Dress trappings almost given away at Irvine & Barney's bargain sale. TAYLOR BROS. Co., furniture dealers, besides a large line of pottery and earthenware have added a nice line of hardware, cutlery, house furnishing goods and stoves. The stoves selected by this house to handle are the celebrated "Universal" brand of heaters and ranges. A examination of the goods and prices will insure the custom of all intending purchasers for the Taylor Bros. Co.

TO RENT.—A new brick house, seven rooms, with city water and modern conveniences, three and a half blocks east of Hotel Roberts. Apply to John J. Davies, First ward, Provo city. 2 per cent. First ward quarterly on savings deposits at Provo Commercial & Savings Bank.

LOST.—Two mares. One is light bay, has three white feet, strip in face, branded on left thigh. The other is a dark bay shod on front feet. The animals strayed from Evanston, Wyoming. Their range has been in the vicinity of Santaquin, and it is thought they have returned. Information leading to their recovery will be suitably rewarded by T. B. Heelis, Santaquin.

THE absence of the conference and fair visitors is sadly felt in Provo this week. O. H. CHILD and father of Springville were welcome visitors at this office today. Eager and anxious are the inquirers for news from the posse of officers who have the murderers of Sheriff Burns surrounded. SENATOR JOHN B. JONES, the ex-republican will stump Ohio for the democracy.

Dr. Price's Cream Baking Powder Most Perfect Made. DEMOCRACY all over the land is daily winning converts. THE Childs' marble works at Springville is turning out some good work. Their styles and prices are not surpassed in the country, and besides they are clever gentlemen. JOE RAWLINS and B. H. Roberts go south to hunt up our Frank's trail a little. There will be music in the air in those latitudes pretty soon. FLEMING is busily engaged enlarging and improving his dining room.

THE latest and the richest political joke is that coming before the convention Judge Jones was elated over and tickling the ears of his partisan friends with a story that ran to the effect that he had succeeded in converting Karl G. Maeser to republicanism. It was only a story. The judge's cronies tell the joke on him. HOOD'S PILLS are the best family cathartic and liver medicine. Harmless, reliable, sure.

CALL at Farrer Bros. & Co. and see the new dry goods. LADIES' shoes at 90c and \$1.00 at Irvine & Barney's. MESSRS. NEIBAUER & WILSON with characteristic enterprise have put Lemmy's celebrated key beer on sale at the Occidental. The good old orthodox price of this peerless product is 5 cents per glass.

FIFTY pianos and one hundred organs on easy terms at Taylor Brother company. OUR fruit boxes are made of the clear Oregon pine. They are the best in the market. A. O. SMOOT. For all reasonable groceries at lowest prices call at Boshard & Saxey's. 65,000 Friends. Suppose a man could control 65,000 votes in a state election. Wouldn't he be much trouble making him governor, would there? Safe to say that no man has 65,000 personal friends. That's where an Emerson nature, for THE EMERSON PIANO has five times 65,000 friends. There is an average of five persons in every house. Sixty-five thousand houses have Emerson pianos in them. Everybody who ever examines an Emerson straightway becomes its friend. The logic is plain. Come in and be introduced at Taylor Bros. & Co.

Insist upon HOOD'S

Read Mr. Chase's Experience with a Substitute And the Glad Result of Taking HOOD'S.

"C. I. Hood & Co., Lowell, Mass.: Last March I had to give up work, 'completely worn out.' I felt tired all the time; had frequent headaches, and spells of dizziness; I had no appetite, and what little I did eat, distressed me terribly. My wife was feeling about the same. I went to the drug store, and called for Hood's Sarsaparilla. The druggist said he was out of Hood's, but that he could give me a medicine made from about the same formula, just as good. I bought a bottle and carried it home, and wife and I took it faithfully. That bottle was finished and we could see no improvement. I bought a second and then a third bottle, and when my wife declared she would take it no longer, as she believed she felt worse than she did before taking it. We put the third bottle away half full; and I went to the drug-store and got a bottle of Hood's Sarsaparilla, and a box of Hood's Pills. In less than a week

We began to improve. We began to relish our food, and it didn't distress us as before. That tired worn-out feeling left us gradually, and after taking five bottles, we called ourselves well; and give Hood's Sarsaparilla the credit it deserves. Whenever I take a severe cold I always take three of Hood's Pills at night, and in the morning find my cold broken. Hood's Sarsaparilla and Hood's Pills are a complete medicine chest in themselves, and I heartily recommend them to everyone. ERWIN C. CHASE, Bottell, Washington.
