 —Miss Josie Daulton, of Ontario, is visiting her young lady friends here.
 —Anne Lively and S. B. Mann are the latest converts to THE TRIBUNE'S teachings.
 —Lackey, of Ontario, and Wardwell, of Emmett, are in town. Hard combination.
 —Judge Goodwin, of the Salt Lake Tribune, honored us with a call last Thursday.
 —Mrs. Ingraham, of Denver, Colo., is visiting Mrs. Robt. E. Strahorn at Sunnyside ranch.
 —Mr. and Mrs. Howard Sebree, and Miss Lulu Sebree, left for Salt Lake City last Wednesday.
 —Born in Caldwell, July 15, 1888, to Mr. and Mrs. W. C. Marley, a son. Weight nine pounds.
 —Mr. Charley Grete, an enterprising young business man of Jordan Valley, was in town this week.

 —S. N. Moe went to Silver City Thursday to escape the scorching rays of Old Sol's righteous indignation for a few days.
 —Mr. A. Howard has purchased the improvements of Mr. Augustus Schimmelfennig, of sage brush fame. Howard is far-sighted.
 —John McMahon, of Succor Creek, the celebrated slack wire performer, is in town. He is not the proprietor of McMahon's Circus.
 —All the wool in town, save two or three clips, has been sold and is now being shipped. The price paid was from 11 to 12 1/2 cents per pound.
 Boys, when you want a nice suit and a perfect fitting one, remember Gwin can take your measure. Satisfaction guaranteed. Call and see his samples.
 —Nienmeje and Wilson are still at large in the mountains. It is thought they cannot escape, however. The large rewards offered will bring them sooner or later.
 —McDonald, known as "Little Mack," went out Thursday with 25,000 pounds of freight for Silver City. One casting for the Oro Fino mine alone weighed 8,000 pounds.
 —Alex. Wood, the condemned negro wife murderer, has not yet been recaptured. It is supposed that the Indians, who hold a negro in superstitious awe, have him hid and are keeping him.
 —A popular song in Caldwell: "Say, Mister, can't you give a poor feller the price of a meal?" Chorus: "Go to work you d—n scrub. I'm not a National Bank." Air: "O! Where Shall I Feed To-night?"
 —Mr. Griffin has been appointed night operator at the Caldwell depot. Mr. Griffin has lost one arm but that does not prevent him from shining lightning with the remaining one with the best of 'em.
 —Geo. Pettengill and S. B. Mann have both been in Caldwell this week assessing our citizens. Come again, gentlemen, money is absolutely no object to a Caldwell man. Glad to find an outlet for our surplus down here.
 —Boise City sent their base ball club to seek glory in the ball tournament at Baker City, from the 19th to the 21st inst. inclusive. On this issue of vital importance, Caldwell feels for once justified in wishing Boise success.
 —The famous A. P. Hotaling Co. have established a wholesale liquor house at Boise City. This is one of the largest and most reliable firms in the west, and all dealers will undoubtedly find it to their interest to correspond with them.
 —McMahon's show carries no manager, and the staid old deacon who goes to shows for the express purpose of showing the children the wild animals and goes into the circus tent merely to rest, will have to spend the day in prayer and repentance.
 —Advertising car No. 1, of McMahon's Great Circus, with its tons of illuminated, pictorial printing, magnificent lithographs and millions of small bills, descriptive of the wonders to be seen in the great show, slide tracked at Caldwell last Monday, and billed for an appearance here on next Tuesday, July 24.
 —Robt. E. Strahorn arrived from a month's trip in the east last Wednesday, and went to Hailey Friday. Mr. Strahorn has purchased the Hailey Hot Springs and will take full possession August 5th. With his usual push and enterprise, Mr. Strahorn will at once commence extensive improvements on the property and will undoubtedly make it the finest summer resort in the west. Caldwell will sadly miss Mr. and Mrs. Strahorn, but the gratifying fact that they will still remain in Idaho is some consolation. May all prosperity be theirs.

—McMahon's circus will not show at Boise City.
 —Fans, Fans, Fans, of all kinds and prices at Gwin's.
 —Rev. Boone will preach to-morrow, both morning and evening at school house.

 —Echoes of a greatboom! The Seattle Press recently contained 21 columns of delinquent tax sales. Now where is your great "Sound" country? Even Boise can pay her taxes.
 —Mr. Malachi Krebs, of Boise, is in town. We should think the polluted air of Alkali Flat would be too much for his constitution. "Great blow-hards, those Caldwell people are!"
 —Our popular jeweler, S. N. Moe, received official notice that he had been appointed watch inspector for the train men of this division the other day. Moe is a competent watch maker.

 —Mrs. E. A. Hannan wishes to inform the public that her house—Towa House—will be opened next Monday. She desires to thank the public for the liberal patronage in the past, and will endeavor to conduct her house in a manner to merit a continuance of the same in the future. Rates reasonable.
 —Born, to the wife of W. V. Williams, of Jordan Valley, June 19, 1888, a fine daughter, Mr. Williams is one of the proprietors of the Jordan Valley House where weary pilgrims from this section always find rest and a cordial welcome. His friends here congratulate him on the addition to his household.
 —Williams, the Cariboo murderer, will dangle at the business end of a rope to-day at Blackfoot. He escaped about a week ago and when recaptured and asked why he surrendered he replied: "Oh, I am too d—n mean to kill myself." Before sunset to-day he will be a good lead man. A rope is sometimes a better reformer than a priest.
 —Silver City is going to celebrate next Tuesday in honor of the completion of the telegraph line to Caldwell. A big fire will be kindled on War Eagle Mountain, speeches will be made, fire works displayed, and plans for a great jollification are laid. The hell-o machine will now be used as an ornament to the eternal hills.
 —The county commissioners have appointed P. J. Fahy, D. D. Campbell, Swain Beatty, Geo. Little and W. C. Maxey as a fire guard for Caldwell. It is their duty to examine and condemn defective lines, and take other precautions to prevent fires. There are plenty of defective lines in Caldwell, and we hope the board will "get in and drill."
 —The Hotaling Liquor Co. have presented their compliments to both the Democrat and the Statesman. The Democrat returns thanks for a fine sample of "lecturers' nutriment" while the Statesman analyzes the same compound as "mineral water." THE TRIBUNE'S liquid editor prides himself on his fine discrimination, and rather flatters himself that were the opportunity presented, he could decide the point in question.
 —The drug firm of Isham & Co., has dissolved partnership by mutual consent, John P. Johnson retiring. Mr. Johnson has made many friends during his business career in Caldwell, who will follow his future movements with an interest born of high esteem. Dr. Johnson, who will conduct the business in the future, is a thorough, practical druggist, and is one of Caldwell's land marks. He has been in successful business since the town was started, and has built up an enviable reputation as a reliable and progressive business man, and we predict he will make himself felt in the drug trade of the country. His ability is unquestioned, his dealings always honorable, and he is bound to win.

 E. Balchbridge Monday, Esq., County Atty., Cas Co., Texas, says: "I have used Electric Bitters with most happy results. My brother also was very low with Colic, Liver and Kidney, and was cured by using of this medicine. An extract from the Medical Record, Vol. 1, p. 100, says: 'Witness, of Horse Cave, Ky., sends a like testimonial saying: "I was cured of my Colic, Liver and Kidney troubles by using of Electric Bitters. This great medicine cured me of all my troubles, and I am now well and strong." Price 50 cts. per bottle at Little & Blatchley's."

 —Read the communications from Silver City and Emmett on the first page. They will interest you.
 —One of Dan Brown's celebrated milk punches this hot weather is guaranteed to make a man forget the cares of life and imagine himself in realms of eternal bliss for fifteen minutes after taking.
 —The Boise Democrat says that last week's TRIBUNE had not arrived there yet. Nothing strange about that. A week is required by our fifteen-cent-mail-service under ordinary circumstances, for carrying mail to Boise, and THE TRIBUNE was mailed but six days ago.
 —When, by reason of a cold or from other cause, the stomach, liver, and kidneys become disordered, no time should be lost in stimulating them to action. Ayer's pills act quickly, safely, and surely. Sold by druggists and dealers in medicines.
 —Dr. James Bussing, a first-class physician, and Dwight Crane, both of Nampa, were in town Tuesday with a view to locating here, and concluded to do so. They have a finely-stocked drug store at Nampa which they will bring here, occupying the building vacated by Dr. Hopkins. The goods will be shipped in the coming week.—Ontario Atlas.
 —Coffin, Packard, Negley, McMahon, Cooper and Isaacs form a magic circle evening in front of Coffin's store, and using an empty beer bottle for bait (which never fails to capture) they entice a democrat to enter the circle, and open up the flood gates of republican doctrine until the unhappy man either faints or hoists a flag of truce.
 —The telegraph line between here and Silver City was completed and in operation Friday night. The office at this end of the line, for the present, will be at Gwin's store, and Mr. Brady, now of the depot, will preside over the lightning talking machine. The office at the other end of the line will be in Mr. Tim Reagan's Idaho Hotel, and Mr. John Allington will be the operator. The company is to be congratulated on securing the services of two such competent and trustworthy young men as operators. It has been decided by the Caldwell Board of Trade, we understand, to increase their subscription to \$1,500, take stock in the company and be represented in the management, instead of donating \$1050 outright. The completion of the line has been delayed a month or more, on account of the tardy arrival of the material. Silver City will celebrate the completion in great shape next Tuesday. We understand that some Caldwell people are going over to join in the festivities.
CIRCUS DAY.
 Tell the neighbors next Tuesday, July 24th, will be show day at Caldwell.
