PROVO CITY. DEC 9 1895

PETER REEDY is the name of a gentleman from Eureka who has been suffering for some time with asthma. He has been in Provo under treatment of Dr. Ralle for three weeks. That treatment was of no avail. The man died. He was 60 years of age and leaves a wife and several children at Eureka. He was a Mason. The A. F. & A. M. lodge No. 9 of Eureka came over yesterday and conducted the funeral.

Funeral services over the remains of Mrs. Halladay were largely attended yesterday.

The young men and young women of the Fourth ward will meet conjointly this evening in the Fourth ward meeting house.

The county court is in session today. Judge KING is attending supreme court. No session of the First District court will be held till Wednesday.

A motion for a new trial of the Scott damage case against Provo city has been denied.

It is expected that the Thomas fornication case will not be further prosecuted but will be thrown out of court.

The public generally have been expecting that others than Hayes would be indicted for complicity in the Polk man Point triple murder, at least the man Triple murder who took charge of the ranch, but such was not done. Hayes will have to stand trial alone unless the evidence as it develops should lead to and warrant the indictment of others. It is thought that if Hayes is the guilty man, at least others know more of the case than they will tell if they did not actually participate in the murders or conspire to have them committed.

The fire department want the incoming council to appoint Dave Lovell fire chief, Wall Conover fire department teamster, and James Mark city teamster. The candidates are all members of our very efficient team of fire laddies.

The Utah county republicans are not lacking in gall. They lost the county in a fair election, but they are going to the courts in a vain endeavor to steal it and seat the republican representatives and senators in the coming state legislature. Failing in the courts they will go the legislature itself which is republican and may undertake to rule things with a high hand and oust the democrats elected as they did Alexander Robertson from the constitutional convention. And this is not the full extent of their gall. The balance of the territory elected the republican legislature. Utah county elected democrats. But the patriots in the Utah county contingent of the g. o. p. after political jobs in that legislature are numbered by the score, among them being Jim Clave at the head of the list, Ben Bachman next, Frank D. Hulse, and Joe Page Jr., of Payson, Julia Alteman of Springville, William H. Poole of American Fork and others. John Collins of this city is also after a job. Ben Bachman is willing to take a job in the legislature but he has his eye first and foremost on the "sit" as clerk of the supreme court.

It will pay you to call at Howe & Taft's if you want groceries cheap. Those who trade with them know they are saving money every day. They are never undersold.

CHIEF FOWLER took rapist Booth and the five tramps indicted for riot, up to the penitentiary today. The prospects are that the trial of these tramps will not be had this side of statehood, when the expense of their trials and that of Hayes and others pending together with all the costs of halliffs, jurors, stenographer and other court expenses will be thrown onto Utah county. The prospects are that this county will get the most expensive of the first expensive expenses under statehood, though of course the advantages of statehood will come in time and more than counteract these immediate disadvantages.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh; which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
