American Ridge

Remember that on June 1st there is a school election, for trustee for the ensuing term. It is expected there will be a full vote polled.

On the first of June at the school meeting there will also be a discussion of where, when, how and what, relative to Free Rural Delivery boxes on the route in our section.

Inspector Mohl has been making a tour of inspection on our ridge the past two weeks. While here he selected a plot of 500 trees contracted for by the state board, out of Grant Evans orchard to be treated by them for the eradication of scab.

Frank Bensecoter, our road supervisor is doing some good work on the Keene hill. Next week he goes on the Juliaetta road, after which he will turn his attention to the Potlatch road. (We hope to goodness both the last two roads will receive a large quantity of his care. —Ed.)

The body of Dr. Parsons, passed through here Tuesday morning to Moscow. Dr. Parsons had been in the Pierce city district securing a timber claim. While returning he had either been thrown from his horse striking a log or had fell and been kicked, probably the former as no one saw him when he was hurt. He was taken to Pierce city, physician called and every thing possible done, but he rapidly sank into unconsciousness and never rallied. He leaves a wife and three children.

Well, I guess its fine work when done at the Gazette job office. Unexcelled in quality taste and design. Call and give us an idea what you want and we will elaborate it. GAZETTE OFFICE.

Do You Enjoy What You Eat?
You can eat whatever and whenever you like if you take Kodol. By the use of this remedy disordered digestion and diseased stomachs are so completely restored to health, and the full performance of their functions naturally, that such foods as would be one into a double-bow-knot are eaten without even a "rumbling" and with a positive pleasure and enjoyment. And what is more—these foods are assimilated and transformed into the kind of nutriment that is appropriated by the blood and tissues.
Kodol is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in assimilative form, the greatest known tonic and reconstructive properties.
Kodol cures indigestion, dyspepsia and all disorders arising therefrom.
Kodol Digests What You Eat
Makes the Stomach Sweet.
Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents.
