PRICE AND NEARBY

Matt Gilmore had business in Salt Lake City this week.

Help's baseball club gives a dance in that town this evening.

L. M. Price, county agent, is back from a trip to Logan and other points.

Walter Clark has been appointed postmaster at Elmo since the resignation of Hans P. Mortensen.

The first cutting of hay in Price River Valley is in progress. The crop is the heaviest in most sections for a number of years.

Quarterly conference of the Carbon stake brought the usual large crowds to Price last Saturday and Sunday for services at the tabernacle.

George A. Nixon is going into the automobile business at Price with the agency for three cars. He will sign up about the first of July.

Pete Callas of Helper came down to Price during the week and went home with a new Buick from Utah-Idaho Motor company's big stock.

Willard E. Christensen has petitioned Judge Christensen in district court at Price to change his name to Matt Warner. The matter comes up in August, next.

Yesterday, June 27th, was the anniversary day of Greece's entrance into the world war. It was observed in many communities throughout Utah with celebrations.

J. D. Dunfee has quit his job with Carbon Mercantile company to take a foremanship of a section gang with the Denver and Rio Grande. He will be at Wellington.

Eastern Utah Telephone company has a new and enlarged directory in press, including names of subscribers to the system in towns outside of Price. It will come from The Sun within the next few days.

There was a chowderist in Spanish Fork Canyon Sunday last between Thistle and Castilla Springs that delayed trains east and west on the Denver and Rio Grande nearly twenty-four hours. Flood troubles in Colorado east of Grand Junction are reported to be the cause.

and others take to the regulations like a Carbon county commissioner does to free Jewish entertainment.

EVADING THE DRAFT.

Melvin Jean Guzman and Valdi L. Greene were brought down to the county seat from Hiawatha during the week by Sheriff George Collingham and locked up. He was accused of evading the draft and was given the choice of being registered to the district board or marrying the girl.

Hecho to get married and the ceremony was later gone through with at the sheriff's office with Justice Lee being the host. Wednesday the couple went back to the coal camp. Guzman had been living with the girl, representing himself as married to evade the draft.

PHOTOGRAPHS WANTED.

Local citizens are asked to donate to the war department any photos of scenes in territory held by the Germans. A call is being sent to Red Cross chapters to see that such material is gathered, including photographs, drawings and descriptions of bridges, buildings, towns and localities now occupied by the Huns in France, Belgium and Luxembourg and likewise in that part of Germany lying west of the line running north and south through Hamburg. A large quantity of such material is wanted. It is stated, and may be sent without usual duplication to Washington, D. C., or sent by express to Washington, D. C.

KNIVES FOR TWO HOURS.

Pope Benedict XV in offering his special prayers for the evils tormenting humanity will descend to the Basilica of St. Peter's at 10 o'clock this Friday evening June 28th, which is the eve of St. Peter's Day. For two hours the pontiff will kneel in worship of the holy sacrament. Immediately after midnight the pope will celebrate the special mass that has been ordered for the Catholic clergy of the whole world "for the cessation of the evils tormenting humanity."

This the pope will be the first to offer divine services in the day sacred to the Apostles Peter and Paul, imploring their intercession with the view that justice and peace may be restored.

PURCHASE OF SUGAR.

One hundred pounds of sugar for the season's canning and preserving can be purchased by the housewives of Utah, according to an announcement made by the state food administration this week. Each person buying sugar for canning and preserving will be obliged to fill out a card upon which the purchaser must declare that the sugar is to be used in the putting up of foods. All requests of sugar will then send the cards filled out by the purchasers to the state food administration, where they will be filed. Domestic measures in sugar canning in Utah are going to take place on July 1st, and the canning and preserving allotments of sugar may be changed; the administration says. At that time sugar cards will be issued throughout the state.

STILL ANOTHER SUIT.

Thomas A. Culp of Price is the defendant in a suit for a thousand dollars damages brought against him at Denver, Colo., by H. H. McDonald, formerly of this city. His troubles are brought about, it is said, by the refusal of Culp to allow McDonald to go through the books of the Culp-Petersen automobile concern, and from which McDonald was recently dethroned. The stock books and furniture and fixtures of the company are at this time in charge of an attorney at the Colorado capital. The suit for forty thousand dollars recently begun by McDonald against four gentlemen connected with the Culp-Petersen company have gone no farther than the service of summonses. Attorneys there send the word that McDonald hasn't the money to go ahead with court costs and the like.

responsible for delays the first of the week in westbound trains of from twelve to twenty hours.

Rev. Alfred F. Giovannoni of the Catholic church announces Sunday school services at his residence next Sunday forenoon at 10 o'clock.

Marriage licenses were issued during the week to Samuel Price and Catherine Doud of Bangsfield and to Hilario Juan Guzman and Valdi L. Greene, both of Hiawatha.

Preparations are well under way with the program for the celebration of the Fourth at City Park. Many will come from the outside towns and camps to join in the festivities.

Meals will be in darkness for the coming four or six weeks by reason of a chowderist taking out its water system reservoir where electric energy is generated. The damage occurred on Monday last.

Vernie Clark Anderson and Millie H. Christensen have applied to the state engineer for nine second-foot of water from Price Dam in Emery county to irrigate six hundred and forty acres of land.

Formal announcement of the express merger under government control was made last Saturday by the railway administration. The companies affected are the Wells-Fargo, Adams, American and Southern.

Construction work on the Castle Gate to Duchesne post road project has been assigned to John H. Tuttle, engineer with the state road commission. The project has just received the approval of the secretary of agriculture.

Up to this time water has been plentiful from the Price river for farmers under the canal of the Price River Irrigation company. The best hay crop for a number of years is being cut, while everything else is promising well.

One year ago last Monday, June 24th, the Price river was at its highest in the memory of the oldest inhabitant locally. The water released by the breaking of the Mammoth reservoir in the Goodsherry was coming down. It was highest about midnight of that day.

Mr. and Mrs. H. H. Twiss and Mrs. F. L. Buckle and children are camping this week on Fish Creek and will remain until after the Fourth. They will be joined by F. L. Buckle tomorrow, who will go up to remain until Sunday, and in the meantime show them how to angle.

Berg E. L. Galois expects to leave the recruiting service at Price about the first of next week, having made application for transfer to the heavy artillery and with which he has had three years service. He goes from here to the Eastern coast and expects to soon see service in France.

Ed H. Johnstone, who went to California a few weeks ago for his health, is reported very low at an Oakland, Calif., hospital. Telegrams from his friends there to Utah acquaintances ask for the whereabouts of his wife, so that his condition is taken as serious. At the time of Johnstone's departure he was working at Sunnyside.

A. G. Guthrie of Price Garage company brought down from Salt Lake City yesterday a Willys-Knight car and an Overland Eighty-Five to be delivered this week to purchasers. Neil M. Maden recently brought in a Willys-Knight and a Country Club for himself.

West Hiawatha homes and property in general was considerably damaged Thursday night of last week by one of the heaviest rains that has ever visited that section of the county. A portion of the railway that brings the coal down from the mine to the railroad was swept away. The storm put the water service also out of commission for a time.

Back the boys with your dollars! is the advice to Sun readers of the H. S. Dehnbach Auto company of this city in an announcement on the war savings stamps campaign in this issue. This firm has the Dodge agency at Price and next to their stamps considers one of their automobiles about the best investment for genuine pleasure and all the time service.

In the divorce suit of Kate Calvert against George M. Calvert Judge A. H. Morgan at Provo last Wednesday heard defendant's motion for modification of the decree so as to give the custody of the seven-year daughter, awarded to plaintiff at the time of the divorce, to defendant. The motion was denied, but an order was made withholding the child's mother from taking the child out of the state. The divorce was granted in Duchesne. The mother has since married and is now Mrs. H. C. Kingsland.

Ed Conners, manager of the Bayou Hotel, is helping right along with the best war savings stamps. A campaign for which closes healthily tomorrow. This noise is recently being furnished and refilled throughout and has become one of the leading specialties not only of Utah, but all this Western country. The management is an accommodating and solicitous one of the comfort of its patrons as it is patriotic. Peruse the advertisement in this impression of The Sun and tell your friends about the Bayou.

Mrs. Edna A. Goella, wife of the late A. M. Goella and mother of Mrs. Harry Santachi of Black Horse, died at a Salt Lake City sanitarium last Wednesday from a nervous breakdown. Mrs. Santachi is at this time ill at a Los Angeles, Calif., hospital, while her husband is with his country's forces in France. Another daughter, Mrs. Clarence Nelson, resides at the state capital. Funeral services will be held either Saturday or Sunday next. Deceased was prominent in the Eastern Star and library circles at Salt Lake City.

The Carbon-Emery Stores company, George D. Haymond, manager, is a genuine booster for the war savings stamp campaign which closes in Carbon county and for the state tomorrow, Saturday, evening. In the drive made at those towns lately employees of this concern from general manager to delivery boy have subscribed to the fund and at the same time have encouraged many others to do so. Carbon-Emery Stores company has an announcement in patriotic words on the second page of this impression of The Sun.

Gambling With Destiny....

Spending your income as you make it is simply gambling with destiny—and with all the odds against you. You stand all to lose and none to gain. Systematic saving even though small, if constant, eliminates the element of chance and establishes your future on a basis of certainty.

This bank desires to co-operate with you in building on that basis. We have unusual facilities for promoting the interest of our customers. Four per cent interest paid on savings accounts, compounded semi-annually.

Price Commercial & Savings Bank

Price, Utah

MANY AN ERROR IN BUSINESS

Is caused by poor eyesight. Many an error could be avoided by the wearing of proper glasses.

You may be a salesman, shipping clerk, bookkeeper, manager or proprietor—no matter which, start with a

NEW VISION

See clearly, have rested nerves, fewer headaches and no errors by wearing glasses prescribed and fitted by us.

We consider it an obligation to carry the highest quality of hardware and machinery to give the best satisfaction and results in the field.

OUR OBLIGATION

To see that our goods give satisfaction. When contemplating the purchase of any goods in our line STOP AND THINK of the advantages in buying from us.

Consolidated Wagon and Machine Company

South Ninth St., Price, Utah

WILSON'S

To meet changing conditions and to give our customers the service due them, we are changing our former storeroom into an up to date confectionery where all our old patrons together with the new ones will be welcomed. We will endeavor at all times to serve you the best at popular prices. We will follow the same principles in our confectionery that that have built up our grocery business—buying and selling for cash, which means better goods for less money.

Our confectionery will open Friday, June 28th, with our new fountain equipped with all the goodies to satisfy the most particular. Ice cream in any quantity.

CELEBRATE THE FOURTH OF JULY WITH US.

We are making special arrangements to have the best line of fruits at low prices on that day. Sweet cherries, both white and black, red raspberries, oranges, lemons, bananas, canteloupes and watermelons served or to carry away.

Candy for the little ones—Penny Candy one cent each. For the young people all five-cent bars are still five cents with us. Bulk candy, assorted to your taste, per pound, 30c; peanuts, 25c. White Ribbon, the malt drink, by the glass, bottle or barrel.

Don't forget our grocery department has some bargains this week for you. Milk is advancing. One week only, Segor or Borden's, tall cans per case of forty-eight, \$5.75. This is the last week on soap.

ROYAL BREAD AND BANQUET BUTTER.

Do not forget our grocery department will close at 6 o'clock each evening except Saturday nights at 9 o'clock, and will be closed all day Sunday and July 4th.

Table listing various grocery items and prices, including Vienna Style Sausage, Potted Meats, Crackers and Cookies, Dried Peaches, Dried Apples, Dried Beef, etc.

SHORT STORIES OF THE WEEK

(Continued from page three.)

charged from the army on the ground of allegiance or upon diplomatic reasons.

EXHIBITED BY PHOTO.

Only "picture hats" will be shown by military drummers this year. The Military Traveling Men's association, in session at Chicago this week has announced. Saving expense baggage drummers will carry a book of pictures instead of six "portable box-cars."

METHODIST CHURCH SERVICES.

At the Methodist Church next Sunday, June 28th, the pastor will preach from the topic, "Foundation of Rock and Sand," at 11 o'clock of the morning. "The American Ideal," Fourth of July sermon, at 8 o'clock of the evening. A most cordial welcome. H. T. Zeiders, minister.

PLENTY OF YARN HERE.

Mrs. H. W. Millburn tells The Sun that the local Red Cross chapter now has plenty of sweater and sock yarn on hand at the knitting room of the chapter of the library building, which is open every Thursday from 2 o'clock of the afternoon to 8 o'clock of the evening. One can get yarn at any time by telephoning Mrs. Millburn or Mrs. J. C. Parnett.

ASKS RATE INCREASE.

Utah Stage company, which operates in connection with the Utah railroads from the Watson terminals to various points in Utah county, is before the state public utilities commission with a petition for permission to increase its freight rate in proportion to those ordered for railroads by Director General McAdoo. It is desired to put the higher schedule into effect July 1st.

NEW RATE OF POSTAGE.

Effective July 1st all second-class mail matter will require considerable more postage. The rates on this class of matter, which include newspapers and periodicals, has received a substantial advance. The rate as established for the year beginning July 1st calls for a payment of one and one-fourth cents a pound for the first and second ounce. The rate is increased yearly until in the year 1921, the rate will be two cents a pound.

ANY DAY WILL ANSWER.

While Sunday, June 23rd, was set apart by the president of the United States for all different religious organizations to talk from their pulpits on the purchase of war savings stamps, writes George T. Child, state director for Utah, to The Sun, "any day that such organizations may meet it will be beneficial to have the public better possible and to make subscribers to the fund, one thousand dollars majority vote, January 1, 1923, which costs only \$22.00 the current month."

CLOSING RULES PLEASE.

Several letters of a congratulatory nature have been received by W. F. Jensen, commissioner of commercial economy, from business houses all over the state affected by the new closing rules. They are generally in approval. An automobile firm in Provo expresses the hope that the order enforcing early and holiday closing of supply and accessory stations will not be long suspended, and asserts that the firm sees no need for these establishments to maintain such constant service. Price merchants

YOUR PASSPORT

Your clothes may not constitute your entire passport to polite society, but let me tell you your passport wouldn't go far without presentable clothes. They "okay" the passport. Come and let us fix out your passport with one of our line.

TAILORED SUITS

All the latest and most popular woolsens to select from, and will make them up to prevailing modes. Our strong point is fitting those who are hard to fit.

Our Mr. L. A. Hill makes frequent trips to the surrounding towns. If you haven't time to come to the store have him take your order. Cleaning and pressing—by the best methods. Hats blocked.
