

THE TRIBUNE.

CALDWELL, IDAHO, JUNE 9, 1888.
I. N. Tucker is in town.
Eggs, 25 cents; butter, 30 cents.
Boise City will celebrate at Miller's Grove.
Lots of wool coming in. No buyers here as yet.
Smith, the telegraph repairer, was in town this week.
Mrs. Rev. Gwinn, who has been quite sick, is recovering.
Hon. Homer Stull was a Caldwell visitor last Sunday.
Good, fresh drugs at Little & Blatchley's drug store.
Don't fail to celebrate the Fourth of July in Caldwell.
Liberty, independence, patriotism and drugs at Isham & Co's.
Vale, Oregon, is going to celebrate the Fourth of July in grand style.
Bob. Aikman, the boss sheep man of Willow Creek, was in town this week.
J. F. Lackey shipped twelve cars of horses from here last Wednesday.
Mrs. A. J. Strickland, of Jordan Valley, is in town under the care of Dr. Maxey.
Hon. Tom. Cahalan, of Boise, was in town this week. Tom has lots of friends here.
T. W. Boone returned from Camas the other day. Reports cattle gaining rapidly.
Mr. Wm. Lowe, of Winnemucca, Nevada, is visiting the family of W. W. Dryden.
Born, Tuesday morning, June 5, 1888, to Mr. and Mrs. Dr. Isham, a ten-pound girl baby.
Mrs. D. Kellier and daughter Miss Stacia are visiting friends in Columbus, Nebraska.
Mike Devers, of Bonanza ranch, was in town Friday. He says Bonanza is booming.
Isham & Co. will not deliver the oration on the Fourth, but they are selling drugs very cheap.
A very pleasant social dance was indulged in at the Commercial Hotel last Thursday evening.
Isham & Co., have at last received their soda fountain, and it is a beauty. Go and get a cool refreshing drink.
The Payette Nurseries have THE TRIBUNE's thanks for a case of fine strawberries. They were fully appreciated.
Harry Hunter, who recently closed his saloon at this place, moved his family to Pine Grove this week.
Mr. A. Fouch, the enterprising Parma merchant, was in Caldwell Thursday. He says the prospects about Parma are fair.
The flags will float, the eagle scream, the canons roar and drums be sold cheaper than you can steal them at Isham & Co's.
Supt. Resseguie's special car passed through here last Thursday. Were it not for the fact that it also passed through Nampa, we would claim a boom.
Mr. A. Fouch, of Parma, says that the whole lower country is coming to Caldwell to fly the "American Heagle Bird" on the Fourth. Good.
Beautify your homes by painting. Little & Blatchley carry a magnificent line of elegant mixed house paints. Both beautiful and reliable. Try it.
After the raid of the horribles on July Fourth, all the dead and wounded will rush to Isham & Co's with one accord and buy their drugs. They have plenty for all.
Hon. A. Caldwell, president of the Improvement Company, and Dr. S. F. Taylor, secretary, arrived in Caldwell last Sunday with Robt. E. Strahorn, general manager.
The strawberries and ice cream at the Presbyterian church last Tuesday evening were up to the usual standard of the undertakings of that society. Nothing more complimentary can be said. The receipts were about \$40.
I tell you, Judge, there's nothing like having a ranch," says Pat, the other day. "A person does not feel so homeless." "Yes," said the Judge, "I've noticed that you are homeless than usual of late. I—" but Pat had fainted.
Little & Blatchley wish to inform the public that notwithstanding the dull times, they are still at the same old stand, and are carrying a larger and better stock than ever before. They give especial attention to the wholesale trade and solicit orders from the surrounding country.
The Mountain Home Bulletin, Geo. M. Payne's new paper, is a neat, clean, newsy 7-column folio, and reflects credit on Mountain Home as well as on the enterprise of Bro. Payne. It is deserving of a liberal patronage. We are also pleased to see that it is just plain Mountain Home Bulletin, and not another "Idaho" paper.

Mrs. John Ireton, of Squaw Creek, is quite sick.
We are pleased to announce that Mr. T. T. Wright is convalescent.
Mike Roberts and Sim Badley started east, last Wednesday, on a month's visit.
The Dutch have sold out and will soon leave the country for Oregon. Good riddance.
Born, in Caldwell, June 8th, to Mr. and Mrs. D. D. Campbell, a daughter; weight 9 pounds.
The Caldwell friends of Mrs. Charles Oakes, of Emmett, will be pained to learn that she is quite sick.
Huntington had quite a fire the other day. We have been unable to learn the extent of the damage.
The musicians met Thursday evening to arrange for the Fourth of July singing. It will be immense.
Telegraph poles have not yet arrived. Only one thing slower that we can think of—the mail between here and Boise.
Plenty of rain now days. Dr. Callaway says the dampness has penetrated the thirsty earth to the depth of three feet.
A careful estimate reveals the fact that over fifty per cent. of the letters mailed here for Boise, are miscarried or delayed.
Dan Masterson, of Middleton, has tendered the use of his superb team, as wheel horses on the Liberty Car, July Fourth.
We understand that our cigar factory is going to "give up the ship and retire in good order." Hope it is a false alarm.
It is said, and on good authority, that life is uncertain. But is a "dead sure thing" compared with the mail route on the Short Line.
Grover Cleveland for President and Judge Thurman for Vice-President were the nominations made by the democratic national convention at St. Louis.
Jimmy Hart's saloon at Nampa burned down the other day. The town is to be congratulated that the fire was extinguished before greater damage was done.
Mr. Geo. Oakes, clerk in Coffin's store, dropped a heavy iron on his foot last Saturday, doing quite a serious injury. He was confined to the house several days.
Nampa has got another boom. The railroad company took up a couple hundred yards of unused track at this place and moved it to Nampa. Hence the "boom."
Mr. Thomas Rowland, who has been running the Iowa House, "pulled his stakes" for Pine Grove this week. THE TRIBUNE wishes Mr. Rowland unbounded success.
Dr. M. Pefferle, Dentist, will be in Caldwell on or about the 10th of June. Will also be in Parma about the 15th inst. Will make professional calls when requested to do so.
The small boy and the hoop are taking the town. There is nothing at which horses scare more easily than a rolling hoop. The boys should be careful, as they may be the means of causing a serious accident.
The Daily Statesman gets to Caldwell, on an average, about twice a week. And then three or four issues come in a bunch. THE TRIBUNE has cause to believe that the Statesman is mailed regularly every morning. Wonder where they go?
At the first indication of disorder, the deranged or enfeebled condition of the stomach, liver or bowels, should be promptly rectified by Ayer's Cathartic Pills. These pills do not gripe, are perfectly safe to take, and remove all tendency to liver and bowel complaints.
The democratic county convention will be held in Boise City, August 11. The primaries will be held August 4. Caldwell precinct is entitled to six delegates, Boise, 14; Payette, 3; Union, 3; Emmett, 4; Stewart, 3; Nampa, 3; Lower Boise, 2; Kuna, 2; Dry Creek, 2; Pomeroy, 3; Middleton, 3.
Miss Ada Madden, who has been attending the State Normal School at San Jose, Cal., for the past two years, returned to her home, near Caldwell, last Monday. Miss Madden is one of Idaho's most promising young ladies. She has by her energy and application set an example that any young lady or gentleman would do well to follow. She has made the most of every opportunity, availing herself of all the advantages of our public schools, and not being satisfied with these, after teaching successfully for a time, she entered the State Normal at San Jose, in the second year of the course, and completed the course in two years, graduating with honor in a class of sixty students. She is now qualified to teach in any of the schools of the country.

LOWER BOISE.
A Dry Time all Around—A Bloodless Tragedy; Narrow Escape of a Head.
Other News.
It has been so very dry that it has been almost impossible for me to write—the ground was dry, the grain was dry, the flax was dry, and I was a little dry myself, but the copious rain fall for the last few days started the grain and grass to growing, and a smell of the breath of one of Caldwell's visitors to-day revived my drooping spirits. But that was all I got, just a smell. They evidently had more rain in Caldwell than we had here.
The farmers all wear a pleasant smile since the rain. Some of them are quite hilarious. Bob Hamilton was singing these very words: I want to be a farmer, and with the farmers stand. I've money in my pocket since THE TRIBUNE came to hand. And there he was, waving THE CALDWELL TRIBUNE over his head and thinking of the \$1000 that it and the rain would put in his pocket this fall.
B. Odum is drawing lumber to the Sebree ranch, I understand, for a barn. Sebree will make a garden spot of his ranch yet.
Charlie Sebree made Parma a flying visit Wednesday. He intends to begin improvements on his and Mr. Lannan's ranch in a few days. Come again, Charlie, and stay longer.
We regret to hear that Mrs. John Ross is quite sick. Hope it will not confine her to her home very long, as Mrs. Ross is a person that we all miss.
R. M. Deeds came very near breaking the head of our worthy friend, G. H. Holbrook, the other day. It seems that Deeds had been hunting in Holbrook's field, and had shot several times. At night one goose did not come up and another was found to be shot in the neck. Holbrook was telling of the circumstance at the store, and said that if Deeds did shoot those geese it was an accident, that he did not think Deeds did it on purpose, and did not say that he did do it. A few days after Deeds was at the Blacksmith shop, and as Holbrook was passing, called him to the shop. Some hot words passed, and Deeds said he would break Holbrook's head and stepped back in to the shop, as Holbrook supposed, to get something to carry out his threat. But Deeds failed to come out again and Holbrook walked home. The last heard of Deeds he was going toward Oregon singing, "Let Thy Blessings Fall on Me," (he is a Methodist.) If he had come out of that shop blessings manifold and of tremendous power would have been showered on him, as Holbrook wouldn't be bluffed.
I see by THE TRIBUNE that Cooper is to visit Chicago in the interest of the republican party. What has he done with the green-back party that he was the father of in Caldwell for several years. Have the republicans bought him? I expect to hear of Cooper as a missionary in China working for the Mormon church next. They have the money, but Cooper don't want money; nothing but honor and glory for him. Bishop Cooper, that sounds well; good office. Parma, June 6. Bon.

A Creaking Hinge
Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.
Ayer's Sarsaparilla has effected, in our city, many most remarkable cures, in cases which baffled the efforts of the most experienced physicians. Where it is necessary, I could give the names of many individuals who have been cured by taking this medicine. In my case it has relieved wounds, relieving me of Rheumatism, after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy so efficacious as Ayer's Sarsaparilla. B. H. Lawrence, M. D., Baltimore, Md.
Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else would. It has eradicated every trace of disease from my system. B. H. Lawrence, Manager Hotel Belmont, Lowell, Mass.
I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation, and was speedily restored to health. J. Freeman, Independence, Va.

A SOUND LEGAL OPINION.
E. Bainbridge Munday, Esq., County Atty., Clay Co., Texas, says: "I have used Electric Bitters with most happy results. My brother also was very low with malaria fever and I used, but was cured by timely use of this medicine. An old friend who has never been well since he was afflicted with this disease, after using a few bottles of Electric Bitters, is now as well as ever." D. L. Widdowson, of Haver Hill, N. H., writes: "I feel compelled to state that I have used your Electric Bitters, and feel that I have been cured of my Rheumatism, and feel that I have been cured of my Rheumatism, and feel that I have been cured of my Rheumatism." Price 25 cents per bottle, and \$1 at Little & Blatchley's.
