READ BELOW HOW AN OLD GENTLEMAN WHO HID HIS MONEY OVER THE CLOCK NEARLY LOST \$2000

After an intelligent old gentleman of 76 dropped dead in his home, his son found over TWO THOUSAND DOLLARS in PAPER MONEY over the old clock which stood on the wooden mantle, surrounding an open crackling fire. Not even his OWN WIFE knew that much money was there. The old gentleman was simply GARELESS. His son had married the town banker's daughter, and the bank was trusted. Both the old gentleman's MONEY and LIFE were in danger; for BURGLARS have a way of LEARNING where money is hidden, and fire at any time might have burned the house.

CHAIRMAN EVANS TO TOUR THE STATE

Started Monday on Mission in the Interest of a New Deal

Evan Evans, chairman of the Republican state central committee of Idaho, left Spokane Saturday evening for his home in Grangeville, from which point he started Monday on an organization tour which will take him to every section of the state, occupying several weeks.

This trip will be made by auto with other Republicans. It will be somewhat remarkable in its nature and purpose, for Mr. Evans not only is organizing for the election of a Republican state ticket and for Republican electors in Idaho, but he has a much more far-reaching object, which includes a campaign for the reorganizing of the state land board of Idaho and for the revision of the state constitution to permit of such reorganization.

Mr. Evans will be accompanied on this trip by Fred C. McGowan of Moscow, who was a prominent member of the last Idaho legislature and a vigorous speaker. C. A. Branscomb, editor of the Grangeville Globe, will be in the party assisting in the organization work and acting as press agent. James F. Ailshie, Jr., son of Judge Ailshie of Coeur d'Alene, will handle a new Buick car which Mr. Evans purchased in Spokane.

From Grangeville Mr. Evans comes north and will be in the northern end of the state in about a week. After this campaign he will go with his party to southern Idaho and visit practically every county.

"On this trip it will be our purpose to see as many people as possible," said Mr. Evans. "We will make the trip by automobile, because it will en-

able us to visit many points, making quick time and giving every possible moment for consultation with the people. It will not be a trip merely to the county seats and important towns but to many other places and into as many districts as possible.

"One of the most important works I am undertaking on this trip is to arouse the people to a realization of the needs for a new organization of the land board of our state, and the plan I advocate is to have appointed by the governor a bipartisan board of three members, who shall employ their own clerks.

"At present this work, which is of vast importance to Idaho, is handled by a board composed of five state officials, all of them elected for other purposes.

"On this trip we also will organize for the coming campaign, for we expect to elect a Republican state ticket and put Idaho in the Hughes column."

Candidates for State Offices

The nominations filed for the various state offices by both parties are as follows:

Justice of supreme court—Robert N. Dunn, Coeur d'Alene; John C. Rice, Caldwell; Isaac N. Sullivan, Hailey.

For congress—E. E. Elliott of Bonners Ferry, Burton L. French of Moscow, Robert M. McCrae of Boise, Addison T. Smith of Twin Falls, Republicans; Marion J. Kerr of St. Anthony and John V. Stanley of Bonners Ferry, Democrats.

Governor—George E. Crum of Lewiston, Capt. E. G. Davis of Boise, D. W. Davis of American Falls and Herman H. Taylor of Sandpoint, Republicans; Moses Alexander of Boise, Democrat.

Lieutenant Governor—L. V. Patch of Payette and B. M. Holt of Caldwell, Republicans; James H. Frazier of Coeur d'Alene and Ernest L. Parker of Cottonwood, Democrats.

Secretary of State—George E. Barker of Sandpoint, Erv. Johnson of

SHAME, Fear, Deceit and a Guilty Conscience all come wrapped up in the mail order package. We should never be ashamed to look a neighbor in the face. In a community like ours, all are neighbors and friends, working together. Our interests are common. We are all in business together. Our business is home-town development. Unlike the overcrowded city, our community has a soul. We tamper with our community-soul whenever we boycott home interests. Then let us keep our conscience clear, let us so live that we can at any time look our neighbors in the face, knowing that no action of ours is holding back the progress of our home town.

THE GOOD JUDGE FINDS MOST MEN KNOW WHY THEY USE W-B CUT TOBACCO

YOU can't hide the truth—that's why men who use W-B CUT Chewing know what quality tobacco is. A small chew of the real tobacco tucked away in the cheek gives men the tobacco satisfaction they want.

A gentleman's chew—it outs down grinding and spitting and there's no unwieldy wad to roll around in your mouth or to plug out the cheek. Give W-B CUT Chewing the quality test and learn what tobacco satisfaction is.
