Mrs. Humer is building a \$3500 residence at 712 Belmont street.

went wild over the investment and are using it as the foundation for their spring boom. As the deal is larger and somewhat more important than those we read about in the columns of the great newspaper triumvirate, the intense excitement may in a measure be accounted for. Now is the time to buy town lots.

Nampa is a Democratic precinct but they have three Republican papers there and no Democratic organ. It really looks as though the Democrats couldn't read.

ROUGH ON STEUNENBURG AND GWINN

The Tribune ballot for the purpose of deciding upon the handsomest man in Caldwell was won by China Jim with several other prominent gentlemen following close.—Nampa Leader.

China Jim won the contest of being the handsomest man in the great Caldwell "purty" contest. For God's

sake, gentlemen, divide the county.—Boise Democrat.

At the late beauty contest at Caldwell the distinction of being the handsomest man in town was awarded to China Jim and they say he is not an unusually handsome Chinaman either.—Ketchum Keystone.

About a dozen subscribers to The Tribune have notified us that unless something is done p. d. q. about the weather, they will take their names from the immortal scroll. We want it understood right here that The Tribune cannot be coerced. Had the people asked for some nice spring weather, with or without wind, we should have been highly gratified to grant their request, but as they came with a belligerent attitude and demanded it, we absolutely refuse to make the change. We have wired the weather clerk to run things to suit himself.

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's evidence from this locality doubly proven.

Mrs. W. E. Showalter, 400 Fourteenth Ave., N., Nampa, Ida., says: "I have used Doan's Kidney Pills and like them very much. I have a steady ache in my back and mornings I feel tired and worn out. Sloan's Kidney Pills always relieve me."

Again Praises Doan's

Over seven years later, Mrs. Showalter said: "It is very seldom now that I need a kidney remedy, but when a cold settles on my kidneys, getting them out of order, I use Doan's Kidney Pills. Doan's never fail to relieve me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Showalter had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Caldwell Thirty Years Ago

The City Election.

The election last Monday was quite spirited. Two tickets were in the field namely, the People's ticket and the Tax Payers ticket. The former was opposed to a city license on saloons while the latter favored the measure. The tax payers ticket was elected by a large majority and it now looks as though the \$200 a year license imposed on saloons to take effect April 15 would stand.

There were 167 votes cast as against 118 votes cast at the city election one year ago. Counting voters who were out of town and citizens who have not been here the required four months, Caldwell can easily muster 200 voters which is equivalent to 1000 population.

Following are the candidates and votes cast for each man:

M. G. Gwinn	120
Frank Stuenenberg	117
S. M. Coffin	115
A. F. Galloway	105
Isidor Mayer	80
T. W. Boone	70
M. G. Stiles	61
M. A. Roberts	59
J. M. Martin	46
J. B. Sisson	41

For clerk and attorney: Charles Reed 91 John T. Morrison 73

For assessor: T. M. Kerr 161

For treasurer: P. A. Devers 165

There is considerable feeling over the result on the part of the minority, but The Tribune hopes that it will not be lasting. Caldwell is at that stage of her development where she can ill afford to be divided. At this writing the new council has not perfected an organization.

The Tribune has lost some patronage on account of the city fight but it has a word of praise for those who have thus far seen fit to withdraw their support. They have acted like gentlemen: To a man they have come into the office, paid up all arrearages and requested their names tak-

en off the list or their advertisement taken out of the paper. Of course we do not like to lose a customer but it is so seldom that a man quits the paper in this way that we half enjoy the sensation. The usual way is to tell that postmaster "not to put that dirty sheet in my box any more and not say anything of the little balance due the publisher. The average Caldwell man is not built that way and whatever he does, he does with fairness and decency.

Oakes-Krise

Married—At Clearfield, Penn., at the residence of the bride's mother, March 31, A. M. Oakes and Miss Elva Krise.

Mr. Oakes is one of Caldwell's most worthy young men and has many friends who extend sincere congratulations. His wife is also well known in this country having been postmistress at Ontario a year or two ago. Mr. and Mrs. Oakes arrived in Caldwell last week.

A Chinese labor agent has been in Caldwell the past week trying to get Chinamen for the U. P. section gangs. He said that the road was going to exclude white labor on the sections entirely.

An eastern physician has discovered that infectious diseases are carried about on paper money. No wonder the country editor never gets sick. The mystery explained and the old story that it is the result of his virtue won't go any longer.

There is no doubt but that Caldwell will be lighted by electricity before the summer is over.

The Leader is the name of paper No. 3 at Nampa. It is rumored that several others will be started shortly if the supply of names holds out.

Tribune the Big, passed through Nampa the other day and stopped long enough to get a lunch and a glass of beer. The papers up there
