

# Dr. Harvey W. Wiley

While Chief of the Bureau of Chemistry, U. S. Department of Agriculture, made this statement:

"Refined sugar, whether it is made from cane, beets, corn, maple sap or any other product, is the same chemically and physically."

"It is impossible to distinguish between refined beet and refined cane sugar. Chemists cannot do it."

## EXTRA FINE Table and Preserving Sugar ABSOLUTELY PURE

made from Utah and Idaho sugar beets, is unsurpassed for sweetness, whiteness and purity. The only difference is the price in favor of beet sugar. Sold in 10, 25, 50 and 100-pound bags, at all dealers.

Made by **UTAH-IDAHO SUGAR COMPANY**

## EMERY'S TAX LEVY FOR THE YEAR MADE

### SOLDIER BOYS OF THE COUNTY TO BE HONORED.

Seven Recent Successful Surgical Operations For Various Kinds of Abdominal At Castle Dale Hospital—High Schools to Be Continued—Road Work Going On—Personal.

CASTLE DALE, Aug. 11.—Tax levies for the year were made this week at the board of county commissioners. General fund, two and one-half mills; bond sinking fund, one-third mill; bond interest fund, one-third mill; poor fund, two-thirds mill; school fund, one-third mill; state road fund, three and one-half mills; total county levy, fourteen and one-half mills. Total value levied, \$1,000,000. Some sheep, five milks, cattle, one milks. An electric light and power franchise was granted to N. J. Christensen of Ferron.

Nathaniel Crawford of Ferron appeared before the board and asked the aid of the commission in getting rid of the grasshoppers. After discussing the matter thoroughly, it was decided to call the attention of the county farm agent and others to the matter and urge immediate action. A letter from Robert H. Billoway, relative to cooperation in the destruction of the English sparrows, was read and filed.

Carl Wilberg, state road agent, met with the board and spoke concerning the application of the state road commission and Bannock county for the designation as a state road of the highway from the boundary line of Bannock and Emery counties down to what is known as Connelville at the head of Huntington Canyon. On motion of Commissioner Alford, seconded by Commissioner Leonard, a resolution favoring such designation was adopted.

One of Price's plumbing firms has been given the contract for completing the plumbing work on the Ferron school building at a cost of about \$115,000.

The high schools at Green River and Huntington are to be continued by order of the consolidated county school board in session at Huntington this week. Ferron's high school will be continued also provided the people there contribute four hundred dollars towards its maintenance and a tuition fee of five dollars for each student.

William T. Kold has bought a second-hand automobile from the school board for two hundred and twenty-five dollars.

Edward G. Geary, clerk of the Emery county school district, has reported to the state education department that there are 2728 children of school age in this subdivision, an increase of forty over last year.

Deer Lake is to have a school this winter, one teacher being able to carry off all pupils there.

### For the Soldier Boys.

Ferron's Advertis club and members of that town have till upon a plan whereby they might do honor in all Emery county's soldier boys who are to be started into the national army within the next few weeks. A luncheon meeting was held Wednesday night under the direction of the club, at which the plan was outlined and all business got going. The plan is to have all drafted boys from Emery county, recently entertained at Ferron some day during the last week of this month, the exact date to be announced later.

The entertainment will include a grand parade of security and anti-mobility, a banquet, that has never been equalled in the county, a patriotic meeting and all ended with a big dance. The town is going to be asked for their support and it is hoped that they will rally at the call like true Americans. The committee appointed at the meeting: General Committee—Bill Peffer, Lewis Peterson and Levi Nelson. Road—John Leslie and C. N. Jensen. Parade—L. P. Dalpe and L. P. Cox for security and National Guard, Henry Thompson and Louis Olsen for automobiles. Program—F. A. Kilpatrick, Joseph Hanson and Chas. Cox. Banquet—Hanson, Scaphery, R. V. Hill, John Stevens, William Deamors, Lewis Peterson and Levi Nelson. Decorating—Hanson, Llewellyn Kilpatrick and Chas. Cox. Tables and Seats—Levi Nelson, Clarence Lemm and Harold Hanson. The first named on each committee will act as chairman of that committee.

### Around the County.

Seven operations have lately been performed at the Castle Dale Hospital. Dr. Mrs. Robert Lake, gynecologist; Mrs. Ralph Prusack, hemorrhoids; James H. Westlund, hemorrhoids; Mrs. A. H. Cox, appendicitis; Frances Thomas, adenoids; Mrs. John Bott, female troubles; and Charles Miller, tumor on face.

Wilford Thayne of Orangeville, who enlisted in the army last week, was in town in his new uniform today talking army life to some of the other boys. Alma Alford, also of Orangeville, who has been herding sheep for R. O. Justen, also joined with Thayne.

Practically all of those now listed in Emery county's roll of honor for the conscript army will be leaving for training camp between the 1st and 3th of September. The remaining two-thirds of the county's quota will be called to the colors some time soon after.

Mr. and Mrs. H. H. Oviatt, Jr., of Elmo returned last week from an automobile tour to and of California. Their son, Delver, who joined the

## THE TIME FOR SCHOOL TO OPEN IS DRAWING NEAR

It is the patriotic duty of parents to continue the education of their children so far as possible. European nations now regret the fact that they have ceased to educate the young minds of their lands. Even in spite of war conditions, Price Academy offers board, room and tuition at only slightly increased prices.

Price Academy is worthy of the consideration of all who seek the best of school advantages. Its faculty, many of whom are new this year, cannot be excelled. Miss Jones of Sioux City, Ia., and Miss Pauline Pearce of Long Beach, Cal., replace the lady teachers of last year. These women have had several years of teaching experience since their graduating from universities of the highest rank.

The former, who will act as matron in addition to her capacity as teacher, graduated from the Ohio Wesleyan, and the latter, who will teach music, graduated from the College and Conservatory of the University of Southern California.

Prof. A. C. Hoover and Miss Ruth M. Laofbourrow, both of last year's faculty, still remain. Mrs. B. G. Wickham will also continue to do the cooking. The first assistant has not as yet been selected.

## Price Academy, Price, Utah

army medical corps in the early part of the volunteer agitation, is stationed in Boston, California.

Next Friday, August 17th, the temple excursion will start, the company leaving Castle Dale and Orangeville early in the morning and going up through the canyon west of Orangeville and thence through Straight Canyon to an old road—depending upon which is the best road, this to be found out by then.

Emery county and two slacks out of the eighty-eight called up for this week—Mike Kokolakis and Frank Malloch, both of Malloch—and the sheriff is on their trail. If they fail to show up they will be duly listed as "drafted" and forfeit all privileges of exemption.

Mr. and Mrs. Leo Peterson and family have moved back to Castle Dale from Austinville, where they have spent the spring and summer.

Acacia Oman and William Peterson returned recently from Salt Lake City, where they visited with their boys who are encamped at Fort Douglas as members of the medical corps.

Mr. and Mrs. Alvin Larson and family, former residents of Ferron and who are now prospering in Dixie, are moving through the county visiting relatives and friends.

Mrs. Bennett Monk of Mt. Pleasant is at Victor visiting with her daughter, Mrs. J. B. Wells, and, incidentally, helping to welcome a new baby girl the week last recently.

Hilshup H. G. Mills of Victor is suffering with typhoid fever. His family will move him to Huntington, where he will have the best of care. Also his cousin, Thomas Wells, is down with typhoid and at the present writing is worse.

J. A. Olsen and Abel Hardy of Victor have returned out to the Utah team in the latter's car.

Parkinson are busy getting up their second crop of hay. There are good prospects for a third crop if the grass hoppers do not destroy it. They are especially numerous in the Victor end of the county.

Mr. and Mrs. David Mills at Victor are mourning the loss of their infant son.

Mr. and Mrs. Oliver Jensen are entertaining a new boy at Cleveland, while Mr. and Mrs. Dave Davis are busy taking care of a girl.

### Personal and Obituary.

Miss Della Algeo has returned to Cleveland from Huntington, where she has been for the past month.

Alvin Larson and family of Dixie are visiting at the Edward Larson home at Cleveland, in care also Mrs. Martha Smith and Miss Olivia Anderson of Ferron.

Miss Ella McMullen, who has been employed at Malloch for some time, is visiting relatives at Cleveland.

Douglas McMullen of Cleveland, who has been employed in Carbon county and, incidentally, was drafted from there, passed his examination successfully and will go to Salt Lake City to take the final examination.

The Greenhough home in Ferron was the scene of a happy family reunion last week when E. A. Greenhough of Helper and daughter from Utah, Mont. T. C. Greenhough and wife of Helms, Mont. Mr. and Mrs. A. S. Horsey of Price and the local children were all together—the first time in several years.

Last Monday a farewell party was tendered Ervin Wright, son of Mrs. J. T. Charlesworth, at Cannon. The young man was registered under draft regulations in Carbon county, but later the examining board in H. by consent, for Uncle Sam's service. Practically everybody in Cannon turned out besides about fifty relatives and friends from Ferron.

Mrs. P. C. Christensen is visiting in Mt. Pleasant at the P. H. Overtin residence.

Miss Alta Acord returned the first of the week from Salt Lake City, where she has been spending the past few weeks.

Births of a baby boy last Monday night to Mr. and Mrs. Clarence Johnson of Orangeville and a girl to Mr. and Mrs. George Mortenson, Jr., of Emery are reported.

Survey of the connecting link between the Ephraim and Orangeville ends of that road is now being made.

## UTAH LAMBS SELL AT FIFTEEN AND BETTER

### STOCK STEERS ABOUT ONE-FIFTY HIGHER HERE LATELY.

Hogs skyrocketing the Past Week and Nobody Daring to Say Where They Are to Stop in Their Flight—Recent Hains Helping Out Western Cornfields—Quotations.

The Sun Special Service.

KANSAS CITY, Mo., Aug. 15.—Cattle received today, including thousand head. Mixed steers to fifteen cents higher on stock. Top \$14.00. Fifty to twenty-five cents higher on cows and steers and feeders and twenty-five to fifty cents higher on calves. Hog supply seven thousand head and market twenty to thirty cents higher. Top \$17.25. Sheep and lambs today four thousand head. Utah lambs \$15.50. Various lots of prime steers sold at \$15.00, and the right kind would bring \$18.25. Grass steers sold for fifteen cents higher and weights steers mostly at \$10.25 to \$12.50. Top at \$17.50 for wintered steers. Oklahoma steers sold at \$8.25 up to \$11.75, including quarantines weighing 1000 pounds at \$11.00. The first train of Western Slope Colorado arrived, twelve cars from DeBeque, Colo., 1127 pounds average, at \$10.75. Cows were fifteen to twenty-five cents higher. A carload early to an outside buyer at \$10.60, not extra fat. Calves made a big advance. Top veals \$12.25. Stock steers at \$8.50 today were called \$1.00 higher than two weeks ago. A feature sale today was four hundred wellbred Hereford stock calves from Western Kansas, 375 pounds, at \$8.65. Feeding steers weighing 1025 pounds brought \$11.75. It was a good market on all classes from the country.

Hogs are skyrocketing in the last week, and nobody dares say where the advance will stop. A week ago the limit was put at \$17.00, but now people are talking twenty dollars. Heavy hogs brought \$17.75, medium weight sold up to \$17.25, light \$17.10, pigs \$12.00 to \$14.00, and immune stock hogs at \$15.00 to \$16.00. Apparently nothing is being sacrificed, and demand for immune stock hogs at the plants around the stockyards is very good. Market up to fifty cents from Friday. Recent rains are making some hopeful looking cornfields look much better, and if frost holds off the crop will be much larger than prospects indicated two weeks ago.

In sheep and lambs the market advanced a dollar or more after the middle of last week and is twenty-five to forty cents higher today. Five cars of lambs from Joseph Peery (Ogden), the first of the season from Utah, sold straight at \$15.50, sixty-eight pounds average. Native lambs sold up to \$15.15, and feeding lambs are worth practically as much as fat lambs. Prime handpicked ewes would bring \$10.00 from killers, but most of the ewes go as breeders up to \$14.50.

### HAGENBARTH IS CALLED TO WASHINGTON, D. C.

In response to a telegram from National Food Commissioner Herbert C. Hoover, F. J. Hagenbarth, a member of the advisory committee on raw materials of the national council of defense, left Utah last Saturday for Washington, D. C. He has been called to the national capital to confer with Hoover and woodland from all parts of the United States in regard to maintaining the stability of the wool industry during the participation of this country in the war. Special consideration will be given to the questions of the price of mutton and wool and the relation of the
