

SOUTHWICK STRAWS
By our Correspondent

Annual school meeting was held last Monday rather exceptional in the way of harmony. Every one almost expressing a desire for more and better school. Marion Wright was elected Trustee succeeding Wm Whitinger Prof. M. Jelland has taken the school for this coming year and we feel confident for the best school Southwick has ever had.

Miss Fay Pierce held the contemplated picnic last Friday the 29th in honor of Decoration day, a large program was rendered as well as a big dinner a good time was had by all.

Roy Southwick informs us that one more week of road work will let him out. Roy has run led this spring and we have the best roads we have had for some time.

Wood, well yes we have plenty up her and if you fellows in Kendrick will help invent a way to get it down the hill, we will make you holler enough.

Art Kryger and Steve Douglas who are being carpenter work in Peck are home for a day or two they report things lively in the river city.

The Cavendish Saloon seems to have its effect even in Southwick, It is funny how big a brute some men can make of themselves.

This is the finest growing weather we have had this year so far and wheat and in fact every thing is taking advantage of it.

Mr. S. N. Daggett Mr Thornton and several of the old G A R boys from here, swelled the crowd to welcome Teddy, at Spokane.

Walter Daggett has visited his store twice since his sickness but is very weak but with this good weather will soon be out.

Sherm Winters is using a good deal of dynamite on stumps and various rocks in the road with good effect.

The Cavendish M E church will be dedicated the 14th of June by which time it is hoped it will be finished.

Fred and Peter Primer are putting in 10 acres of corn, to feed their bunch of swine this fall.

Mrs. L. L. Watts is having her house in town painted, S. R. Wetmore is doing the work.

There is quite a number going to the W o W picnic at Junaetta from here the 10 and 11.

Geo. and Will Wilker were among those who visited Spokane the 25 & 27.

Dr. Eugate made a few calls on Marion Wright this last week.

Mrs. Albert Gurnsey of Peck was in town the 1st of the week.

Mrs. John McIver is reported very top again.

Do You Enjoy What You Eat?

You can eat whatever and whenever you like if you take Kodol. By the use of this remedy disordered digestion and diseased stomachs are so completely restored to health, and the full performance of their functions naturally, that such foods as would tie one into a double-bow-knot are eaten without even a "rumbling" and with a positive pleasure and enjoyment. And what is more—these foods are assimilated and transformed into the kind of nutriment that is appropriated by the blood and tissue.

Kodol is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in assimilative form, the greatest known tonic and reconstructive properties.

Kodol cures indigestion, dyspepsia and all disorders arising therefrom.

Kodol Digests What You Eat

Makes the Stomach Sweet.
Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents.
