert Bryner entertained the faculty of the Carbon county high school at their pleasant home on South Eighth street last Wednesday night. The time was pleasantly spent in social intercourse, singing, readings, games, etc., and Prof. R. H. Walters did some impersonations to the great delight of all. Refreshments were served.

As predicted by The Sun the republicans of Price rose up in their wrath and smote Stevenson, Ballinger and the bumptious News Advocate a mighty and smashing blow. The entire republican ticket was elected by majorities that leave no doubt in the minds of everybody that the ticket of the so-called citizens party was not to the liking of the people of Price and that the methods adopted by the big boss of Carbon county bull mooseism and his henchman were considered underhanded and unsavory in the extreme.

Good men all and true, no doubt, were all the nominees of the bull moosers and The Sun has not one word to say against any one of them, but it will be a lesson to them in the future to put their ears to the ground and make a deeper study of public opinion before they allow their names to be put on a ballot at the order, whim or caprice of a coterie of designing and unscrupulous wire pulling politicians.

The following gentlemen acted as judges of election: District A to G, C. A. Guivits, Orson T. Brooks and Orson H. Guymon; district H to N, T. R. McMillan, O. J. Harmon and L. A. Hills; district O to Z, Edmund T. Olson, D. A. Parsons and John W. Prince. The judges are to be congratulated on the rapidity with which they counted the vote, the result being known to the citizens at about 9 o'clock.

**Wellington Also Rebukes the Bull Moosers.**  
The Wellington electorate demonstrated their good sense on Tuesday by handing the bull moose (citizens) ticket in their fair town a good trouncing, Hansen's ticket going down to defeat. The officers elected are J. W. Hill, president; J. M. Liddell, W. H. Tidwell, S. A. Golding and James Liddell, trustees.

**Green River Elects Citizens Ticket.**  
The citizens ticket was elected at Green River Tuesday by the largest majority in the history of the city. At the opening of the polls a new man for mayor was swung into line and several workers went out to defeat the citizens ticket. It was a rush of excitement all day until the closing hour. Col. O. R. Gillespie, the newly elected mayor who is also county commissioner, was at Castle Dale at a meeting of the board of commissioners and did not return until the evening of election day, when a party of boosters met him as he stepped from the train, and the band playing "Hail to Our Chief." After congratulations, Gillespie made a speech.

**No Opposition to Republicans At Castle Gate.**  
There was only one ticket in the field at Castle Gate, the republican, and it is as follows: Levi Davis, president; William Edman, Edward Edwards, Robert Graham and William J. Bowns, trustees.

**Old Board At Scofield Endorsed By Re-Election.**  
The entire town board of Scofield was re-elected, showing beyond doubt that the affairs of the town during the past two years have been administered to the satisfaction of the people. The officers re-elected are Neil M. Madsen, president; Lars Jensen, J. E. Whalen, George J. Dunn and Edward Bartlett, trustees.  
The fact that Neil M. Madsen has been re-elected as president of his home town must be a thorn in the flesh of Mud-Slinger Benfer and goes to show that the objects of his acrimonious attacks generally have the confidence of the communities in which they live.
